# BRHS Online Registration Instructions 2025-2026

## Current 8th, 9th, 10th & 11th Grade Students Online Course Registration

Bridgewater-Raritan High School continues online course registration for the 2025-2026 school year. Current 8th, 9th, 10th, and 11th-grade students will complete online course selections. All course registrations will be accessed through the Parent Portal of PowerSchool. We will provide students and parents/guardians with instructions and assistance for this process. Please utilize the support resources of counselors and the course registration support available on the high school counseling website. The process timeline is listed below. Please be sure to follow the dates for your child's grade level.

### Current 8th, 9th, 10th and 11th Grade

Online course registration for current 8th, 9th, 10th, and 11th-grade students will be available beginning Friday, February 14, 2025, at 7:30 am through Friday, February 21, 2025, at 2:00 pm. All grades 8, 9, 10, and 11 students will select all academic courses and electives. Please note that requests for core academic courses and Phys. Ed. takes priority over requests for electives.

### Step I- Review the BRHS Program of Studies

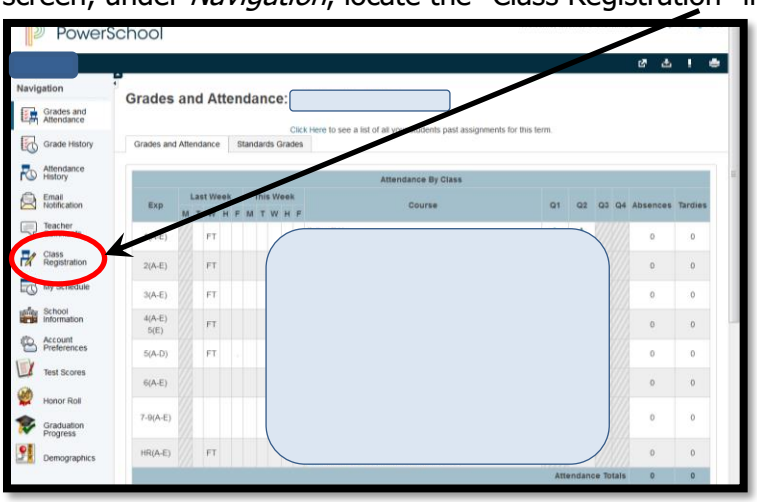
Carefully review the course descriptions in the online Program of Studies **(BRHS Program of Studies 2025-2026)**. Students are required to select current academic courses, electives, and alternates. If you pick an unavailable course, you will automatically be placed in an alternate choice course. The system will select the alternate choice based on your requests.

### Step II- Review Graduation Requirements in the PowerSchool Parent Portal

1. Access the **PowerSchool Parent Portal**. Use your Parent Access Username and Password. If you have not completed this process, please follow the procedures under "Create an Account" in the previous link.
2. Log in using your Parent Portal Access Username and Password.
3. On the left side of the screen, under *Navigation*, locate the link titled "**Graduation Progress**" (featuring a graduation cap) and click.
4. This screen features information regarding completed courses that fulfill specific graduation requirements and information regarding outstanding requirements.
5. Note the number of credits and/or courses needed to fulfill your graduation requirements. Make sure to consider graduation requirements when registering for classes.

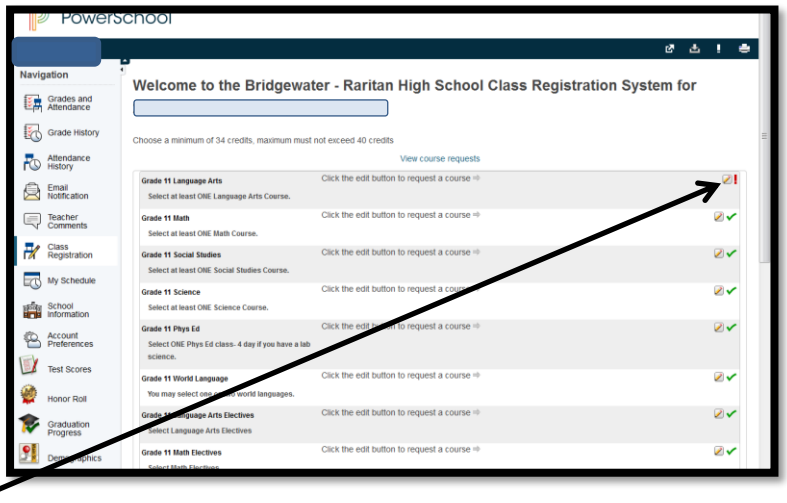
### Step III- Register Online using the PowerSchool Parent Portal

1. Access the **PowerSchool Parent Portal**. Use your Parent Access Username and Password. If you have not completed this process, please follow the procedures under "Create an Account" in the previous link.
2. On the left side of the screen, under *Navigation*, locate the "Class Registration" link and click.

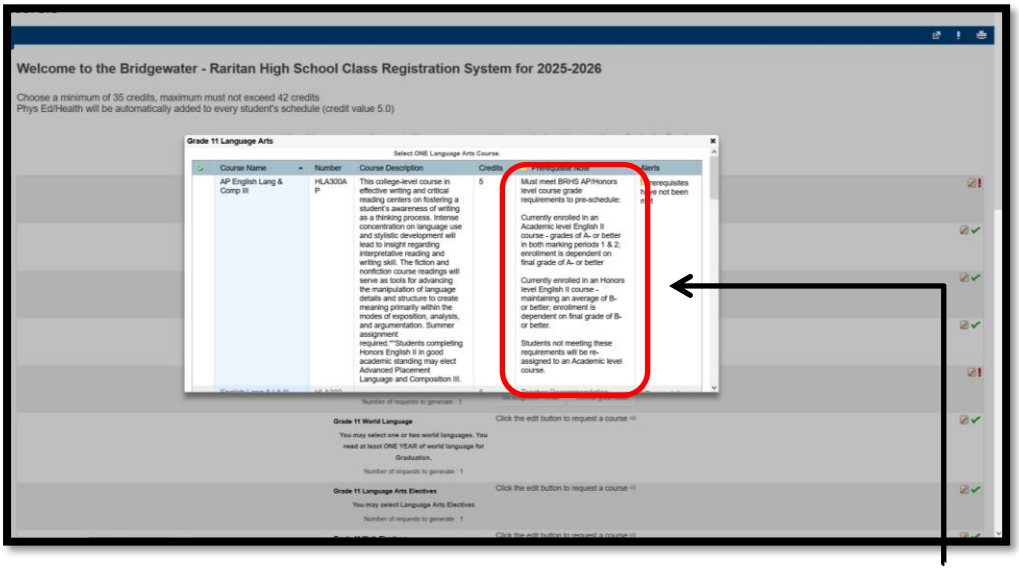


# BRHS Online Registration Instructions 2025-2026

The Class Registration page will appear.

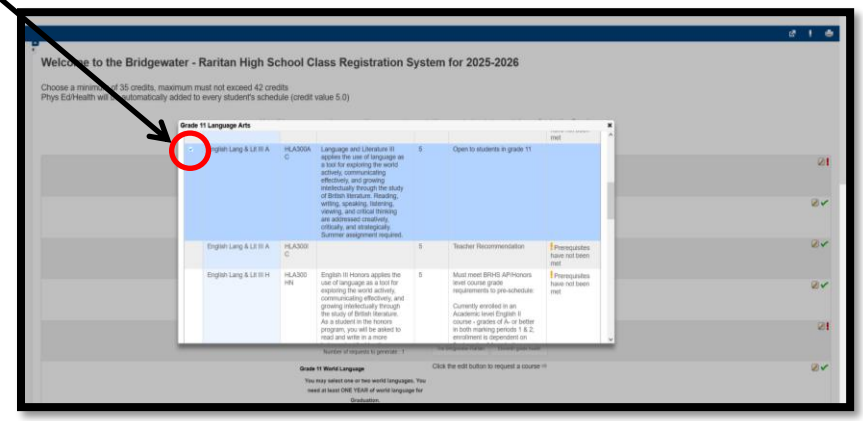


3. Click on the pencil icon to reveal the course selection list for required content areas
   The Course Request pop-up window will appear.



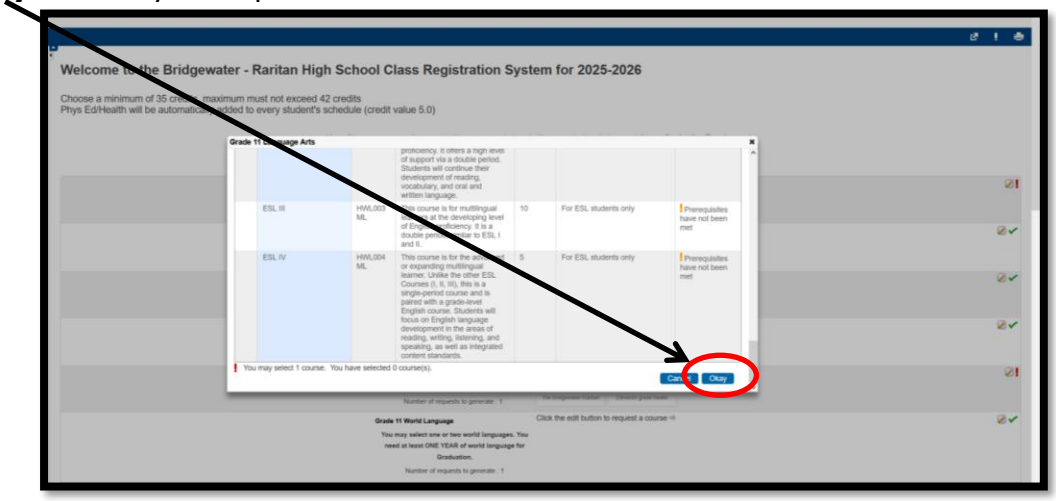
When selecting core courses, please note that many have prerequisite notes. Only select classes for which you have met the prerequisites.

4. Please note that students who need to request courses that are not typical for their grade level WILL NOT have access to those courses during online registration and must see their counselors in person to schedule the correct classes. For example, a 10th grader eligible to take AP Calculus AB will not have access to this course and must meet with their counselor to schedule the correct course.
5. Click the checkbox next to the course(s) you request.



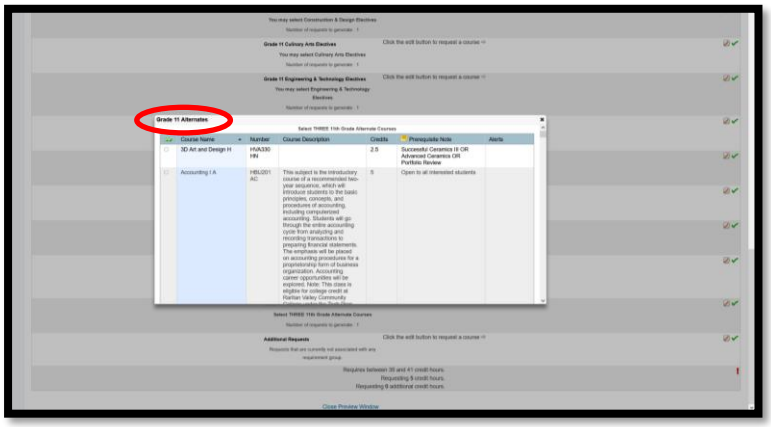
# BRHS Online Registration Instructions 2025-2026

6. Click "**Okay**" to save your request.



7. In requesting elective choices, click the pencil icon to view the options in each content area. Some courses have prerequisite notes. A prerequisite note will identify the grade level for the course and any additional requirements. Click on the checkbox in front of the course to select it. If you choose a course for which you have not met the prerequisite, the course will be deleted from your request list, and your counselor will assist you in making another choice.
8. **Repeat this procedure until you have selected courses for a full schedule.**
9. Click on the pencil icon to reveal the alternate course selection

The Alternate Course Request pop-up window appears.

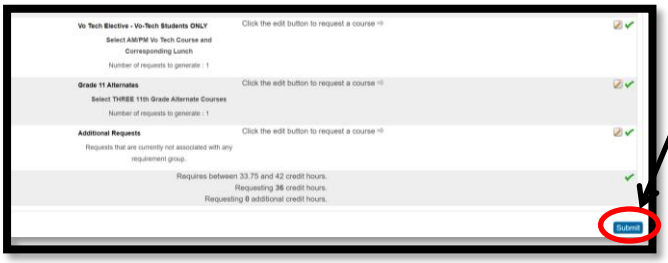


10. Courses are listed in alphabetical order. Scroll down the page to see the choices.

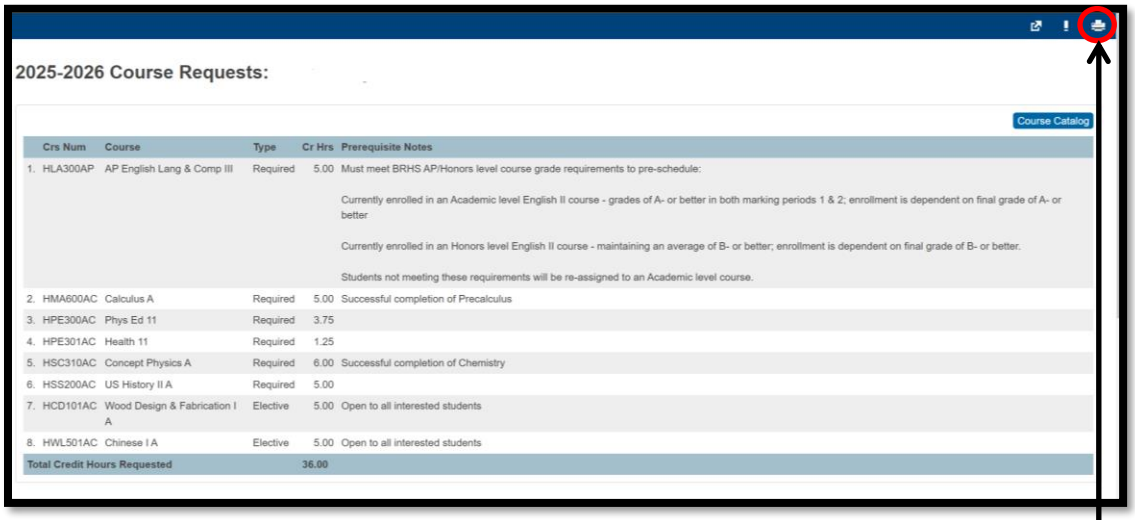
# BRHS Online Registration Instructions 2025-2026

11. When selecting each alternate course, click on the box in front of the name of the course. Scroll to the bottom of the page and click "**Okay**."
12. The courses you have selected will each be displayed in boxes on the registration page.

13. Once you have selected course choices, go to the bottom of the page and click "**Submit.**" Courses **<u>will not</u>** save if you do not click "**Submit.**"



14. Note: Students who need to request courses not typical of their grade level may not have sufficient credits for their course selections to save. Any student who clicks" **Submit"** and is instructed that the course selections will not save should email their counselor immediately to request an in-person scheduling meeting.
15. A list of course selections will be displayed once submitted.



2025-2026 Course Requests:

Course Catalog
