Dear Ringwood Community,

The Ringwood Board of Education wishes to establish an Ad-Hoc-Committee to focus on streams of recurring revenue for our district. The intention of the committee is for discussion and brainstorming purposes and will meet monthly, or as needed, on Zoom or in person. The recommendations and discussion ideas of the Committee will be presented to the Board, and any plans that would qualify for a decision that falls under the Board's responsibility must be voted on by the Board. The Ad-Hoc Committee and committee members must be reappointed yearly by the Board of Education President.

The committee will not be looking at areas or services to be reduced or eliminated from the budget. Any reductions in services are considered operational and must be recommended by the Chief School Administrator and the Business Administrator.

The committee of 15 will consist of:

One PTO Member from each Ringwood Public School (four in total)
Four Board of Education Trustees
Five At-Large Ringwood Community Members
Dr. Kevin Brentnall, Superintendent of Ringwood Schools
Mr. Paul Roth, Interim Business Administrator

We are currently looking for five community members to join the committee. If you would like to be on the committee, please send a letter of interest to Patrick T. Diamond, President of the Ringwood Board of Education. The letter can be emailed to diamondp@njrps.org with the subject line reading "Revenue Committee".

Sincerely,

Patrick T. Diamond
President, Ringwood Board of Education
