Mr. Larry Freeman's desire was to help the youth of this community to better their life. If you are doing the best that **you** can academically, are a person of good character, and strive to be productive, please apply.

The LPS Foundation Scholarship Committee will select two well rounded students that are hard workers and have a desire to continue their education in a college/university or technical school environment to better their life. The applicant must attend an accredited Oklahoma College/University or technical school in the subsequent fall semester

The \$1,500.00 scholarship will be paid in one installment to your college/university or technical school. It may be used for tuition, fees, books, or room and board. We encourage you to spend an hour of your time to complete this short application. **A 4.0 grade point average is not required.**
