Homecoming week was 9/4-9/8. The HC Football game was against OK Union. The Tigers came out on top 21-13. The HC games were held 9/7. Tug-a-war is the hardest fought battle. This year the Seniors came out on top!

CHS has started an incentive program for our students. WAY TO GO WEDNESDAY is the first Wednesday of every month that rewards students with a virtual day for a combination of things. All A's & B's, only 1 absence in the month and positive effort towards their AR progress. August had 86 students that qualified. September had 68 students that get to spend their Wednesday virtually doing their assignments at home. Congratulations to the students who qualified and keep up the good work!!
