

## **CHILD FIND INFORMATION**

All school districts served by the Atascosa-McMullen Cooperative are committed to Reaching and Teaching All Children With Disabilities.

In order to serve the diverse needs of the student population, all districts within the Atascosa-McMullen Cooperative have developed special education programs and special services to address the instructional needs of its students:

- \*All school age children are guaranteed the right to a free and appropriate public education.

- \*All programs or services offered in the district are open to students with disabilities if the programs are deemed appropriate for those students.

- \*The Atascosa-McMullen Cooperative will arrange for an evaluation of any child who is suspected of needing special education and related services (IDEA).

- \*Special education students who are determined to be eligible under the Individuals with Disabilities Education Act (IDEA) are provided individually planned programs designed to meet their needs.

- \*Each school district has a Section 504 plan for students whom a committee has determined that the student has, or has a record of having, or is regarded as having a physical or mental impairment that substantially limits one or more major life activities, are provided individually planned programs designed to meet their needs.

Should you have or know of a school age child who needs services under special education services or under Section 504, please contact the school district in which the student resides or contact the office of the Atascosa-McMullen Cooperative located at 1080 Bluebonnet Drive in Pleasanton, Texas or by phone at (830)569-1355 for information or assistance.
