

North Rock Creek Public Schools
42400 Garrett's Lake Road · Shawnee, OK 74804

Evan Smith
Athletic Director

Out of an abundance of caution, we will take the following actions to ensure safety for our student athletes and spectators:

- Increased police presence that will be mobile during the games
- School administration will all be in attendance to monitor entry and exit points
- We ask that parents encourage your children to stay around the football field area and not in areas that are not well lit by stadium lights.
- We have increased the number of surveillance cameras around the football field area
- We have developed a plan of action with Shawnee Police Department during the games
- We will be communicating the emergency action plan with visiting teams at each game

The safety of our students and spectators is a high priority at North Rock Creek and we look forward to a great football season.
