#### **GENERAL SUMMARY**

*Every YPA Teacher is responsible for sustaining and improving excellent academic results for students. YPA Teachers align classroom instruction with the YPA Charter and expectations. Under the general supervision of the School Principal, they are expected to facilitate student success and growth in academic and interpersonal skills through implementing approved curriculum; documenting teaching and student progress/activities/outcomes: addressing specific educational needs of individual students and by creating a flexible, safe and optimal learning environment and providing feedback to students, parents and administration regarding student progress, expectations, goals, etc.*

#### **RESPONSIBILITIES**

- Develops and administers high school subject specific lesson in US History and other related topics.
- Promotes a classroom environment that is safe and conducive to individualized and small group instruction and student learning.
- Develops lesson plans and instructional materials on a higher level than grade standard, in an interactive learning environment and deliver exceptional results for all students.
- Teach a curriculum that prioritizes analysis of World, US History, American Government, and Economics in preparation for Advanced Placement (AP) and collegiate level coursework.
- Conducts ongoing assessment of student learning and modifies instructional methods to fit individual student's needs, including students with special needs; conducts individual small group instruction as needed.
- Obtain outstanding measurable results in terms of both student growth and performance utilizing data driven instruction and project/inquiry-based learning.
- Align instructional content and methods with outcomes expressed in the charter, annual operating plan and SC requirements.
- Participate in regular formal and informal evaluation & coaching. Continues to acquire professional knowledge and learn of current developments in the educational field by attending seminars, workshops or professional meetings, or by conducting research.
- Create a positive learning environment in which students are actively engaged in the learning process.
- Enhance classroom performance by collaborating with peers, lead teachers and administrators.
- Establish a learning community within the classroom where all students are recognized for their strengths and student behavior expectations are clear.
- Organizes and maintains a system of accurate and complete record-keeping, grading and reporting for all student activities, achievement and attendance as required by procedures and applicable laws.
- Encourages parental involvement in students' education and ensures effective communication with students and parents.
- Ensures that student conduct conforms with the school's standards and policies; and establishes and maintains standards of pupil behavior needed to achieve a functional learning atmosphere in the classroom.
- Promote and maintain a safe and healthful environment in the classroom and building.

- Be knowledgeable of, and adhere to, all procedures and practices contained in the current employee, student and parent Handbooks.
- Other duties as assigned by the Building Principal.
