## Creating a Printer Ink/Toner PO

- 1. Decide what product you need to purchase
  - Find model number on old cartridge (or)
  - Receive email alert for printers low on toner
- 2. Sign into Teams and select "Create Requisition"
- 3. Choose Traditional and click continue

| https://teams.tylerisd.org/requisition/EntryPointCreateRequisition  | onsAction.do?busFunc=CreateRequisitions& | romMenu=Campus+Financials+(Approval)&selDDMen=Technology+Service+Center+Menu%2CEmployee+-+Self+S |

7. At the bottom of the screen click "Add Line from Catalog"

Add Line from <u>Scratch</u> Add Line from <u>Catalog</u> Save Cart as <u>I</u>ncomplete

- 8. Type the product number or printer model in the description box and click "Search"
  - Ie. For a HP Laserjet 4000 you would input 4000 or the toner model number 27x •

Submit Return Cancel Shopping Cart

- 9. Select the item you wish to purchase
  - This will fill in your requisition line with the product and price

- 10. Update quantities and add account codes
- 11. Add additional lines in the same manner
- 12. When complete click submit
