

MANCHESTER ELEMENTARY NEWS

NEWS FROM PRINCIPAL HARTFORD 2/16

Happy Vacation Week!! Enjoy the family time and winter adventures!

Attendance summary for MES for the year to date:

We continue to encourage full attendance at MES. We understand many children have been challenged with flu, colds and stomach bugs and of course they need to stay home while they recover. Occasionally, families travel for vacations and we understand this family value. We are in hopes that families will balance the total absences. At the end of January our yearly absences rates are:

Greater than 20% absences: 2.4%

10-20% absent: 17%

5-10% absent: 29.1 %
