LEARNING OBJECTIVES/GOALS

ELA/Reading: Scholars will learn more about informational texts by analyzing author's purpose.

Words of the Week:

- **Spelling for the Week (Open and Closed Syllables):** apex, vital, rotate, musical, solar, slogan, malice, recommend, energetic, register, lavish, topical, honest, element, minimum

- Please note that we will be increasing spelling words from 10 to 15 beginning this week!

***Challenge Spelling:** hypnotizing, epidemic, equinox

Writing: Scholars can use elements of informational writing to write an informational article.

Math: Lessons #38 - 42, Cumulative Assessment #4 (Fractions and mixed numbers on a number line, Writing quotients with mixed numbers, Adding and subtracting fractions with common denominators, Short division, Divisibility by 3, 6, & 9)

Due to different class scheduling, math lessons may vary for the fifth grade team

Science: Matter, Unit Test
