Davisbuslines.org

Good afternoon,

We here at Davis Bus Lines were made aware of a situation that happened at the school on 3/4/24 at the pm loading time or at 3:00 pm.

One of our buses rolled into the bus in front of them it was not at a high rate of speed or in a fashion that would result in major damage done to a bus.

We understand the severity of the situation and are working to ensure that something of this nature does not occur again with one of our buses.

Our staff is being coached and a new 5 feet distance policy will now be in place for loading time to make sure that there will be no touching of buses ever.

Student safety will always and has always been our top priority. We will continue to work with our staff to make sure that this is a learning experience that has results.

Thanks for your understanding and time.

Sincerely

Justin Harris-Davis
