## Parent/Teacher Conferences/Scheduler is open!

Please go online today to schedule an appointment with your child(ren's) teacher.

Dear Mount Vernon Elementary Parents:

Once again we will be using a Pick-A-Time online scheduler for scheduling our parent/teacher conferences that will take place on March 7th and 21st at 3-7 pm.

The online scheduler is open to schedule your teacher conference.

To access this, click on the following link (or copy and paste it into the browser

<http://www.pickatime.com/mtvernon>

Log in using your email address and then the password you created for fall conferences (if your email address has changed or you are a new user, the system will prompt you to make a new password).

Once in the system, you will see a list of every teacher that is accepting conferences in the entire school. Click in the small box near the name of your child's(ren's) homeroom teacher(s) then follow the steps below to schedule your appointment(s).

Once selected, all those teachers' times will appear, notice they are now represented by the colorful design near their names.

Click on the box near the date and time for each.

Once a slot is selected, you will get a field to enter the child's name associated with this appointment and a field for your full name.

If you have any questions or need help, please call the school office at 293-2261.
