

Oct 3rd - Oct 6 3rd Grade Target Skills and Learning Objectives
ELA Reading Unit 1 Week 6

Project Based Inquiry

Essential Question: How does our environment affect us?

Genre: Research

At the end of the unit, students will apply what they've learned about environments in the week 6 project - "A Safe Place to Play".

Students will connect the unit theme to real world learning by researching and problem solving an issue related to the theme environments.

Students will research ways to improve safety in a park or playground.

Students will write a persuasive letter to the mayor or a park official about what should be done to improve safety in a park or playground.
