Remaining Home Games

-September 19 @ 4:30 v. Oklahoma Union
-September 21 @ 4:30 v. Vinita
Come Watch!!!!

TSA Attends National Convention

By: Walker and Dominic

Seven members of the Commerce TSA chapter attended the National TSA Conference in Louisville, Kentucky June 26th thru July 1st. Maddie Dalrymple was the single CMS student to attend, but she excelled into the semi-finals (top twenty) in the Flight division. Over 3,000 students, advisors and alumni were in attendance.

While in Kentucky, the group visited Churchill Downs, the Louisville Slugger Museum, and the Muhammad Ali Center. They also attended numerous leadership sessions and participated in team building activities, but there was still time for an intense wiffle ball game against the Claremore chapter. After a hard fought battle, Commerce WON!

CMS Band & Choir

by: Danny

By: Jaylyn

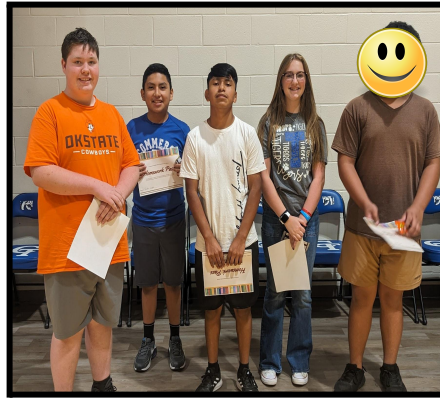

You might have noticed some C.H.S. Seniors walking the hallways at the middle school. They are actually teacher aides. This is a new concept for the 2023-24 school year. Make sure if you see them, tell them "Hi!" Some of our student teachers aids include Malia (4th hour creative writing), YoYo (4th hour 7th & 8th grade girls athletics), Emma (5th hour English Mrs. Vasquez), Kelsey (6th hour science Coach Lawson), and several others. Alexander Elementary is also participating in the teacher aide program.

WE LOVE OUR BAND.

The Pride of Commerce under the direction of Mr. Jason Dunn.

The Principal's Corner

What an amazing start to the 2023-24 school year. Football and softball players are balling out, cross country is on the run, cheerleaders are spreading spirit, and new incentives have allowed CMS students to earn a virtual school day plus celebrate an afternoon lunch off campus. The awesome students and staff at CMS continue to build an educational environment where all of us can grow. As Fall draws closer and we settle into the routine of the school year, even more exciting things are in store. Together, all of us at CMS can make this a school to be proud of and a year to remember.

Proud to serve alongside all of you,
Mr. Medlin
