Parent Teacher Conferences

November 16th & 30th

As we approach parent/teacher conference time, I want to take a moment to emphasize the importance of these meetings. Parent/teacher conferences provide a valuable opportunity for us to discuss your child's progress, strengths, and areas for improvement.

When parents and teachers work together, students thrive. Your involvement and engagement in your child's education can make a big difference in their motivation, self-esteem, and academic achievement.

If you have not yet signed up for a conference time, please reach out to Mrs. Norwood as soon as possible so she can find a time that works for both.
