December 11, 2023

Dear Edgewood Families,

The health and safety of our students and staff remain our top priority. This afternoon, school districts across the state of Ohio, including Edgewood City School District, received an email message threatening school buildings from an account claiming to be a Russian terrorist. On Friday, school districts in Texas received a very similar message.

The Butler County Sheriff's Department and the Federal Bureau of Investigation have been actively monitoring these threats. While we have no reason to believe these threats are credible, the safety of our children is always our top priority. We are in touch with Butler County Sheriff's Department and will continue to monitor the situation.

If families or students are concerned about a potential threat at any time, we encourage them to report their concerns to our safety tip line found at <https://www.publicschoolworks.com/SHL/studentMgr.asp?di=110>.

Our school administration and counselors will be available if you or your child have concerns or need to talk to someone. Thank you for your continued support in providing a safe learning environment for our schools.

Sincerely,

Kelly Spivey
Superintendent
Edgewood City School District

Kelly Spivey, Superintendent
Patti Bowers, Treasurer
