September 6, 2023

Dear Orangeville Parents and Community,

As we look ahead to the rest of the academic year, we would like to provide you with important updates regarding our athletic teams for the High School Boy's winter and spring sports.

We are excited to share that our co-op, with Aquin, for High School Boys Basketball and Baseball has been approved by the NUIC (Northwest Upstate Illini Conference) for the 2023-2024 and 2024-2025 seasons. We eagerly anticipate the opportunity to come together as a united team and foster a sense of camaraderie between our schools. We are also confident that this collaboration will enhance our sports programs and provide our athletes with additional opportunities to compete and grow.

We recognize the importance of athletic programs in shaping our students' character, fostering teamwork, and promoting physical fitness. Our dedicated coaches and staff are committed to providing exceptional athletic experiences for our student-athletes and ensuring their growth, both on and off the field.

We will continue to keep you updated on any changes or developments regarding our athletic programs and we look forward to community input during our October Community Forums. For further information or inquiries, please contact Mr. Brad Kolar, Athletic Director, bkolar@orangevillecusd.com.

Thank you for your continued support and involvement in our school community.

Sincerely,

Mrs. Julie Katzenberger

Mrs. Julie Katzenberger
Superintendent

Go Broncos!
