

## Strategic Plan for Edgewood City School District **DRAFT**

**Vision: Edgewood EMPOWERS (or Encourage) Every Student, Every Voice, and Every Passion!**

*Mission: WE are (or Inspired to be) a community of lifelong learners and productive citizens.*

*Values:* Be Safe, Respectful, Responsible, and Cultivate Trust

*Believes:*

1. Everyone has inherent, immeasurable value and deserves to be treated with respect.
2. Everyone has a unique capacity to learn.
3. A safe environment supports learning.
4. Each individual has a meaningful purpose and has the ability to make safe and responsible decisions that aren't harmful to self or others.
5. Everyone is accountable for their own actions and level of success.
6. We are better together.

*Key Objectives:*

1. Foster a dynamic and inclusive learning environment that creates a sense of belonging and empowers students to thrive academically, socially, and emotionally, preparing them for future ready skill sets within an ever-changing world.
2. Inspires students, staff, and parents to define the educational process, achievement, and how it is measured.
3. Establish an environment where everyone feels valued and supported.
