**Agency: Marlette Community Schools      2020 - 2021      Recipient Code: 76140**

**Please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning:**

Updating all bathrooms with hand free options for sinks and toilets

**Please describe how the LEA will use the funds it reserves under section 2001(e)(1) of the ARP Act (see below) to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year:**

Hiring a new math coach to address learning loss in mathematics, offering summer school options to all K-12 students, purchasing NWEA as new testing module for all students, offering tutoring for all K-12 students every day after school, hiring 1 reading interventionist to assist 1st and 2nd graders with reading due to learning loss

**Please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) of the ARP Act.**

Hiring a director of students affairs to assist high school principal with discipline and testing, staff wages and benefits to continue class sizes

**Please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) of the ARP Act (see below) to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.**

Hired new behavioral specialist for elementary school students

**Learning/Services Plan 2023-2024**

Board Approved 2/19/2024

Marlette Community Schools will continue to prioritize full, in-person teaching and learning which provides the greatest benefit to students. Ensuring that this can happen both consistently and safely during the upcoming school year, the 2023-2024 Return to Learn Plan provides detailed guidance to ensure that COVID-19 prevention and mitigation measures are implemented in a way that fosters optimal learning environments while simultaneously ensuring the health and safety for students and staff in Sanilac, Lapeer and Tuscola Counties. This plan was developed by the Marlette Community School District and supported by guidance from the Sanilac County Health Department (SCHD) to ensure that our school district has a detailed plan for a successful and safe return to school and learning environment.

*Please Note: This plan may change and evolve as knowledge changes surrounding current and potential variants or if the risks of severe disease, hospitalizations, or death increase. The plan may also need to vary based on in-school COVID-19 activity and outbreaks. If such changes are necessary, transition time may be needed to allow the district or building to adjust mitigation strategies. Periodically, but not more than every six months during the life of the grant, the plan will be reviewed, and updates will be completed, if deemed necessary.*
