

BOARD MEMBER EDUCATION

It is the policy of the Slate Valley Unified Union School District to encourage and support board members' efforts to remain knowledgeable about their roles and the issues with which they deal.

Implementation

Individual board members will take advantage of opportunities to understand their roles, educational issues in general, school programs, Vermont Agency of Education functions and legislative activities. The superintendent and board chair will be responsible for assuring that information on leadership development opportunities is available to all members. New members will participate in a district orientation session and other opportunities designed to familiarize themselves with all aspects of board operation.

At least annually, the chairs of each school board within a supervisory union/supervisory district, the chair of the supervisory union/supervisory district board, and the superintendent will jointly participate in at least eight (8) hours of professional training that addresses educational leadership, roles and responsibilities of the SU/SD board, Vermont Open Meeting Law, Vermont law regarding access to public records, collective bargaining, and education funding and school finance laws.

Members who take part in workshops and seminars offered by the Vermont School Boards Association and other organizations will be reimbursed for travel and other expenses related to participation in training activities provided prior approval is obtained from the board, and funds for these purposes are available.
