Notes from the Principal....

October 20, 2023

Curriculum Night was a Success!

A big thank you to all the families that attended our MES Curriculum Night. We love celebrating student learning and art work, having you meet new friends and visiting classrooms.

Also, many thanks to the teachers and staff for all their efforts both daily and for this special night!

Dogs on the Playground:

We seem to have many dogs on our playground after the school day and during the weekend. Please be sure to clean up after your dog if they leave a mess behind. The children walk/run and jump in the leaves out there and it would be best to not have dog poop to bring into the school on shoes, etc.

Snake Day: On October 31st, we will celebrate all things snake. (Some of us may need more courage than others to get through the day.) Snake gear encouraged if you choose. No Halloween costumes please.

Dates to Note:

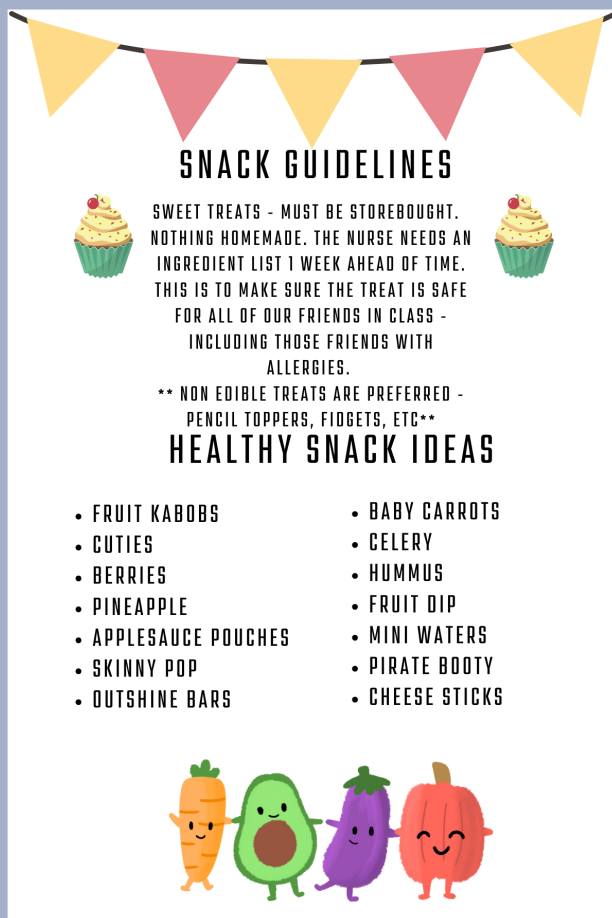

Oct. 31st: Snake Day

Nov. 8th: Early Release

Nov. 10th; Veteran's Day; No School

Nov. 16 and 30th; Parent/Teacher Conferences

Message from Maranacook Education Foundation (MEF) - As we begin another school year, MEF would like you to be aware of the following program that we sponsor. The Foundation believes, and we're sure that many in the community agree, that we have excellent employees in our school district who provide outstanding educational and support services to the students we serve. In an effort to show appreciation for their service, we created a process to recognize employees each month. Recipients for this recognition are randomly selected from employees nominated for their excellent efforts by fellow staff, parents, students and community members. Each recipient receives a small honorarium and most importantly, the public recognition they so richly deserve. Those nominated can be teachers, administrators, coaches and support staff who work in every department in the district. Please use [this link](#) to complete the nomination form if you would like to make your admired employee a candidate for this recognition.
