Cold Weather Attire

The weather has been so crazy! One day it is warm and the next it is cool. But one thing for sure the mornings are chilly.

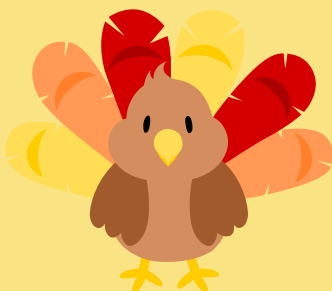

Please remember to send your student(s) to school with a warm coat, hat and mittens so they are prepared for outside play.

Please label all clothing. This will help your child find misplaced belongings if it becomes lost.

Thank you.

If your child develops a fever they can't return to school until they have been fever free for 24 hours without medication (Tylenol or Ibuprofen). We consider a fever to be a temperature of 100.4 or greater.

Additionally, if your child develops vomiting or diarrhea, we ask that you keep them home until the symptoms are gone for 24 hours and they are able to eat and drink normally.

Things to remember for School:

Warm Coat-Hat-Mittens

Sneakers for Physical Education

Healthy Snack

Some of our games !

LITTLE FREE GAME LIBRARY!

Borrow ● Play ● Learn ● Return

Borrow: To check a game out, an adult can scan the QR code on the outside of the little free library to fill out the Google form with your information. Please borrow no more than one game per child so we can let lots of families enjoy the games!

Play and Learn: Enjoy the game at home with your family! Feel free to keep the game for a week or two if you and your child like it! If it's not for you, you can return it sooner. Please take good care of our games so they last for a long time!

Return: Return the game to the Little Free Game Library when you are ready. Use the QR code to check the game back in. Make sure to include all of the pieces. Let us know if there is an issue with the game (missing pieces or directions, etc.). If the library is full, please return the game to someone in the school during normal school hours.

Thank you for your help in making the Mount Vernon Elementary Little Free Game Library a success!
