MES PTCO Presents

The Northern Stars Planetarium

We are excited for the MES PTCO to bring back the Northern Stars Planetarium (also known as the "Bubble"). The Northern Stars Planetarium features science and social studies presentations that enhance our curriculum and help students visualize and get excited about a variety of grade level themes. Children in grades K - 5 have an opportunity to visit the planetarium with their classmates during the Course of the school day.

"Let us remember: One book, one pen, one child, and one teacher can change the world."
Malala Yousafzai

NURSE REMINDER.....

Just a reminder, with the increase in illness in the community, if your child is ill please keep them HOME! Our policy is 24 hours vomit/diarrhea free, 24 hours fever free (without the use of medications) and improvement in symptoms in order to return to school after illness. When reporting an absence, please provide symptoms.
