

COMMERCE HIGH SCHOOL NEWSLETTER AUG. 2023

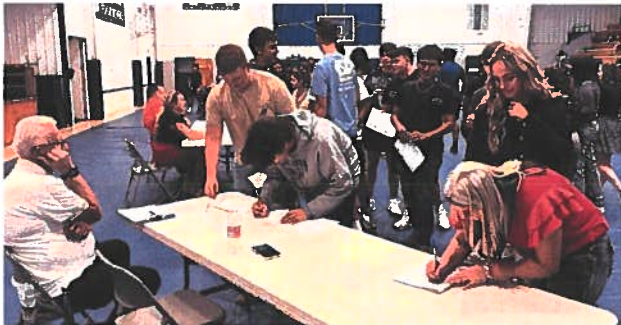

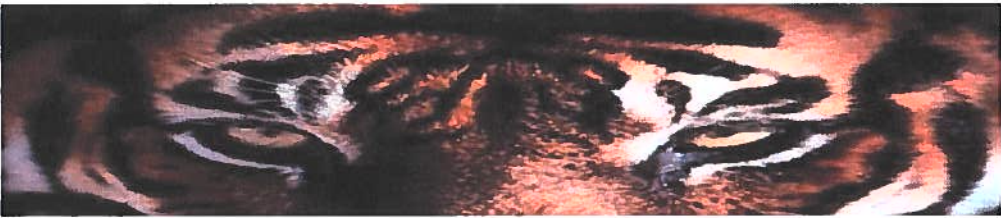

On July 26th the National Guard invited schools to participate in the Tulsa Civic Leaders Flight held at the Owasso Aviation Facility. Janet Trease attended for CHS. The National Guard provided breakfast and then informed the schools attending all the opportunities the National Guard has to offer the students and the schools. The highlight of the day was getting the opportunity to ride in a Blackhawk helicopter. After a safety and instructional meeting all that attended got to tour the facility and got to inspect the helicopters they had. The flight took everyone for a tour of the surrounding area and downtown Tulsa. It was an experience of a lifetime.

Students picked up schedules Aug 7th & 8th.

Aug 17th was the first day of school. It started with, an assembly, then off to shorten classes and ended up with club sign ups.
