

Edgewood Board of Education Office

3500 Busenbark Rd, Trenton, Ohio 45067

513-867-3400

Dear Edgewood Community,

On Monday, April 8, 2024, weather permitting, we should experience a full solar eclipse. Butler County, Ohio is south of the eclipse's center line. School districts and municipalities have been warned to expect extreme demands and stresses on local infrastructure and services, including local businesses, campsites, food, water, utilities, law enforcement, fire services, etc.

Based on the Southwest, Ohio Disaster Services guidance, the district will use a calamity day on Monday, April 8th and the district will be *closed*.

The safety concerns for students, parents, and staff commuting to and from school and the guidance from Southwest Ohio Disaster Services were determining factors in this decision.

All classes and activities for the Edgewood City School District will resume on Tuesday, April 9th.

Please mark this change on your calendar.

Best Regards,

Kelly Spivey
Superintendent
