FOREWORD

PERSONNEL POLICIES COMMITTEE

The District shall have a Personnel Policies Committee (PPC) that will review all District policies, guidelines, regulations, and procedures that pertain to the terms and conditions of a certified personnel employment. This includes, but is not limited to, benefits, compensation, workday designations, holidays and non-instructional days, the annual calendar, methods of evaluations, extra duties, leave, grievance, dismissal or non-renewal, and reduction in force.

The PPC will consist of at least five (5) and no more than fourteen (14) classroom teachers and three (3) certified administrators, one (1) of which may be the Superintendent. The classroom members shall be elected by a majority of the classroom teachers voting by secret ballot. The election shall be solely and exclusively conducted by the classroom teachers, including the distribution of ballots to all classroom teachers. The Superintendent will appoint the administrative members.

The PPC shall organize itself by the first quarter of each school year. The committee will meet outside the school day and will receive no monetary compensation. A schedule of meeting dates will be developed. A chairperson will be elected by the committee and will be responsible for presenting policies to the Board at regularly scheduled board meetings. A secretary will also be elected by the committee and will be responsible for taking minutes and posting them on the website and at each building. The Board will receive copies of the minutes from each meeting.

Either the PPC or the Board may propose new personnel policies or amendments. The Superintendent may recommend new personnel policies or amendments to the Board or to the PPC.

The Board may adopt, reject, or refer to the committee on personnel policies for further study and revision, any proposed policies or amendments to existing policies that are submitted to the Board.

Beginning with the 2013-2014 school year, the elected Certified Personnel Policies Committee Members will draw lots for three, two, and 1 year terms. In case of vacancy of the elected certified classroom teacher(s), an election will take place to fill the said vacancy. The newly elected certified classroom teacher(s) will then assume the remaining term of the said vacancy.

THE WORK-PLACE

EQUAL EMPLOYMENT

PCSSD shall operate the District consistent with all federal and state laws prohibiting discrimination. There is a detailed policy prohibiting a particular form of gender discrimination, sexual harassment. This policy is found beginning on page one hundred fifty two (152) of these policies. This policy contains a procedure to be followed by an employee desiring to complain about this form of discrimination. The part of the policy dealing with making a complaint is found on page one-hundred forty nine (149) of these policies. All employees should note that the complaint procedure set forth in the sexual harassment policy is the same complaint procedure you should follow to complain about any other form of discrimination.

POSSESSION OF FIREARMS ON SCHOOL PROPERTY

The District will follow Arkansas state law regarding the possession of firearms on school property.

1. No person shall possess a firearm:
 - a. Upon any District property;
 - b. In or upon any school bus; or
 - c. At a designated bus stop as identified on the route list published by the District each year.
2. A violation of this policy is a Class D felony.
3. No sentence imposed for a violation of this policy shall be suspended or probated or treated as a first offense under Arkansas § 16-93-301 et seq.

DRUG FREE WORKPLACE

The District has a compelling interest in the safety of its students, as well as in their educational, social, and behavioral development. The District also has a compelling interest in providing its employees with a safe, healthy, and professional environment in which to work. To promote these and other legitimate interests, the District adopts this drug free workplace policy. It is, therefore, the District's policy that District employees are prohibited from engaging in any conduct at any place or any time that violates a state or federal criminal statute related to controlled substances, including the unlawful manufacture, distribution, dispensation, possession, or use thereof. Such actions are prohibited both while at work, and in the performance of work-related tasks while off District property. Violation of this policy will subject the employee to discipline, up to and including termination.

The District will establish a drug-free awareness program to inform employees about: the dangers of drug abuse in the workplace; the District's policy of maintaining a drug-free workplace; any available drug counseling, rehabilitation, and employee assistance abuse programs; and the penalties that may be imposed upon employees for drug abuse violations.

It is a violation of this policy for an employee to be under the influence of alcohol or a controlled substance while present at work or performing work-related tasks while off District property. It shall not be necessary for an employee to be intoxicated to violate this policy. It is enough to constitute a violation that an employee physically manifests being under the influence of alcohol or a controlled substance. Those physical manifestations include but are not limited to: unsteadiness; slurred speech; dilated or constricted pupils; incoherent or irrational speech; and the presence of an odor associated with a prohibited substance on one's breath or clothing. The fact that an employee may be unintentionally under the influence, e.g., unexpected reaction to prescription medication, does not negate the violation of this policy, but is a factor to be considered in determining what punishment, if any, would result from the violation.

When the administration is confronted by an employee it suspects might be under the influence of alcohol or a controlled substance, it may request that the employee immediately submit to a chemical test of the employee's blood, breath, or urine to determine the presence of alcohol or a controlled substance therein. The test will be at the expense of the District. It will be conducted in the same manner as the tests in the student drug testing policy. Refusal of a test request by the employee will be considered by the administration as evidence of being under the influence.

Any employee who is charged with a violation of any state or federal criminal statute law relating to controlled substances must notify his supervisor of the charge within five (5) calendar days, excluding holidays, of having been charged. The supervisor who is notified of such a charge shall notify the Superintendent immediately. If the supervisor is not available to the employee for any reason, the employee shall notify the Superintendent within the five (5) day period.

Any employee convicted of any state or federal criminal drug statute violation shall report the conviction within five (5) calendar days to the Superintendent. Within ten (10) calendar days of receiving such notification, whether from the employee or any other source, the administration shall notify the federal granting agencies from which it receives funds of the conviction.

Compliance with these requirements and prohibitions is mandatory and is a condition of employment.

Being convicted of violation of a state or federal criminal controlled substances statute is a disciplinary offense of the first magnitude that will normally result in first offense discharge without warning or progressive discipline.

Employees are reminded that reporting for work while impaired from prescription medications is a violation of this policy. The burden is on the employee to learn the possible effects of any prescribed medication and refrain from reporting to work in the same manner as the employee would for any other condition that makes the employee physically unable to perform his or her job.

Employees are also cautioned against bringing prescription medications to work even for legitimate self-medicating. This policy does not absolutely prohibit it because there are circumstances under which it is necessary and reasonable to have one's prescription medication at work. However, the burden is strictly on the employee to manage the situation in a manner that does not result in a violation of this policy, including being responsible for the medication not coming into the possession of another person. Remember that the fact that a prescription is required to obtain the medication means that it is a controlled substance. If there is any way to do it, the employee should manage without introducing the medication into the workplace.

I, (print name) _____, hereby certify that I have been presented with a copy of the Pulaski County Special School District's drug-free workplace policy, that I have read the statement, and that I will abide by its terms as a condition of my employment with the District.

Employees traveling in, but not operating, a school owned vehicle that is equipped with seat belts for passengers shall be secured by a seat belt at all times the vehicle is in motion.

Employees who fail to use or wear the prescribed PPE required by their job duties put themselves and co-workers at risk of sustaining personal injuries. Employees who are found to be performing job duties without using or wearing the necessary PPE required by the employee's job duties may be disciplined, up to and including termination.

A supervisor may be disciplined, up to and including termination, if the supervisor:

1. Fails to ensure the employee has the prescribed PPE before the employee assumes job duties requiring such equipment;
2. Fails to provide an employee replacement PPE when necessary in order for the employee to continue to perform the job duties that require the PPE; or
3. Instructs the employee to perform the employee's job duties without the prescribed PPE required by those job duties.

An employee shall not be disciplined for refusing to perform job duties that require the employee to use/wear PPE if:

- A. The employee has not been provided the prescribed PPE; or
- B. The PPE provided to the employee is damaged or worn to the extent that the PPE would not provide adequate protection to the employee.

An employee's immediate Supervisor is responsible for providing the employee training on the proper use, care, and maintenance of any and all PPE that the employee may be required to use.

SEXUAL HARASSMENT

The PCSSD School District is committed to providing an academic and work environment that treats all students and employees with respect and dignity. Student achievement and amicable working relationships are best attained in an atmosphere of equal educational and employment opportunity that is free of discrimination. Sexual harassment is a form of discrimination that undermines the integrity of the educational and work environment and will not be tolerated.

—Sexual harassment means conduct that is:

1. Of a sexual nature, including, but not limited to:
 - a. Sexual advances;
 - b. Requests for sexual favors;
 - c. Sexual violence; or
 - d. Other personally offensive verbal, visual, or physical conduct of a sexual nature;
2. Unwelcome; and
3. denies or limits a student's or employee's ability to participate in or benefit from any of the District's educational programs or activities or employment environment through any or all of the following methods:
 - a. Submission to the conduct is made, either explicitly or implicitly, a term or condition of an individual's education or employment;
 - b. Submission to, or rejection of, such conduct by an individual is used as the basis for academic or employment decisions affecting that individual; and/or
 - c. Such conduct has the purpose or effect of substantially interfering with an individual's academic or work performance or creates an intimidating, hostile, or offensive academic environment.

The terms —intimidating, —hostile, and —offensive include conduct of a sexual nature that has the effect of humiliation or embarrassment and is sufficiently severe, persistent, or pervasive that it limits the student's or employees ability to participate in, or benefit from, an educational program or activity or employment environment.

Within the educational or work environment, sexual harassment is prohibited between any of the following: students; employees and students; non-employees and students; employees; employees and non-employees.

Actionable sexual harassment is generally established when an individual is exposed to a pattern of objectionable behaviors or when a single, serious act is committed. What is, or is not, sexual harassment will depend upon all of the surrounding circumstances and may occur regardless of the sex(es) of the individuals involved. Depending upon such circumstances, examples of sexual harassment include, but are not limited to:

- Making sexual propositions or pressuring for sexual activities;
- Unwelcome touching;
- Writing graffiti of a sexual nature;
- Displaying or distributing sexually explicit drawings, pictures, or written materials;
- Performing sexual gestures or touching oneself sexually in front of others;
- Telling sexual or crude jokes;
- Spreading rumors related to a person's alleged sexual activities;
- Discussions of sexual experiences;

- Rating other students as to sexual activity or performance;
- Circulating or showing emails or websites of a sexual nature;
- Intimidation by words, actions, insults, or name calling; and
- Teasing related to sexual characteristics or the belief or perception that an individual is not conforming to expected gender roles or conduct or is homosexual, regardless of whether or not the student self-identifies as homosexual or transgender.

Complaints

Employees who believe they have been subjected to sexual harassment are encouraged to file a complaint by contacting their immediate supervisor, an administrator, or the office of Equity and Pupil Services who will provide assistance on the complaint process.

Under no circumstances shall an employee be required to first report allegations of sexual harassment to a school contact person if that person is the individual who is accused of the harassment.

Complaints will be treated in a confidential manner to the extent possible. Limited disclosure may be provided to: individuals who are responsible for handling the District's investigation to the extent necessary to complete a thorough investigation; the extent necessary to submit a report to the child maltreatment hotline; the Professional Licensure Standards Board for complaints alleging sexual harassment by an employee towards a student; or the extent necessary to provide the individual accused in the complaint due process during the investigation and disciplinary processes.

Individuals who file a complaint have the right to request that the individual accused of sexual harassment not be informed of the name of the accuser; however, individuals should be aware that making such a request may substantially limit the District's ability to investigate the complaint and may make it impossible for the District to discipline the accused.

Employees who file a complaint of sexual harassment shall not be subjected to retaliation or reprisal in any form, including threats, intimidation, coercion, or discrimination. The District shall take steps to prevent retaliation and shall take immediate action if any form of retaliation occurs regardless of whether the retaliatory acts are by District officials, students, or third parties.

Investigation

Following the completion of an investigation of a complaint, the District will inform the employee who filed the complaint:

- The final determination of the investigation;
- Remedies the District will make available to the employee; and
- The sanctions, if any, imposed on the alleged harasser relevant to the employee.

Following the completion of an investigation of a complaint, the District will inform the alleged perpetrator, or the parents/legal guardian/other responsible adult of the alleged perpetrator if the alleged perpetrator is under the age of eighteen (18):

- The final determination of the investigation; and
 - The sanctions, if any, the District intends to impose on the alleged perpetrator.

Disciplinary Action

Following an investigation, any employee who is found by the evidence to more likely than not have engaged in sexual harassment will be subject to disciplinary action. Such actions may include, but are not limited to the following:

- Termination
- Suspension of employment without pay
- Written or oral warning
- Counseling
- Transfer

Employees who knowingly fabricate allegations of sexual harassment shall be subject to disciplinary action up to and including termination.

Individuals who withhold information, purposely provide inaccurate facts, or otherwise hinder an investigation of sexual harassment shall be subject to disciplinary action up to and including termination.

Communication

In order to effectively communicate this policy to all PCSSD employees and ensure that all personnel decisions are in accordance with it, this policy will be distributed to all employees on an annual basis, in addition to the time of hire. It will also be available to employees upon request.

Other Forms of Discrimination or Harassment

While this policy refers to sexual harassment, it is the intent of PCSSD to provide a work environment for all employees which is free of harassment and discrimination whether based on sex, race, color, religion, sexual orientation, age, national origin, ethnicity, disability, veteran, marital status, or any other protected status defined by law. Accordingly, this policy also applies to other forms of discriminatory harassment, and employees should utilize these procedures to report complaints regarding other forms of discriminatory harassment.

- C. abusing/misusing prescription medications or other authorized substances as evidenced by impairment

FINANCIAL ETHICS/CONFLICT OF INTEREST

1. The Board directs that no employee engage in, or have a financial interest in, any activity that raises a reasonable question of conflict with their duties and responsibilities as employees of the District. This means that:
2. Employees will not participate for financial remuneration in outside activities wherein their position is used to sell goods or services to District students or their parents.
3. Employees will not engage in any type of work when the source of information concerning customer, client or employee originates from information obtained through the District.

5. Employees will not be assigned in any position where the employee would be responsible to a relative.
6. Employees who are close relatives will not be assigned to the same administrative unit except by special permission of the Superintendent.
7. The District will follow the laws of the State of Arkansas regarding the employment of qualified relatives of members of the District's Board of Directors (A.C.A. 6-24-105).

GIFTS AND SOLICITATIONS

Gifts

The Board is aware that the custom of gift-giving is common to society as an expression of affection, gratitude and appreciation. The Board is also aware that the act of giving a gift may imply meanings not intended by either the donor or the recipient when either party has the authority or influence to affect the position of the other.

The Board believes that school personnel have an opportunity to teach and demonstrate by example that there are effective alternatives to expressions of personal feelings toward other persons. Those expressions in the schools may take the form of acts of appropriate conduct, efforts to achieve, cooperative work attitudes, pleasant dispositions and written expressions all of which are available without monetary costs.

The Board also believes that school employees should work in an environment that is as free as is possible from solicitations both from within the schools and from outside agencies.

District employees are prohibited from accepting items of material value from individuals or firms doing business with the District. Exception to this regulation is employee acceptance of minor items that are distributed by businesses through their public relations programs.

The Board, therefore, directs the Superintendent to develop regulations that will reduce to the lowest level possible the practices of giving and solicitations in the schools.

Solicitation of Funds

Solicitation of funds among staff members for gifts for other employees will be permitted in special circumstances such as bereavement or hospitalization of the employee, for mementos at retirement or transfer to another work location, or to acknowledge special occasions. Participation is at the sole discretion of the employee.

No organization may solicit from staff members within the schools or service units, nor may anyone distribute flyers or other materials related to fund drives through the schools without the approval of the Superintendent. Staff members will not be made responsible, nor will they assume responsibility for, the collection of any money or distribution of any fund drive literature within the schools unless the activity has the Superintendent's approval.

SOLICITATION AND PETITIONS

There shall be no systematic solicitation of any employee or any student, including circulation of petitions, by any other employee without first obtaining the express written permission of the building principal. As a general rule, no form of solicitation not directly related to the educational process will be approved to be engaged in by any employee during times and in places where educational interaction between employees and students is taking place.

Only solicitation of students to participate in or support academic or extracurricular activities will normally be considered directly related to the educational process. Likewise, solicitations of students by employees or other students will generally be approved only after close scrutiny to ensure that the activity does not interfere with the educational process.

Any solicitation of employees by other employees that is approved will generally be limited to non-working times and non-working areas of the buildings. It is the intent of this policy that it apply to all solicitation and that solicitation be broadly defined to include all requests by one person for action or inaction from another person.

POLITICAL ACTIVITIES AND ELECTION TO OFFICE

Employees of the District are encouraged to exercise their rights as citizens and run for election to or accept appointment to public office. This freedom is subject, however, to the following policies.

Employees elected or appointed to offices requiring some full-time service, such as the Arkansas General Assembly, may utilize the existing leave of absence policy and receive an unpaid leave for the actual period of full-time public service. Note that the Attorney General's opinion of Arkansas law is that the District is prohibited from granting employees time off with pay for the purpose of engaging in public service or related activities.

Employees may use their personal days, and if applicable, vacation days, for less than full-time public service and related activities under existing policies for utilization of such time off. Note that under existing District policies and Arkansas law, time off for public service is not reimbursable by using teacher sick leave. Claiming teacher sick leave time for reasons other than permitted by these policies and Arkansas law is fraudulent and could subject an employee to discipline up to and including discharge.

Under Arkansas law, a school board member cannot be employed by the school district on whose board of education the board member serves.

OUTSIDE EMPLOYMENT

No administrator shall become an employee, agent, or independent contractor for any party contracting with the District. Likewise, no other employee of the District shall become an employee, agent, or independent contractor for anyone if that relationship would violate the ethical standards established by A.C.A. §6-24-106, 107, or 111.

RESPONSIBILITIES FOR SUCCESSFUL SCHOOL OPERATIONS

The Board believes that all employees share basic responsibilities for ongoing successful school district operations. The Board requires of its employees that they:

1. Make themselves familiar with, and abide by, the laws of the state and the policies and regulations of the District as these affect their work.
2. Carry out assigned responsibilities with conscientious concern.
3. Exercise faithfulness and promptness in attendance at work.
4. Support and enforce policies of the Board and regulations of the school administration in regard to students.
5. Remain mindful that as employees in an educational setting, they are models that affect the development of young people.
6. Maintain in good standing any license required for their job assignment. These include, but are not limited to: Arkansas teaching certification; CDL license; plumbing, welding, and electrician license; ServSafe certification.
 - a. Lapse or revocation of a required license will result in disciplinary action up to and including job reassignment or termination.
7. Refrain from using cell phones or other electronic communication devices during instructional time. Staff members are allowed to carry cell phones, though they may only be used in case of an emergency, during non-instructional time, and/or when conducting school business.
 - a. All employees are forbidden from using cell phones while driving any District vehicle.
 - b. Violation may result in disciplinary action up to and including termination.

PERSONNEL RESPONSIBILITIES GOVERNING BULLYING

Student Bullying

Teachers and other school employees who have witnessed, or are reliably informed that, a student has been a victim of bullying as defined in this policy, including a single action which if allowed to continue would constitute bullying, shall report the incident(s) to the principal, or designee. The principal, or designee, shall be responsible for investigating the incident(s) to determine if disciplinary action is warranted.

The person or persons reporting behavior they consider to be bullying shall not be subject to retaliation or reprisal in any form.

In addition to any disciplinary actions, the District shall take appropriate steps to remedy the effects resulting from bullying.

Workplace Bullying

The District believes it is important to create a safe, healthy and productive working environment of mutual respect among staff, as well as, among staff and immediate supervisors. The lack of mutual respect among employees does not mean workplace bullying is taking place, but it may be a prelude to workplace bullying if not addressed. Therefore, if an administrator, teacher, or group believes a problem exists with their collegial relationship, the administrator or teacher shall speak privately to the individual or group to establish a resolution and any such critique shall be in confidence. If an employee, is uncomfortable speaking directly to the individual(s), then the employee can request to have that his or her immediate supervisor be present to help establish a resolution.

Workplace bullying is the repeated, health-harming mistreatment of a person that takes one or more forms:

- Verbal, Written and/or electronic abuse
- Offensive conduct/behaviors (including nonverbal) that are threatening, humiliating, or intimidating
- Work interference—sabotage—that prevents work from getting done.
- Subtle tactics of deceit, distortion, misrepresentation, and misdirection

Complaints

Any employee who believes a problem exists should immediately communicate to that person that such behavior is unwelcome. Failure to do so, however, does not prevent the employee from filing a complaint or in any way exonerate the employee(s) being accused.

Any employee should immediately report workplace bullying to his or her building principal or immediate supervisor. If it involves the principal or supervisor, or if the employee does not feel it is appropriate to report it to the principal or supervisor, then it should be reported to the Superintendent. If it involves the Superintendent, or if the employee does not feel it is appropriate to report it to the Superintendent, then it should be reported to the President of the Board of Education. Whenever possible, the report should be in writing.

A principal or supervisor who receives a complaint or has knowledge of workplace bullying shall promptly inform the Superintendent, and a determination will then be made as to the nature and extent of any further investigation that may be warranted.

Employees who file a complaint shall not be subjected to retaliation or reprisal in any form, including threats, intimidation, coercion, or discrimination. The District shall take steps to prevent retaliation and shall take immediate action if any form of retaliation occurs regardless of whether the retaliatory acts are by District officials, students, or third parties.

Disciplinary Action

Following an investigation, any employee who is found by the evidence to more likely than not have engaged in workplace bullying will be subject to disciplinary action. Such actions may include, but are not limited to the following:

- Termination
- Suspension of employment without pay
- Written or oral warning
- Counseling
- Transfer

STAFF CONDUCT WITH STUDENTS

A positive and professional interaction between students and faculty is extremely beneficial to the existence of a quality educational environment. It is therefore very desirable that relationships between students and faculty that foster such interaction should be encouraged. On the other hand, romantic and sexual relationships between employees and students are unhealthy, unsafe, and destructive to the people involved, as well as being the very antithesis of a quality educational environment. Therefore, any employee who engages in a sexual relationship or in a personal romantic relationship with a student will be subject to first offense discharge without further warning.

Sexual contact is a sufficiently clear term in that it requires no additional definition or amplification. The addition of romantic relationship to this prohibition is intended to make clear that it is not necessary to prove sexual contact between student and employee to have a violation of this policy. A romantic relationship, which is also prohibited, would be characterized by social contacts in the nature of dating and oral or written communications discussing strong affection or love for one another. Finally, a communication between an employee and student, whether oral, written, or electronic, that is sexually explicit or sexually suggestive is strongly indicative of improper conduct and the existence of a prohibited relationship.

It is the duty of every employee of the District to report to a building principal, equivalent immediate supervisor, or the Superintendent any conduct believed to constitute a violation of the fraternization policy. Failure to do so can itself be grounds for serious discipline up to and including termination.

DRESS CODES

STAFF DRESS CODE

SOCIAL MEDIA POLICY

Definitions

Social Media Accounts: Any and all accounts, profiles, pages, feeds, and other presences on or in connection with any (a) social media or social networking website, (b) blog or microblog, (c) mobile application, (d) photo, video, music or other content-sharing website, (e) virtual game or social world, (f) rating/review website, (g) wiki or similar collaborative content website or (h) message board, bulletin board, or similar forum.

Professional/Educational Social Media Accounts: One or more Social Media Accounts used to communicate with students, parents, and/or the community concerning school-related activities or to supplement classroom instruction.

Purpose for Social Media Policy

The Pulaski County Special School District recognizes that part of learning is adapting to the changing methods of communication, including an increased reliance on digital environments for employees, students, parents, and the community. PCSSD has adopted the following policies to provide direction for employees when participating in online social media activities.

Policy Overview

When used appropriately, a digital social environment gives staff, students, and parents new opportunities to interact. District employees are encouraged to engage in district-approved educational technology and professional/educational social media accounts. Additionally, staff should use district-approved online tools to enhance communication with parents and students.

Employee Responsibility

Staff members have a personal and professional responsibility to maintain a high standard of conduct in any digital environment. Whether or not an employee chooses to personally participate in a blog, social network or any other form of online discussion is his or her own decision. Free speech protects individuals who want to participate in social media, but the laws and courts have ruled that school districts can discipline employees if their speech, including online postings, disrupts school operations.

The Pulaski County Special School District social media policy allows employees to participate in online social activity both personally and professionally. It is important to create an atmosphere of trust and individual accountability; keeping in mind that information produced by PCSSD employees and students is a reflection on the entire District and is subject to the District's Acceptable Use Policy. By accessing, creating, or contributing to any blogs, podcasts or other social media for classroom or district use, you agree to abide by these policies. Please read them carefully before participating in any social media application.

The lines between public and private, personal and professional are blurred in the digital world. By virtue of identifying yourself as a PCSSD employee online, you are now connected to colleagues, students, parents, and the school community. You should ensure that content you share is consistent with your work with Pulaski County Special School District.

The District expects employees to exercise extreme caution when sharing personal opinions on public posts. Shared or endorsed opinions and/or images that violate the Educator's Code of Ethics may be grounds for disciplinary action by the District, up to and including termination or nonrenewal of the contract of employment.

- Employees must make clear that any views expressed are the employee's alone and do not necessarily reflect the views of the District.
- Employees may not act as a spokesperson for the District or post comments as a representative of the District, except as authorized by the Superintendent or the Superintendent's designee. If authorized, employees must disclose their employment relationship with the District.
- Employees may not disclose information that is confidential or proprietary to the District, its students, or employees, or that is protected by data privacy laws.
- Employees may not post images on any social media network of co-workers or students without his/her consent.
- Employees may not post any nonpublic images of the District premises or property, including floor plans.
- Employees may not use or post the District's password(s) for the District's social media accounts without permission from the Superintendent or designee.

Employee and Student Interaction

Engaging in —friendships on social networking sites is prohibited with students, and strongly discouraged with parents or guardians of students. Remember that social media in the workplace is an extension of your physical work location. What is inappropriate in your workplace should be deemed inappropriate online. It is the duty of each employee to appropriately manage all interactions with students, regardless of whether contact or interaction with a student occurs face-to-face or by means of technology, to ensure that the appropriate staff/student relationship is maintained. This

includes instances when students initiate contact or behave inappropriately themselves. Contact between employees and students must be professional in content and tone, transparent, and must not interfere with the working or learning environment of the District.

Employees who use social networking to interact with students in an educational manner must find a way to interact without giving students access to their personal information and posts. Many social network sites allow you to create —groups or —pages where you can interact with students without giving them access to your personal account.

When contributing online do not post confidential student information. Do not post pictures of any students on your personal sites. Employees may not post images of students on any social media network without written parental consent, except for images of students taken in the public arena, such as at sporting events or fine arts public performances.

Employee Access to Social Media Networks

District employees may use a District email address to set up professional/educational social media accounts. However, District employees should not use a District email address for personal social media accounts. Employees are prohibited from accessing personal social media accounts during school hours, except during breaks and/ or preparation periods. Employees are also prohibited from accessing personal social media accounts using District equipment at any time,

including during breaks and/or preparation periods, except in an emergency situation or with the express prior permission of school/District administration. Employees are discouraged from accessing personal social media accounts on their personal equipment during breaks and/or preparation periods because, while this is not prohibited, it may give the public the appearance that such access is occurring during instructional time.

Privacy of Employee's Social Media Accounts

In compliance with A.C.A. § 11-2-124, the District shall not require, request, suggest, or cause a current or prospective employee to:

1. Disclose his or her username and password to the current or prospective employee's social media account;
2. Add an employee, supervisor, or administrator to the list of contacts associated with his or her personal social media account; or
3. Change the privacy settings associated with his or her social media account.

The District may request that an employee disclose his or her username and/or password to a personal Social Media Account if the employee's personal social media account activity is reasonably believed to be relevant to the investigation of an allegation of an employee violating District policy, or state, federal, or local laws or regulations. If such an investigation occurs, and the employee refuses, upon request, to supply the username and/or password required for the investigation, disciplinary action may be taken against the employee, which could include termination or nonrenewal of the employee's contract of employment with the District. Notwithstanding any other provision in this policy, the District reserves the right to view any information about a current or prospective employee that is publicly available on the Internet.

In the event that the District inadvertently obtains access to information that would enable the District to have access to an employee's personal social media account, the District will not use this information to gain access to the employee's social media account. However, disciplinary action may be taken against an employee in accord with other District policy for using District equipment or network capability to access such an account. Employees have no expectation of privacy in their use of District-issued computers, other electronic devices, or use of the District's network. (See District's Computer Use Policy.)

COMPUTER USE POLICY

Internet Use Agreement

Please read this document carefully before signing the following agreement.

The PCSSD furnishes computers and Internet access to designated persons. The sole reason for this is to assist employees and other persons in performing tasks and obtaining information directly related to the employee's job. Persons using a District-owned computer, or District-provided Internet access, have no expectation of privacy in any aspect of their computer use or Internet access. This includes email. Email and computer use are subject to surveillance, monitoring, and inspection by the District at any time without advance notice or permission. Email and computer use records may also be subject to public disclosure under applicable freedom of information laws.

Passwords and security procedures are to be utilized as assigned and directed. Confidentiality of student records and personnel records is to be strictly maintained against unauthorized disclosure at all times. Employees must not disable or bypass security procedures, disclose passwords to other passwords to other persons, or permit computer access to students other than as specifically designated for student use. It is the policy of the District to equip each computer with Internet filtering software designed to prevent access to material that may be harmful to minors. Such software shall not be disabled other than by the Technology Administrator or designee, and then only to enable access by an adult for legitimate educational purposes.

An employee who misuses a computer or Internet access is subject to discipline up to and including discharge, or termination or non-renewal of employment contract. Examples of computer/Internet misuse include: excessive personal use; personal use during work or instruction time; using a computer to violate another District policy; using a computer to violate a local, state, or federal law or regulation; and allowing unauthorized access.

The punishment imposed for misuse violations will be determined at the discretion of the administration taking into consideration the seriousness of the misuse. Employees are expressly cautioned that repeated minor misuse will, after warning, be cause for discharge, or termination or non-renewal of your employment contract.

Employees are also expressly cautioned that using a computer to access, view, display, or send pornography is a disciplinary offense of the first magnitude that will likely result in first offense discharge without prior warning. Pornography as used here refers to words or images of a sexually explicit or sexually suggestive nature which appears intended to appeal to a person's prurient interest.

Enforcing Acceptable Use Policies

Privacy Policies

Users should not expect privacy in the contents of their personal files on the District or school's network; they must realize that any information stored electronically on school owned equipment is subject to Arkansas' Freedom of Information Act. The situation is similar to the rights staff and students have in regard to their lockers, desks, or other storage systems. The District reserves the right to monitor, inspect, copy, review and store at any time and without prior notice, any and all usage of the computer network and/or internet usage. Parents of students have the right at any time to request a review of the contents of their children's electronic files or a conference with the teacher regarding electronic projects and/or research.

Liability Disclaimer

The PCSSD makes no guarantees that the functions of the services provided by or through the network will be error-free or without defect. The District will not be responsible for any damage the user may suffer, including but not limited to, loss of data or interruptions of service. The District is not responsible for the accuracy or quality of the information obtained through or stored on the network. The District will not be responsible for financial obligations arising through the unauthorized use of the network. When using the network, one may sense they can more easily break a rule and not be caught. This perception is not accurate. EVALUATION DESCRIPTORS

Early Educator/Novice

- Beginning educator – educator having fewer than three (3) years' experience (Completes three years and the Journeys in the Early Educator/Novice.)
- Teachers in the Early Educator/Novice develop a PGP (Professional Growth Plan); focus on the components identified in the mentoring process each of three (3) years; participate in the process of in-class coaching by mentors, specialists, or buddy teachers; participate in informal or formal observations by the principal; and may have a Mid-Year Review and will have a PGP Review at the end of the year to begin the process for the next year.

Career Educator/Interim Appraisal

- An employee who is a fully licensed teacher by the State of Arkansas and has successfully completed requirements in the Early Educator/Novice. Teachers eligible for Interim Appraisal are initially assigned to Interim Appraisal Summative (2A) to establish a 4-year cycle. This cycle continues throughout a teacher's career.
- A teacher entering the district who has completed the Early Educator/Novice requirements, with supportive evidence or documentation, is placed in the Career Summative (2A).

Interim Appraisal: Non-Summative (2B1, 2B2, or 2B3)

- Interim Appraisal Non-Summative (2B1, 2B2, or 2B3) is focused on a teacher's Professional Growth Plan (PGP). The plan is comprised of two goals with the corresponding answers to the TESS questions for each goal. The evaluation for teachers in this cycle is based on the performance associated with the components for each goal. Informal or Formal Observations, Classroom Walkthroughs, Video Observations, Artifacts, Add New Posts, and BloomList reflections are the primary sources of evidence during these three years.
- A Formal Observation is not required but may be conducted at the discretion of the Evaluator. Mid-Year Reviews are optional and focus on progress on the actions of the PGP. A PGP Review/Update Conference at the end of the year

focuses on rating the performance of the teacher on components of the PGP (usually 2-4 components per goal). The ratings may include results of direct observations, indirect observations, artifacts, and data.

Career Summative Appraisal-2A

Interim Appraisal in Career Summative Appraisal (2A) focuses on the implementation of a PGP, an evaluation of all 22 components, performance in classroom walkthroughs, informal and formal observations, and/or video observations, performance in optional Mid-Year Reviews, and the Summative Evaluation used to assign a rating for each of the 22 components based on the performance during the year. The ratings may include results of direct observations, indirect observations, artifacts, and data. Each teacher experiences this Career Summative Appraisal a minimum of at least one time every four years.

Intensive Support (3)

- Teachers with a majority of ratings (Domains 1 & 4=4 of 6 components and Domains 2 & 3=3 of 5) of ineffective in any one domain of the evaluation framework shall be placed in Intensive Support. The ratings may include results of direct observations, indirect observations, artifacts, and data.
- Teachers who have ratings of progressing or ineffective in the majority of components (Domains 1 & 4=4 of 6 components and Domains 2 & 3=3 of 5) in a domain may be placed in Intensive Support.
- Before a teacher is placed in Intensive Support, the administrator shall notify his/her supervisor and human resources to discuss the evidence and appropriate action to pursue while assisting the teacher in improving his/her performance. These actions shall be included in the Intensive Growth Plan.

EVIDENCE/ARTIFACTS

- Evidence for Domains 2 and 3 typically comes from observation notes; the only artifacts necessary to upload are those for which the Evaluator does not have evidence.
 - In the summative year, evidence for Domains 1 and 4 is obtained through the pre-observation and post-observation forms and conferences.
 - In the Interim Non-Summative (2B1, 2B2, and 2B3) years, evidence may be gathered during observations, conferences, Add New Post, BloomList reflections, or artifacts.
- Artifacts should only be used when performance is not readily observable (Primarily Domains 1 & 4). The ratings may include results of direct observations, indirect observations, artifacts, and data.

SUMMATIVE EVALUATION

- During a school year in which a complete summative evaluation is not required for a teacher in Interim Appraisal Non-Summative (2B1, 2B2, and 2B3), the focus is on components aligned with the teacher's professional growth plan approved by the evaluator.
- Completed annually for licensed employees in Career Summative (2A)* and Intensive Support(3). *At least one (1) time every four (4) years, a summative evaluation over all four domains and 22 components is completed for teachers in the Interim Appraisal (2). A summative evaluation may be completed more frequently than once every four years with any teacher.

STEPS FOR PGP GOALS:

- Evaluator schedules a PGP meeting in EdReflect. The Evaluator and teacher collaboratively create a PGP during Year 1 for Early Educator/Novice teachers as designated by the guidelines for mentoring from the Arkansas Department of Education.
 - Novice teachers [first year] develop their PGP in December or January based on feedback, student data, and self-assessment.
 - Experienced teachers [Probationary] new to the district develop their PGP in September or October.
 - Career Educators, Early Educators [Year 2 and 3], and Probationary Educators employed by the district create their PGP in March-May of each year for the following year.
- During the PGP Review/Update Conference at the end of each year, teachers in Interim Appraisal and Early Educator/Novice develop PGPs so they can focus professional development on the goals of their PGPs. The PGP is collaboratively reviewed/revised at least annually. Based on documented evidence, the Evaluator may collaborate on PGP modifications during the school year.
- Year 1: Early Educator/Novice Teacher completes a minimum of two Mentoring Journeys by November, informal observations, EdReflect Self-Evaluation, Areas of Strength, Areas for Growth prior to the PGP meeting. Teacher and Evaluator collaboratively create PGP goals based upon the self-assessment and results of observations, align goals with indicators, tag and answer the questions for each goal.
- A component(s) from Domain 1 should always be selected along with something observable (from Domain 2 and/or 3) and possibly Domain 4. No more than 4 components and no fewer than 2 per goal should be tagged. Answer TESS questions. Questions should be answered from the perspective of a) what this will look like in terms of the teacher behavior/growth and b) what this will look like in terms of student performance or achievement.
- Early Educator/Novice teachers must complete their Journey requirements each semester of their three-year mentoring cycle.
- Early Educator/Novice Years 2 and 3: Continue expectations for Early Educator/Novice teachers with the exception of the PGP being developed at the PGP Review/Update Conference at the end of the year as with other staff. Self-evaluation may be completed annually by the teacher (optional) and discussed with the administrator during the PGP Review/Update meeting.
- Experienced teachers new to the district complete the Self-Evaluation, Areas of Strength, Areas for Growth prior to the PGP meeting no later than October 1st. The PGP based on the Self- Assessment, Student Data, and Principal Observations shall be completed no later than October 31.

ADDITIONAL ARTIFACTS:

- Evaluator schedules Additional Artifacts in August or September in EdReflect and leaves it open all year to allow Evaluator and Teacher to upload or access artifacts throughout the year.

STEPS FOR INFORMAL OBSERVATION(S) (All Teachers):

Evaluator schedules informal observation(s) in EdReflect.

INFORMAL OBSERVATION (Early Educator/Novice, Career, Intensive):

- **Evaluator** schedules **informal observation(s)** at their discretion. TESS Law does not indicate the number of informal observations to complete. PCSSD requires a minimum of two (2) per teacher per year. The informal observation should be a minimum of 20 minutes and may focus on all components or those of the PGP.
- Evaluator records notes/scripts in EdReflect during the observation or within 48 hours. It is optional for the Teacher to tag evidence and rate performance. If the teacher tags/rates, the observer should use the Notepad rather than Quickfire in EdReflect. The teacher should tag, rate and share information from the lesson back to the observer within 48 hours.
- Evaluator shares notes with teacher. Evaluator and Teacher may upload any additional artifacts. After uploading, select, tag, comment, then share.
- Evaluator completes the rating of components in any domain (designated domains or components may be the focus of informal observations) and shares with the teacher. (Comments may be added for any/all components.)
- Teacher may also complete ratings as the evaluator directs (Comments may be added for any/all components.) and may upload any additional artifacts, tag, comment, and share.
- Evaluator completes the Feedback and Next Steps form in EdReflect, tags by double clicking on Save Draft, and shares with the Teacher.

- Each step in the process is shared by the author of the action.
- Evaluator closes the meeting after feedback is provided to the Teacher either electronically or face-to-face (within 48 hours).
- Informal Observation may also include classroom walkthroughs that are focused on specific areas and rated by the observer.
- The ratings for each teacher are based on direct observation, indirect observation, data, and artifacts.

Steps for Formal Observation (Career Summative-2A, Intensive-3, and any that observer chooses)

PRE-CONFERENCE (Optional):

- Evaluator schedules pre-conference, observation, and post-conference in EdReflect to allow adequate time for Teacher and Evaluator to complete each step.
- PCSSD requires a minimum of one formal observation for Career Summative Appraisal and Intensive Support. Formal observations may be conducted with any teacher at the discretion of the Evaluator.
- PCSSD requires a minimum observation time of 75% or 45 minutes of the class period.
- PCSSD requires a face-to-face post-conference following the observation.
- If Pre-Observation is requested by the Evaluator, the teacher completes Pre-Observation form questions, tags it, and shares it with Evaluator. The evaluator decides whether all questions in EdReflect are to be answered, or the evaluator may identify specific questions to be answered.
 - Teacher shall upload the lesson plan and/or any other applicable artifacts, tags, and shares them 24 hours prior to the pre-conference meeting.
 - Evaluator may upload artifacts prior to the pre-conference meeting.
 - Evaluator completes meeting notes for pre-conference meeting, double clicks on Save Draft to tag, then shares with the Teacher.

OBSERVATION:

- Evaluator takes notes/scripts in EdReflect during the observation or uploads notes within 48 hours. Evaluator shares notes with teacher. It is optional for the teacher to tag evidence and rate their performance.
- Evaluator and teacher may upload any additional artifacts. After uploading, select and tag, then share.
- Evaluator completes the rating of all components in all domains and shares with the teacher. (Comments may be added for any/all components.)

- Consideration is given for the need to add or revise PGP goals.

STEPS FOR MID-YEAR REVIEW (Early and Career Educators-Optional as determined by Evaluator, Intensive Support - Required):

- Evaluator may schedule PGP Mid-Year Review from December 1 through January 31. The mid-year review of the PGP is optional at the discretion of the evaluator for Interim Appraisal or Early Educator. However, Mid-Year Review is required for Intensive Support. The PGP mid-year review may be done electronically through EdReflect.
- Evaluator and Teacher review the goals, and both may add additional artifacts which are tagged, commented on, and shared.
- Evaluator completes Mid-Year Review Notes, shares, and closes the meeting.

[Remember to share, otherwise, the other person cannot see the forms. "Close the Meeting" after the meeting is complete.]

Career Interim Appraisal--Non Summative (2B1, 2B2, 2B3) and Early Educator: STEPS FOR PGP Review/Update Review

- Evaluator schedules PGP Review/Update meeting in EdReflect.
- Evaluator and Teacher review goals prior to the meeting.
- Teacher completes Learner Reflection in EdReflect prior to the meeting.
- Evaluator and Teacher may add and tag additional supporting documents.
- Principal clicks Snapshot, rates the components addressed in the year's PGP (2 goals with 2-4 components per goal), clicks on Create Snapshot at the upper right side of the page, labels the rating as —final xx 20xxll, clicks on TESS PGP Review/Update, unchecks two little boxes, click on Create Snapshot again, and the snapshot is attached to the PGP Review meeting.

The teacher only sees ratings that have been attached to the Final Ratings report. Evaluator Shares with teacher.) A green check appears beside the teacher's name on the
- End-of-Year Ratings sheet when final ratings have been completed. The End-of Year Rating sheet is used to design the Meeting Notes for the Summative Evaluation and should provide strengths and guidance in areas needing improvement by the Teacher. The areas of need form the basis for the PGP for the upcoming year.
- The End-of-Year Rating Sheet is printed and signed by the Teacher and Evaluator and submitted to Human Resources. The End-of-Year Rating Sheet is also shared with the Teacher electronically.
- If goals are completed, Evaluator clicks —Mark as Complete in EdReflect.
- If Teacher and Evaluator agree that the goal needs additional work, the goal may be replicated with new responses to the TESS questions for the upcoming year.

TESS law requires a summative evaluation by a credentialed evaluator for teachers in Career Summative-2A (once every four years) and Intensive Support-3. The summative evaluation consists of a face-to-face conference where ratings and scores in all 22 components are discussed and shared from the uploaded form in EdReflect. The scores form one component for the basis of the new PGP (along with data and self-assessment).

STEPS FOR Developing New PGP

- (All teachers employed for the upcoming school year, including Early Educator/Novice Teachers Year 2 and 3):
- Evaluator schedules a PGP meeting using EdReflect. The Evaluator and Teacher collaboratively create a PGP. PGPs are reviewed/revise at least annually.
- Teacher completes the Self-Evaluation (optional or as designated by the protocol), Areas of Strength, Areas for Growth prior to the PGP meeting. [After Year 1, Teacher and Evaluator discuss PGP goals for upcoming year at PGP Review/Update conference the previous year and the PGP is completed for the upcoming year prior to the completion of the school year.] Teacher aligns goals with indicators by tagging the appropriate rubric as they answer the first question on the TESS Questions page of the PGP. [A component(s) from Domain 1 should always be tagged along with something observable (from Domain 2 and/or 3) and possibly Domain 4. Tagging two to four (2-4) components per goal is recommended.] Answer TESS questions. Questions should be answered from the perspective of a) what this will look like in terms of the teacher behavior/growth and b) what this will look like in terms of the learners.
- PGP is submitted to the Evaluator for review and approval by the end of the current school year.
- As Teachers work on accomplishing goals during the upcoming year, they record progress toward each goal on the —Add Posts tab at the bottom of the TESS Questions page.

SELF-EVALUATION:

- The self-evaluation is completed in EdReflect during the End-of-Year process at the end of the summative year for experienced teachers (2A). Early Educator/Novice Teachers complete their self-evaluation at the beginning of their employment and at the end of their Novice period. A self-evaluation should be completed by October 1st for Early

Educator/Novice Teachers during their initial year of employment to ensure a balanced approach to PGP development.

ADDITIONAL ARTIFACTS:

- Evaluator schedules —Additional ArtifactsI in EdReflect and leaves it open all year to allow Evaluator and Teacher to upload, tag, and comment or access artifacts.

Intensive Support Status

Intensive Support Status (3)

- A teacher may be placed into Intensive Support Status from the Early Educator/Novice or Career Categories.
- An evaluator shall place a teacher in Intensive Support status if the teacher has a majority of ratings (Domains 1 & 4=4 of 6 and Domains 2 & 3=3 of 5) of "Ineffective" in any teacher evaluation domain of the evaluation framework or if the teacher has a combination of ratings of "Ineffective" or "Progressing" in a majority of components in a teacher evaluation domain (Domains 1 & 4=4 of 6 and Domains 2 & 3=3 of 5).
- Ratings are based on direct observations, indirect observations, data, and artifacts.

EVALUATOR STEPS FOR INITIATING INTENSIVE SUPPORT

- Evaluator notifies the supervisor and human resources director once a concern is noted and the decision is made to move the teacher to Intensive Support. The form for Intensive Support Growth Plan is currently not on EdReflect, but the template for Intensive Support Growth Plan is available from the Human Resources Office.
- Evaluator establishes the time period for the Intensive Support status (up to two semesters and two additional semesters may be added if progress is being made); and provides a written notice (obtained from the Human Resources Office) to the teacher for placement in Intensive Support status. The notice shall state that if the teacher's contract is renewed while the teacher is in Intensive Support status, the fulfillment of the contract term is subject to the teacher's accomplishment of the goals established and completion of tasks assigned in the Intensive Support status.
- The Evaluator shall work with the teacher to:
 1. Develop a clear set of goals and tasks that correlate to:
 - a. The Intensive Growth Plan
 - b. District Notification Letter
 - c. Evidence-based research concerning the evaluation domain(s) that forms the basis for the Intensive Support status; and
 - i. When a teacher is placed in Intensive Support Status, a Collaborative Intensive Growth Plan is created under the direction of the Evaluator and reviewed/revised often. This requires frequent teacher and evaluator conferences, observations, and support.
 - ii. Monitor and assess the teacher's implementation of the Intensive Growth Plan through conferences, classroom walkthroughs, informal observations, formal observations, and video observations. The principal shall ensure support is given in areas of need identified in the IGP.

PCSSD requires a summative evaluation scoring IGP goals' growth components to be discussed with teacher during face-to-face conferences.

- If the intensive support status is related to student performance, student performance indicators are used to measure student progress.
- At the end of the specified period of time for Intensive Support status (up to 2 semesters), the Evaluator shall:
 1. Evaluate whether the teacher has met the goals developed and completed the tasks assigned for the Intensive Support status; and
 2. Provide written notice (form provided by Human Resources office) to the teacher that the teacher either:
 - a. Is removed from intensive support status; or
 - b. Has failed to meet the goals and complete tasks of the Intensive Growth Plan.
- If a teacher does not accomplish the goals or complete the tasks established for the Intensive Support status during the period of Intensive Support, the Evaluator shall notify the superintendent and provide documentation of the Intensive Support status actions.
- Upon review and approval of the documentation, the superintendent shall recommend termination or nonrenewal of the teacher's contract based on failure to meet expectations of the Intensive Growth Plan. A recommendation for termination or nonrenewal of a teacher's contract under this section shall be made pursuant to the authority granted to a superintendent for recommending termination or nonrenewal under The Teacher Fair Dismissal Act.
OR
- If a teacher has made substantial documented progress, the teacher may remain in Intensive Support up to 2 additional consecutive semesters. OR
- Teachers in the Career Category who successfully complete Intensive Support within the current or immediately preceding school year are placed in Career Summative for the following school year. An Early Educator/Novice teacher who has been placed in Intensive Support returns to the Early Educator/Novice Category to complete that cycle when removed from Intensive Support.

Teachers may remain in Intensive Support for up to four semesters if documented improvement is observed.

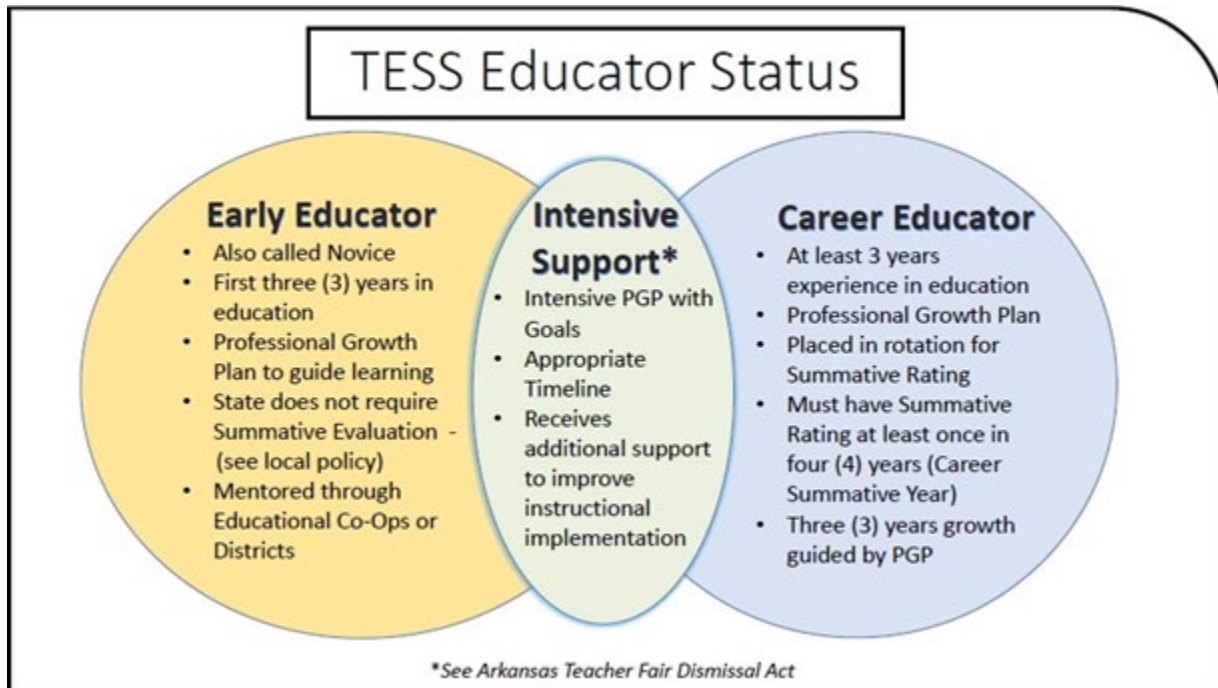

[Following all meetings, remember to share, otherwise, the other person cannot see the forms. "Close the Meeting" after the meeting is complete.]

- Provide a transparent and consistent Administrator evaluation system that ensures strong leadership, enhances effective teaching, and promotes professional learning;
- Provide an evaluation, feedback, and support system that encourages Administrators to improve their knowledge and leadership skills to improve effective teaching which leads to effective student learning;
- Provide an integrated system that links evaluation procedures with curricular standards, professional development activities, targeted support, and human capital decisions;
- Support Administrators' roles in improving students' educational achievements;
- Enhance teacher effectiveness to enhance student learning and development;
- Encourage and support staff to move beyond minimum competencies toward professional excellence;
- Foster professional growth in an atmosphere of mutual trust and respect; and
- Provide criteria for responsible personnel decisions.

PCSSD believes in providing high-quality instructional staff in every classroom. To ensure that the quality remains consistently high, the district expects principals and other administrators to lead teachers and staff in producing effective results with the education of students placed in the district's care. Administrators will use the LEADS rubric to provide guidance to ensure that consistent practices are followed. The ratings for each administrator are based on direct observation, indirect observation, data, and artifacts. Observations and formative assessment conferences are conducted and support given based on administrators' performance and the category placement guidelines outlined in this document.

CATEGORY DESCRIPTORS

Beginning Administrator/Novice

- Beginning administrator – administrator having fewer than three (3) years' experience as an administrator (Completes three years of Beginning Administrator/Novice requirements. A first year administrator is considered a novice the first year of leadership and a probationary administrator in years two and three of leadership.)
- Experienced transfer administrator – administrator having three or more years of experience and transferring into the district. New hires from out of district with three or more years of experience will be placed in Beginning Administrator/Novice status for one year as determined by the appropriate central office administrator.
- Probationary/Novice: (First year administrator is both novice and probationary. —Probationary administrator means an administrator who has not completed three successive years of employment in the school district in which the administrator is currently employed. An administrator employed in a school district in Arkansas for three years or an administrator who has been given credit for prior service in another school district shall be deemed to have completed the probationary period. Arkansas Code: 6-17-1502.

- Administrators in the Beginning Administrator/Novice status develop a PGP, are evaluated on all 31 functions (or those deemed appropriate for the job assignment), participate in formative assessment conferences, may have a Mid-Year Review, and will have a LEADS PGP Review/Update to summarize the performance for the year.

Career Inquiry

Administrator who is fully licensed by the state of Arkansas and has successfully completed requirements in Beginning Administrator/Novice status. Administrators eligible for Career Inquiry are initially assigned to Summative Appraisal or 3 years in Interim Appraisal to establish a 4-year cycle. The evaluator determines which designation administrators are placed in Career Inquiry. This cycle continues throughout an administrator's career.

Interim Appraisal (2B3, 2B2, 2B1)

- Interim Appraisal is focused on an administrator's Professional Growth Plan (PGP). The plan is comprised of two goals with the corresponding answers to the LEADS questions for each goal. The evaluation for administrators in this status is based on the performance associated with the functions for each goal. Formative Assessment Conferences and artifacts are the primary source of evidence for this status. Mid-Year Reviews are optional and focus on progress on the actions of the PGP. A LEADS PGP Review/Update Conference focuses on rating the performance of administrators on the functions of the PGP (usually 2-4 per goal). The Interim Appraisal usually occurs three of the four years of the cycle.

Summative Appraisal (2A)

- Summative Appraisal is focused on the implementation of a PGP, an evaluation of all 31 components (or those deemed appropriate for the job assignment), performance in Formative Assessment Conferences, performance in optional Mid-Year Reviews, and the Summative Evaluation to assign a rating for each of the 31 functions based on the performance during the year. This appraisal occurs at least one time every four years but may occur more frequently based on the Evaluator's evidence.

Intensive Support

- Administrators with a majority of their ratings of unsatisfactory in any one standard of the evaluation framework shall be placed in the Intensive Support Track. (§6-17- 2807)
- Administrators who have ratings of basic or unsatisfactory in the majority of functions in a standard may be placed in the Intensive Support Track.
- Before an administrator is placed in Intensive Support, the evaluator should notify his/her Evaluator and human resources to discuss the evidence and appropriate action to pursue to assist the administrator in improving his/her performance.

SUMMATIVE EVALUATION

- Completed annually for licensed employees in Career Inquiry Summative and Intensive Support.
*At least one (1) time every four (4) years, a summative evaluation over all 6 standards and 31 standards is completed for administrators in the Inquiry Appraisal. A summative evaluation may be completed more frequently than once every four years. In a school year in which a complete summative evaluation is not required for an

administrator (Inquiry Interim), the focus is on functions aligned with the administrator's professional growth plan approved by the evaluator.

- During the three (3) years (Career Inquiry Interim) in which a complete summative evaluation is not required, an evaluation that is lesser in scope than the summative evaluation but uses the portions of the evaluation framework and evaluation rubrics that are relevant to the evaluation may be used. A LEADS PGP REVIEW/UPDATE will be completed for Career Inquiry Interim with ratings on the functions aligned with the PGP.

EVIDENCE/ARTIFACTS

Evidence may be gathered during observations, conferences, data, or artifacts. Artifacts should only be used when performance is not readily observed. Evidence may be gathered from direct observations, indirect observations, artifacts, and school data.

A Career Inquiry returns to Career Summative when positive performance indicates removal from Intensive Support.

STEPS FOR INITIATING INTENSIVE SUPPORT

- Evaluator notifies central office once a concern is noted and decision is made to move the Administrator to Intensive Support. The form for Intensive Support is currently not on EdReflect, but the template for Intensive Support is in the Human Resources office.
- Evaluator establishes the time period for the Intensive Support status; and provides a written notice to the Administrator that the Administrator is placed in Intensive Support status. [The notice shall state that if the Administrator's contract is renewed while the Administrator is in Intensive Support status, the fulfillment of the contract term is subject to the Administrator's accomplishment of the goals established and completion of the tasks assigned in the Intensive Support status.]
- The Evaluator works with the Administrator to: (1) Develop a clear set of goals and tasks that correlate to: (A) The intensive growth plan; and (B) Evidence-based research concerning the evaluation standard(s) that forms the basis for the Intensive Support status; and (2) Ensure the Administrator is offered the support that the evaluator deems necessary for the Administrator to accomplish the goals developed and to complete the tasks assigned while the Administrator is in Intensive Support status.
- At the end of the specified period of time for Intensive Support status, the Evaluator shall: (1) Evaluate whether the Administrator has met the goals developed and completed the tasks assigned for the Intensive Support status; and (2) Provide written notice to the Administrator that the Administrator either: (A) Is removed from Intensive Support status; or (B) Has failed to meet the goals and complete the tasks of Intensive Support status.
- If an Administrator does not accomplish the goals and complete the tasks established for the Intensive Support status during the period of Intensive Support status, the Evaluator shall notify the Superintendent and provide documentation of the Intensive Support status.
- Upon review and approval of the documentation, the Superintendent shall recommend termination or nonrenewal of the Administrator's contract. A recommendation for termination or nonrenewal of an Administrator's contract under this section shall be made pursuant to the authority granted to a Superintendent for recommending termination or nonrenewal under The Teacher Fair Dismissal Act.

STEPS FOR ADDITIONAL ARTIFACTS

- Evaluator must schedule Additional Artifacts in EdReflect and leave it open all year to allow for Evaluator and Administrator to upload or access artifacts in the e-Portfolio.

STEPS FOR FORMATIVE ASSESSMENT CONFERENCE(S)

- Evaluator schedules Formative Assessment Conference.

- The number of Formative Assessment Conferences is determined by the Evaluator, but PCSSD requires for each Administrator annually. The conference should focus on components of the PGP or those determined by the Evaluator.

CONFERENCE

- Evaluator takes notes/scripts in EdReflect during the conference. Administrator may tag evidence and rate the performance.
- Evaluator shares notes with Administrator.
- Evaluator and Administrator may upload any additional artifacts. After uploading, select, tag, comment about the relevance of the artifact to growth, and share.
- Administrator may complete ratings. Comments may be added for any/all components.
- Evaluator completes rating of components and shares with the Administrator. Comments may be added for any/all functions.
- Evaluator completes the Feedback and Next Steps form, tags, and shares with the Administrator. This feedback may be electronic or face-to-face.
- Evaluator considers need for addition or revision to PGP goals or track placement.
- Evaluator closes the meeting

STEPS FOR (Optional) MID-YEAR REVIEW

- Evaluator schedules Optional PGP Mid-Year Review in December or January.
- Evaluator and Administrator review the goals.
- Evaluator completes Mid-Year Review Notes, shares, and closes the meeting.

STEPS FOR LEADS PGP REVIEW/UPDATE

- Evaluator schedules LEADS PGP Review/Update meeting by November 1 or March 1 as warranted by contract consideration and Intensive Support timeline requirements.
- Evaluator and Administrator review goals prior to the meeting.
- Administrator completes Learner Reflection in EdReflect and shares prior to the meeting.
- Evaluator completes Snapshot and Meeting Notes, entering notes to summarize progress and indicate next steps such as goals to continue for the next year.
- Click —Create a SnapshotI to get to the Administrator's Aggregated Evidence and Rating page. (All previous ratings and evidence are marked and available for the final rating.)
- Look at the scores given for each function throughout the year and evidence collected.
- Determine the overall rating for each function. Administrator in Intensive Support receive ratings based on all functions on the rubric—6 Standards and 31 or those previously agreed on.
- Click —Create a SnapshotI, give it a title. Click —Create a SnapshotI in blue box. Once the snapshot is created, it is automatically populated in the LEADS Snapshot page.
- Ensure the accuracy of ratings. If a mistake is noted, a new snapshot can be created.
- IF all goals are complete, Evaluator click on —Mark as CompleteI on the LEADS Questions page for each goal.
- Evaluator determines whether significant progress has occurred toward meeting the Intensive Growth Plan Goals. The Superintendent is kept informed of the Administrator's progress throughout the year. If so, the Administrator may exit Intensive Support and receive a letter of notification stating this accomplishment; OR may be retained in

Intensive Support for up to two (2) additional semesters with support from the Evaluator to ensure the maintenance of appropriate actions from the Administrator. If not, the Administrator is terminated/non-renewed based on TESS law and Arkansas Fair Dismissal.

- Administrator may remain in Intensive Support for two semesters; and two additional semesters may be added if substantial improvement is observed.

Remember to share, otherwise, the other person cannot see the forms. "Close the Meeting" after the meeting is complete.

2. Click on —Add New Item to the BloomList on the left side of the homepage.
3. Complete the prompts: I will.... So that I can.... (At this point, for the —I will, indicate the workshop, book study, class, etc. that you will attend. For the —So that I can indicate how the learning supports your PGP goals.
4. Select a date.
5. Click Create.
6. After completion of the PD, go to Home and open that PD item in Bloomlist.
7. Complete the Ready to Reflect questions.
8. Mark as Done.
9. May screenshot and upload.

During the first in-service days at the beginning of school, Evaluators communicate to new administrators what their track assignment is for the current year. Track assignment is notated on the PGP narrative. At the end of the school year, all administrators are advised of their track assignment for the upcoming school year. This is included with the final rating form and sent to Human Resources.

Assistant Principals and Building or District Level Administrators have unique rubrics. Their evaluation is based on conversations with Evaluator to determine the appropriate standards and functions that apply to their job responsibilities. Their evaluation is based on predetermined standards and functions rather than all 31.

PROFESSIONAL DEVELOPMENT AND IN-SERVICE EDUCATION REQUIREMENTS

Professional Development Committee

A district-wide Professional Development Committee will be established to address the needs of teachers, administrators, and paraprofessionals.

- The make-up of the committee shall be as follows:
- The Director of Professional Development, who will serve as chairperson.
- Seven (7) Classroom Teachers who will be appointed by the certified PPC.
- Two (2) administrators appointed by the Director of Professional Development.
- Four (4) Principals, i.e. two elementary and two secondary, appointed by the Elementary and Secondary Directors.
- Two (2) Paraprofessionals - one appointed by the classified PPC or one appointed by the Director of Professional Development.

The committee should assist the District in the design, implementation, and evaluation of the district's Professional Development Program for district-wide professional development days. The Professional Development Committee will seek input from teachers and administrators before making recommendation(s) to the superintendent for district-wide professional development days. Each school and/or feeder pattern will plan for local school professional development days with each school's leadership team. The results of the evaluations made by participants shall be used to continuously improve the District's PD offerings and to revise the school improvement plan. All professional development sessions (district-wide or local school) must meet the professional development requirements addressed in this board policy.

The goal of all PD activities shall be improved teaching and learning knowledge and skills that result in individual, team, school-wide, and District-wide improvement designed to ensure that all students demonstrate proficiency on the state's academic standards. The District's PD plan shall be research-based and standards-based and in alignment with applicable ADE Rules and/or Arkansas code.

The District in collaboration with the Professional Development Committee shall develop and implement a professional development plan (PDP) for its licensed employees. The District's PDP shall, in part, align District resources to address the PD activities identified in each school's

Arkansas Comprehensive School Improvement Plan (ACSIP) and incorporate the licensed employee's PGP. The plan shall describe how the District's categorical funds will be used to address deficiencies in student performance and any identified academic achievement gaps between groups of students. At the end of each school year, the District shall evaluate the PD activities' effectiveness at improving student performance and closing achievement gaps.

Teachers, administrators, and paraprofessionals shall be involved in the design, implementation, and evaluation of the plan for their own PD offerings. The results of the evaluation made by the participants in each program shall be used to continuously improve the District's PD offerings and to revise the school improvement plan.

Definition

For the purposes of this policy, professional development (PD) means a set of coordinated, planned learning activities for District employees who are required to hold a current license issued by the State Board of Education as a condition of employment that:

- Is required by statute or the Arkansas Department of Education (ADE); or
- Meets the following criteria:
 - Improves the knowledge, skills, and effectiveness of teachers;
 - Improves the knowledge and skills of administrators and paraprofessionals concerning effective instructional strategies and methods;
 - Leads to improved student academic achievement; and
 - Is researched-based and standards-based.

Annual Professional Requirement

Each licensed employee shall receive a minimum of thirty-six (36) hours of PD annually to be fulfilled between June 1 and May 31, the District may require a licensed employee to receive more PD than the minimum when necessary to complete the licensed employee's PGP. All licensed employees are required to obtain thirty-six (36) hours of approved PD each year over a five-year period as part of their licensure renewal requirements. PD hours earned in excess of each licensed employee's required number of hours in the designated year cannot be carried over to the next year.

Licensed employees who are prevented from obtaining the required PD hours due to their illness or the illness of an immediate family member as defined in A.C.A. § 6-17-1202 have until the end of the following school year to make up the deficient hours. Missed hours of PD shall be made up with PD that is substantially similar to that which was missed and can be obtained by any method, online or otherwise, approved by ADE. This time extension does not absolve the employee from also obtaining the following year's required hours of PD. Failure to obtain required PD or to make up missed PD could lead to disciplinary consequences, up to termination or nonrenewal of the contract of employment.

Documentation

To receive credit for his/her PD activity, each employee is responsible for obtaining and submitting documents of attendance, or completion for each PD activity he/she attends that is not provided by PCSSD. Documentation is to be submitted to the building principal or designee. The District shall maintain all documents submitted by its employees that reflect completion of PD programs, whether such programs were provided by the District or an outside organization.

Employees who do not receive or furnish documentation of the required annual PD jeopardize the accreditation of their school and academic achievement of their students. Failure of an employee to receive his/her required annual hours of PD in any given year, unless due to illness as permitted by law, ADE Rule, and this policy, shall be grounds for disciplinary action up to and including termination.

Out-of-District professional development documentation must be submitted for credit within sixty (60) days of completion. There is a limit of eighteen (18) AR Ideas hours applicable to the yearly sixty (60) hours; twelve (12) of which must be related to teachers individual PGP unless pre-approved by the Director/Coordinator of Professional Development.

An employee may not receive both professional development credit and pay/stipend. The employee must select either professional development credit OR pay/stipend (if it is an option).

Off-Contract/Flex Professional Development

Off-Contract/Flex PD hours are paid contracted days in which an employee is allowed to substitute PD activities, different than those offered by the District or is allowed to attend PD at some other time in the calendar year to substitute for paid

contracted day(s), but are still aligned to the employee's Individual Improvement Plan, Professional Growth Plan, or the school's ACSIP. The District in collaboration with the Certified PPC will determine which paid contracted days will be identified as off-contract/flex PD hours on the District calendar.

The District shall determine in collaboration with the Professional Development Committee on an annual basis how many, if any, flex hours/off-contract hours of PD it will allow to be substituted. The District administration and the building principal have the authority to require attendance at specific PD activities which are related to the employee's PGP or the school's ACSIP.

Employees must receive approval from their immediate supervisor and the Director of Professional Development for activities they wish to have qualify for off-contract/flex PD hours. To the fullest extent possible, PD activities are to be scheduled and attended such that teachers do not miss their regular teaching assignments.

Six (6) approved off-contract/flex hours credited toward fulfilling the licensed employee's required hours shall equal one (1) contract day. To receive credit for his/her PD activity, each employee is responsible for obtaining and submitting documents of attendance, or completion for each PD activity he/she attends that is not provided by PCSSD. Documentation is to be submitted to the building principal or designee.

PD Hours Above the State/District Requirement

Hours of PD earned by an employee that are not at the request of the District and are in excess of the employee's required hours, or not pre-approved by the building principal, shall not be credited toward fulfilling the required number of contract days for that employee. Hours earned that count toward the licensed employee's required hours also count toward the required number of contract days for that employee. Employees shall be paid their daily rate of pay for PD hours earned at the request of the District that necessitate the employee work more than the number of days required by their contract.

Missed PD Hours/Make-up

Teachers and administrators who miss part or all of any scheduled PD activity they were required to attend, must make up the required hours in comparable activities, which are to be pre-approved by the employee's appropriate supervisor.

EMPLOYMENT, ASSIGNMENTS AND DUTIES

LICENSED PERSONNEL EMPLOYMENT

Licensed personnel shall be employed pursuant to written contracts. Employment contracts shall in all particulars conform with Arkansas law relative to the creation, extension and termination of teacher employment contract, in particular A.C.A. §6-17-1506.

Licensed employees will generally be hired, rehired, and assigned to fill particular positions as stated on the face of the employee's contract. The District will endeavor to adhere to those assignments. Employees are reminded, however, that all assignments are at the discretion of the Superintendent and that it may be necessary from time to time to assign an employee to a position or job other than the one specified in the contract. Change of assignment after signing the contract shall not affect the employee's compensation. Employees are expected to accept and satisfactorily perform any such reassignment.

All prospective employees must fill out an application form provided by the District, in addition to any resume provided; all of the information provided is to be placed in the personnel file of those employed.

If the employee provides false or misleading information, or if he/she withholds information to the same effect, it may be grounds for dismissal. In particular, it will be considered a material misrepresentation and grounds for termination of contract of employment if an employee's licensure status is discovered to be other than as it was represented by an employee or applicant, either in writing on application materials or in the form of verbal assurances or statements made to the school district.

It is grounds for termination of contract of employment if an employee fails a criminal background check or receives a true report on the Child Maltreatment Central Registry check.

Before the Superintendent may make a recommendation to the Board that an individual be hired by the District, the Superintendent or his/her designee shall check the Arkansas Educator Licensure System to determine if the individual has a currently suspended or revoked teaching license. An individual with a currently suspended license or whose license has been revoked by the State Board of Education is not eligible to be employed by the District; this prohibition includes employment as a substitute teacher, whether directly employed by the District or providing substitute teaching services under contract with an outside entity.

The District is an equal opportunity employer and shall not discriminate on the grounds of race, color, religion, national origin, sex, pregnancy, sexual orientation, gender identity, age, disability, or genetic information.

Inquiries on nondiscrimination may be directed to the Division of Equity and Pupil Services, who may be reached at 501-234-2000.

For further information on notice of non-discrimination or to file a complaint, visit <http://wdcrobcolp01.ed.gov/CFAPPS/OCR/contactus.cfm>; for the address and phone number of the office that serves your area, or call 1-800-421-3481.

EMPLOYMENT OF VETERANS

In accordance with Arkansas law, the District provides a veteran preference to applicants who qualify for one of the following categories:

- a veteran without a service-connected disability;
- a veteran with a service-connected disability; and
- a deceased veteran's spouse who is unmarried throughout the hiring process.

For purposes of this policy, —veteran is defined as:

A person honorably discharged from a tour of active duty, other than active duty for training only, with the armed forces of the United States; or

Any person who has served honorably in the National Guard or reserve forces of the United States for a period of at least six (6) years, whether or not the person has retired or been discharged.

In order for an applicant to receive the veterans preference, the applicant must be a citizen and resident of Arkansas, be substantially equally qualified as other applicants and do all of the following: Indicate on the employment application the category the applicant qualifies for;

Attach the following documentation, as applicable, to the employment application: Form DD-214 indicating honorable discharge;

A letter dated within the last six months from the applicant's command indicating years of service in the National Guard or Reserve Forces as well as the applicant's current status;

- Marriage license;
- Death certificate;
- Disability letter from the Veteran's Administration (in the case of an applicant with a service- related disability).

Failure of the applicant to comply with the above requirements shall result in the applicant not receiving the veteran preference; in addition, meeting the qualifications of a veteran or spousal category does not guarantee either an interview or being hired.

PROMOTION AND TRANSFER POLICY

The general policy of the District is to employ the most able and best qualified persons with the proper credentials for all positions. However, PCSSD favors promotions from within so that where, in the opinion of the administration, ability, qualifications, and credentials of an existing employee are equal to those of an outside applicant, the existing employee will be favored for promotion.

Normally this will be accomplished by licensed employees within the District being extended the advantage of first consideration for promotion.

Vacant or new positions shall be advertised internally and externally by the administration. The administration shall in its sole discretion determine the minimum qualifications related to degrees, certifications, experience, and the like, for each position and clearly state the same in the written notice of vacancy. Internal advertising will be by posting of vacancies within the various buildings and at the central office. The duration of inside and outside advertising, and the media and targets for outside advertising, will be determined by the administration.

Deadlines for applying shall be clearly stated on the face of any advertisements or notices.

All teachers are subject to assignment and transfer at the direction of the Superintendent. Insofar as possible, teachers shall be assigned to positions for which they are best qualified. Also, while keeping in mind the needs of students, the need to have a balanced faculty, and in the

interest of efficiency and economy, reasonable effort shall be made to honor teacher preference in assignments. When a tentative decision has been made to transfer a teacher to another school, he/she will be notified by the Superintendent or his or her designee. When the tentative assignment involves changes within a building, the teacher will be notified by the principal. In all transfer cases, every effort will be made to advise the teacher involved at the earliest possible time.

Posting of Vacancies

1. Vacancies shall be posted on the District website.
2. The recall of all appropriate teachers who are laid-off shall occur before the posting of any vacancy in the affected teacher's certification area(s).
3. The voluntary transfer policy shall be followed to fill positions.
4. Vacancies occurring after the teacher report day will be posted as a temporary one-year position.
5. Posting shall occur within five (5) days after the Human Resources Division receives a signed resignation.
6. Postings shall contain listings of schools, positions available, and if applicable, qualifications to be met for administrative positions.
7. A posted position will remain open ten (10) days from the date of the vacancy; or in an emergency situation will remain open (5) days from the date of the vacancy.

Voluntary Transfer Request Procedure

1. Teachers desiring a transfer must apply online and submit a current PCSSD employee application.
 - a. Online in-district applications are found at www.pcssd.org. Click on the careers tab and then click the tab for the application for current PCSSD employees. Complete the current PCSSD employee application and submit to each open position in which you are qualified and wish to be considered.
 - b. Upon receipt of the in-district application, the administrator or hiring manager will contact the employee for an interview.
 - c. The in-district employee must meet minimum qualifications per job posting.
The in-district transfer application will remain active for a minimum of one (1) year of the application date.
2. No in-district voluntary transfers will be granted after July 1 without the approval of the building administrators and the Director of Human Resources.

Involuntary Transfer

1. In determining an involuntary transfer of teachers from one school to another, a review of each particular school situation must be conducted and will be based upon any of the following:
 - a. The District Affirmative Action Transfer Procedure (see Appendix) and/or goals.
 - b. Program needs and/or changes.
 - c. Enrollment changes due to student population shifts.

SICK LEAVE BANK

At the beginning of each school year, any employee, whether licensed or classified, may voluntarily contribute one day of his/her sick leave allowance to a Sick Leave Bank (SLB). Any employee who is on contract before Labor Day and wishes to make a contribution to the SLB shall do so on a SLB form submitted to the payroll clerk by the end of business on September 15th or the Monday after if the 15th falls on a weekend. The payroll clerk will provide a list of SLB members to the PPC Chairperson by September 30th or the Monday after if the 30th falls on a weekend.

For any licensed or classified personnel hired after Labor Day, he/she may voluntarily contribute one day of his/her sick leave allowance to the SLB. Each employee wishing to make such a contribution shall do so on a SLB form submitted to the payroll clerk by the end of business twenty (20) school days from their hire date.

A five-member committee shall oversee the administration of the SLB with the assistance of the Superintendent. The committee shall be comprised of the Certified Personnel Policy Committee Chairperson, the Classified Personnel Policy Committee Chairperson, one certified employee appointed by the Superintendent, one classified employee appointed by the Superintendent, and the District's Facilitator of Health Services. Their term of office shall be one (1) year. The SLB committee shall decide on requests based on the committee's rules of operation.

The Sick Leave Bank Committee shall administer the bank according to the following rules:

Rules of Operation

Only employees who have made an up-to-date contribution to the sick leave bank are eligible to make withdrawals from the bank.

The Sick Leave Bank days may be used only upon exhaustion of a bank member's accumulated sick leave, vacation days, and personal leave days whichever is/are applicable with the option of using their spouse's sick leave days.

SLB days will be granted only in cases of an emergency caused by a catastrophic illness or catastrophic accident pertaining to a SLB member and their immediate family. Immediate family is defined as spouse, children, and/or parent of the SLB member. In-laws are not included in this definition unless they live in the SLB member's home.

Requests for Sick Leave Bank days can be made by submitting a completed Sick Leave Bank Questionnaire and Physician's Statement and Authorization to Disclose Health Information to the chairperson or any member of the SLB Committee. Upon receipt the SLB committee member shall mark the date received on the forms.

Once the SLB committee chairperson has received the request for SLB days, he/she shall present the request to the SLB committee meeting for the committee's decision(s) to be processed with the next payroll. The SLB committee will meet as necessary to consider SLB requests. During this meeting, the members of the committee shall decide if more information is necessary or if any SLB days shall be granted.

The committee discussions, member medical information, and member names involved in committee decisions in part or in whole shall be considered confidential information. As such, ONLY the requesting member shall make any of the prior public.

Communication concerning the member's medical information and any related details shall be for the sole purpose of determining the SLB committee decision.

Once the SLB committee has made its decision concerning a member's request, the decision shall be communicated to the member by the SLB committee chairperson in a timely manner.

SLB days will be granted monthly and only for the days already missed due to the catastrophic event stated on a member's request form. The member shall be required to provide a doctor's written verification stating when he/she is physically able to return to work.

Sick leave grants made from the bank may be for up to thirty (30) days per member per application not to exceed sixty (60) days per year if the days are available. An employee who is granted days from the SLB is obligated to donate one (1) sick day back to the bank at the beginning of the following school year in an effort to keep the SLB solvent.

The bank will be considered to be insolvent when the number of SLB days drops below one hundred fifty (150). When the SLB Committee determines more days are needed for the bank to remain solvent, the request for SLB days shall be broadcast in each building, and non-members shall be given the opportunity to enroll. A current SLB member's failure to contribute at this time will result in termination as a bank member unless the employee is currently in the process of requesting days at the time the SLB becomes insolvent.

Employees who are granted short-term disability will receive one day for each day granted from the Sick Leave Bank for the first fourteen (14) days of leave; on the fifteenth (15th) through sixtieth (60th) days, the employee will receive ½ day for each day granted from the Sick Leave Bank. Days remaining in the SLB shall be carried over from year to year.

If SLB days are denied, the member may appeal to the SLB committee. The requesting member shall appear at the appeal hearing. At that time the SLB committee may require additional information. A majority opinion will prevail at the appeal.

Retiring employees may donate sick days to the SLB rather than be paid for them under the policies on Licensed Personnel: Payment for Unused Sick Leave and Classified Personnel: Payment for Unused Sick Leave.

RETIREMENT AND RESIGNATIONS

RETIREMENT

Pulaski County Special School District shall adhere to Act 25 of 1979 which states: "An act to prohibit discrimination in public employment against individuals 70 years of age and under, to provide that individuals over 70 may be employed by public employers on a year-to-year basis; and for other purposes."

Any teacher retiring should make application for retirement benefits before the final business day of May of the year (s)he plans to retire. Teachers shall be eligible for benefits of the Arkansas Teacher Retirement System and other benefits as prescribed by law. Teachers who have reached 28 years of service and plan to continue to teach under the T-DROP program can be reimbursed for any unused sick leave.

Information concerning days of service and years of service may be obtained from the Arkansas Teacher Retirement System, Little Rock, Arkansas.

Attendance Incentive. Each employee who has been employed by the District for a minimum of three (3) years who retires under the Arkansas Teacher Retirement System shall be paid the certified substitute teacher rate of pay for each sick leave day remaining at the end of the employee's final year of employment with the District and will be paid per diem rate for any unused personal days.

- c. Eligible employees shall be compensated for all unused sick leave and personal days on or before July 31.
- d. Payment shall be made in one (1) lump sum separate from regular salary payments due to the employee.

RESIGNATIONS

1. Employee resignations normally should be in writing stating that the resignation is effective immediately or on a certain date and the writing delivered to the superintendent. A written resignation is effective when received by the superintendent and is irrevocable. Resignations do not require action by the school board. While resignation should be in writing, any employee who clearly, unequivocally, and without qualification manifests by word or deed an intention to terminate the employment relationship shall have resigned effective immediately without further action by the employee, superintendent, or school board. Employees should note the statutory restrictions against employment of a person under contract by another Arkansas school district remain effective unless and until an employee who resigns receives a written release from the superintendent.
2. Employees resigning or being terminated prior to the end of their contract term will be paid for the total number of days employed, with final payment due the next regular payday.

DISCIPLINE AND GRIEVANCES

DISCIPLINARY ACTION

1. Orderly, responsible, and professional behavior by District employees is essential to maintain a quality educational environment. Such behavior is necessary both to enable the District to be managed efficiently and economically as custodian of taxpayer assets, and to establish and maintain good role models and examples for the students. Therefore, the right of the District, acting through the Superintendent and the building principals or equivalent immediate supervisors, to establish from time to time, and to enforce, rules and regulations regarding working practices, job performances, as well as personal conduct, appearance, and dress of employees is recognized, provided that such rules and regulations must be reasonable and consistent with these personnel policies.
2. Such rules will be in writing and posted internally with copies furnished to the Personnel Policies Committee. Such rules are effective when published but are subject to the grievance procedure if their reasonableness is questioned.
3. Apart from specific rules, the obligation of each employee to conduct themselves in relation to PCSSD employment in a manner which respects the persons, property, and dignity of others is recognized. PCSSD, acting through the superintendent, building principals, and other supervisors, acknowledges its obligation in directing its employees to do so in a manner that is not only consistent with the express terms of these personnel policies and the laws and ethical standards governing the teaching profession, but that also respects the dignity of the individual employees. For their part the individual employees are obligated by these policies to conduct themselves in a manner that respects the person, property, and dignity of each person with whom the individual employee comes in contact in relation to this employment. Alleged violations of this provision by the district may be challenged in the grievance procedure. Compliance by employees with this provision can be enforced by application of discipline.
4. It is also recognized that employee conduct away from and outside the workplace can have impact in the work and educational environment. When that impact is adverse, such conduct can be cause for discipline. Examples of such conduct would include, but not be limited to, violations of criminal laws, and violations of the policies governing sexual harassment, other discrimination, and fraternization with students.
5. No employee shall be disciplined without just cause. If an employee engages in conduct which is cause for discipline, the discipline may be by oral reprimand evidenced by written notation in the employee's personnel file, written reprimand and warning letter in the employee's personnel file, disciplinary layoff without pay for a specific number of days (which shall be accompanied by a written warning), or discharge. The severity of the discipline will be determined by the office imposing the discipline, taking into consideration the circumstances of the case and the severity of the offense. It is expressly recognized that repeated minor misconduct will, after warning, become cause for more serious discipline, up to and including discharge.
6. Procedures pertaining to recommendation of discharge for cause during the term of a contract, and suspension by the Superintendent related to such recommendations are governed by statute in Arkansas and are not subject to this grievance procedure. However, all other applications of discipline are subject to the grievance procedure.

GRIEVANCE PROCEDURE

Grievance Defined. A grievance is defined as a concern expressed by an employee that there has been a violation by the administration of [A] an express provision of these personnel policies;

[B] a federal or state law or regulation; or [C] some other express term or condition of the employee/grievant's employment. Terminations of contracts for cause, suspensions because of a belief that cause for termination exists, and non-renewal of contracts are governed by statute with appeal provisions. Therefore, this grievance procedure does not apply to those job actions. However, other disciplinary actions, including disciplinary suspensions without pay, are subject to this grievance procedure. This grievance procedure shall be the exclusive remedy for any employee alleging a violation by the District that may be the subject of a grievance under this procedure. A group of employees with the same concern about a District violation may be parties to a single grievance.

Pursuant to Ark. Code Ann. 6-17-208 there shall be no reprisals of any kind against any individual who exercises his or her rights to file a grievance at any level of the grievance process. A grievance filed by an employee that alleges reprisal by another employee that is sustained will result in progressive discipline for the offender.

Informal Resolution

Grievances or other differences between employees and the administration are frequently the result of mistakes or misunderstandings. Accordingly, while not a mandatory condition of appealing to the Superintendent, an employee should always attempt to resolve any grievance (as well as any other difference not within the definition of a grievance) by first bringing it to the attention of the building principal or equivalent immediate supervisor. This may be done in writing, but there is no requirement of writing as there is with the following steps of the grievance procedure.

Level 1 – Immediate Supervisor

Informal and direct resolution of all grievances and other differences is strongly encouraged. If the discussion at the informal level fails to resolve the grievance, or if no resolution occurred within five (5) days of the informal meeting, the grievant may invoke a formal Level I grievance.

1. A copy of the grievance should be mailed or delivered to the immediate supervisor and it will include:
 - a. A statement setting forth the factual basis for the grievance and the section or sections of the policies allegedly violated.
 - b. Whether the employee wants representation, and if so, what type (i.e. personal attorney, AEA)
2. The immediate supervisor will meet with the grievant within five (5) days of the receipt of the grievance.
3. The immediate supervisor will render a written decision within five (5) days of the meeting.

Level 2 – Superintendent

1. If the grievant is not satisfied with the decision of the immediate supervisor, or if no decision has been made within five (5) days of the Level I decision, then the grievant may invoke a Level II grievance to the Superintendent within ten (10) days of the Level I decision.
2. The Superintendent and/or his designee will hold a Level II grievance hearing within seven (7) days of receipt of the transmittal.

- a. A written decision will be rendered within seven (7) days of the hearing.
- b. The Superintendent and/or his designee will furnish a copy of the decision to the grievant.

Level III – School Board

1. A grievant may elect to have his grievance heard by the Board pursuant to Ark. Code Ann. 6-17-208.
2. The grievant will notify the Superintendent of his desire to have a Board grievance hearing within twenty (20) days after the conclusion of the Level II decision.
3. The Board, no later than its next regular meeting, will hear the grievance provided the request was received prior to the setting of the agenda.
 - a. The grievant may request an open or closed hearing.
 - b. The grievant may be represented by a legal or paralegal counsel at his own expense.
 - c. The grievant shall be provided ninety (90) minutes to present the grievance, unless a shorter time is agreed to by the employee. The Board, in its discretion, may grant the grievant additional time if requested at the expiration of the initial ninety (90) minutes.
 - d. The District shall have ninety (90) minutes to respond to the grievance.
 - e. Both parties shall have the opportunity to present and question witnesses.
 - f. A decision by the Board will be rendered at the time of the hearing.
 - g. It will require five (5) Board member votes in order to overturn the Superintendent's decision.
 - h. The decision will be reduced to writing.
 - i. A copy of such decision will be furnished to the grievant.

Representation. References to an employee's representative or representation during the grievance process will be governed by Ark. Code Ann. 6-17-208, which grants the right of a party to be represented by a person of his or her own choosing, but not by a member of a party's immediate family at any level of the procedure.

DISCRIMINATION COMPLAINTS

Any alleged violation of the District's policy prohibiting discrimination on the basis of race, color, religion, sex (including complaints of sexual harassment), or national origin must be brought to the attention of the Superintendent of schools by the complainant as soon as possible. If the complaint involves allegations against the Superintendent, or allegations that the Superintendent has refused to act on a discrimination complaint against another employee, it must be brought to the attention of the president of the Board of Education. This provision applies to any complaint or grievance that an employee suffered adverse job action or a hostile employment environment on account of race, color, religion, sex, or national origin.

Time Limits

Time is of the essence in this grievance procedure and the times for filing a grievance and answering are to be strictly construed. However, the time limit for initially filing a grievance can be extended by the mutual agreement of any building principal or the Superintendent, on the one hand, and the employee, on the other hand, which agreement must be in writing. The time limit for appealing the Superintendent's second step answer, or failure to timely answer, to the school board can be extended by the mutual written agreement of the Superintendent and the employee.

CONTRACTS AND COMPENSATIONS

OVERVIEW

Licensed personnel shall be employed on written contracts as stated. The compensation shall be determined by a salary schedule adopted by the Board of Education pursuant to law. A copy of the current salary schedule is attached to and made a part of these policies. The scheduled salary shall be stated on the face of the contract. The term of the contract shall also be stated on the face of the contract. Completed contract forms will be mailed or delivered to the employee.

Such forms will constitute an offer and will become binding when returned signed by the employee and executed by PCSSD as required by law. Contract forms not returned executed within thirty days after the date on the cover memorandum forwarding the contract to the employee will be conclusively determined to have been rejected by the employee, and the employee conclusively determined to have voluntarily resigned without further action by the employee, Superintendent, or school board.

Anything in these policies to the contrary notwithstanding, an employee who has signed and returned a contract form as required above shall have an additional period of time in which to unilaterally rescind that contract. The period of time for such rescission shall be the first ten days next following the last official school day for the current school year.

All persons employed as licensed personnel by PCSSD must possess the credentials and qualifications required by the State Department of Education and the North Central Association of Colleges and Schools.

CONTRACTS

The Board recognizes that attractive compensation plans—which include adequate base salary, graduate credit, experience incentives, and employee benefits—are necessary to attract and hold highly qualified and competent employees to provide a quality education program.

It is the Board's intent to review all certified staff compensation plans annually and, once adopted by the Board, the plans will be regarded as current policy.

The Board will adopt, and maintain under review, a system of compensation for certified staff. Positions will be classified and assigned appropriate levels on schedules which reflect the position, preparation and experience.

In accordance with law, individual contracts will be issued to all certified employees as follows:

1. Probationary Contracts

During the first academic year of employment by the Pulaski County Special School District, a certified employee will be employed on a probationary contract, regardless of previous experience. Certified employees' probationary status will continue for successive academic years until employment by this District exceeds three (3) academic years. Provided, however, that a certified employee who has completed three (3) successive years of employment in another Arkansas district prior to employment with this District will be granted non-probationary status if reemployed at the end of the probationary year.

2. Non-Probationary Contracts

Certified employees who are re-employed after completion of three (3) consecutive years with the District acquire non-probationary status.

3. Supplemental Contract

A supplemental contract will be entered into with each certified employee performing assigned supplemental duties for which compensation is paid in addition to compensation allowed for regular duties. Such contracts will not necessarily coincide in length with the primary contract.

4. Temporary Contracts

Any teacher hired after the first work day of the work year will be employed on a temporary contract and will be required to sign a resignation form upon hire reflecting the appropriate contract end date.

All contracts, other than the Superintendent's, will be awarded by the Board upon the Superintendent's recommendation and for a period of one (1) year.

Return of Contract

An employee shall have thirty (30) days from the date of the receipt of his contract for the following school year in which to return the contract, signed, to the office of Human Resources. The date of receipt of the contract shall be presumed to be the date of the contract.

Failure of an employee to return the signed contract within thirty (30) days shall operate as a resignation by the employee. No further action on the part of the employee, the Superintendent, or of the School Board shall be required in order to make the employee's resignation final.

Work Year

1. The regular work year for teachers shall be 190 days.
2. The work year for teachers on extended contracts shall be 190 days plus the number of additional days for the position held.

TRAVEL REIMBURSEMENT

The Board authorizes the Superintendent to establish regulations controlling reimbursement of expenses incurred by personnel and District officials in carrying out their authorized duties. Persons who travel at District expense will exercise the same economy as a prudent person traveling on personal business and will differentiate between expenditures for business and those for personal convenience.

The requirements of this policy shall govern reimbursement for expenses related to travel and/or attendance at conferences and professional development activities incurred by district employees on behalf of the district. Employees are only eligible for reimbursement for travel expenses for travel which has been approved in advance. Original receipts must accompany all requests for reimbursement to the extent that such receipts are customarily available. For a receipt to be valid it should contain the name of the issuing company, the date, and the amount. No cash advances shall be made for travel.

Mileage, lodging, and meal expenses will not be reimbursed when incurred for the personal convenience of the employee and not required by the reason for the travel. All airline travel will be economy class. The use of a charter airplane and helicopter service is not authorized or recognized as a legitimate travel expense.

To the extent practicable, employees shall have the district pay initial conference and professional development registration fees and associated necessary materials. In the occasional circumstances where this is not practical, the district shall reimburse the employee for such fees if they were authorized in advance and are supported with proper receipts.

The district will not reimburse expenses of any non-employee who accompanies the school board member or employee during his/her school related travel.

Reimbursable Expenses

Mileage that is driven for a district sanctioned purpose in an employee's personal vehicle shall be reimbursed provided appropriate documentation is submitted establishing the date and time, place, and purpose of the travel. Mileage shall be reimbursed at the current rate authorized by the state/IRS and shall be based on the shortest, most reasonable, route available.

A daily per diem rate will be paid for travel requiring overnight lodging. The General Service Administration (GAS) per diem rates established for destinations within the Continental United States for meals and incidental expenses will be used for reimbursement. Meals and incidental expenses for the first and last day of travel will be reimbursed at 75% of the daily per diem rate. There will be no meal reimbursement for one-day trips.

Meal expenses incurred by the superintendent or other administrators as necessary, in the performance of their duties when meeting with state officials or consultants may be reimbursed on a prorated, per person basis in line with the mandates of this policy. Such expenses shall only be reimbursed when the expenditure is likely to result in a tangible benefit to the district.

Travel necessitating overnight lodging shall be reimbursed to the extent that it is not lavish and is reasonable based on circumstances of the expenditure. Proper documentation establishing the date and time, place, and purpose of the travel must be submitted along with a receipt for the overnight accommodations. To the extent practicable, employees shall receive assistance from administrators or their designee in arranging travel plans to help keep expenses to a minimum.

Expenses not covered

The district shall not reimburse the following items/categories of expenses.

- Alcoholic beverages;
- Entertainment expenses – including sports or sporting events; pay per view or game expenses at motels;
- Replacement due to loss or theft;
- Discretionary expenses for items such as clothing or gifts;
- Medical expenses incurred while on route to or from or at the destination of the reason for the travel; and
- Optional or supplementary insurance obtained by the employee for the period covered during the travel.

Airport Associated Expenses

Upon the arrival at their destination, employees are expected to use the service resulting in the lower cost to the District. Usually this would be the limousine service unless several employees are traveling together. Taxi or limousine fares are to be explained, showing points of travel. Receipts for taxi or limousine fares of \$3 or more are required.

In lieu of limousine or taxi, employees are eligible to be reimbursed at the state/IRS rate for use of a personal car to and from the airport plus a reasonable amount for airport parking on trips not exceeding four days. Receipts for airport parking of \$10 or more are required.

Out-of-District Travel Guidelines/Procedures:

1. All travel must be pre-approved (even if there is no cost to the District).
2. The Request for Leave will be submitted to the employee's immediate supervisor at least two weeks prior to the travel date for pre-approval, to authorize travel, as well as, approve reimbursement of estimated expenses.
3. When travel is requested, the employee will enter his/her leave into Willsub or the current District substitute system.
4. The traveler is to complete any paperwork (registration form, etc.) in its entirety and attach to the travel approval request form B-109.
5. Supervisors are responsible for ensuring that expenditures are within District guidelines.

In-District Travel Guidelines/Procedures:

Staff members who are required to travel from building to building during the regular work-day will be reimbursed at the same rate as the Arkansas State reimbursement rate. The reimbursement will only be for required daily travel from one building to another. Mileage will only be paid for one way between buildings, unless the employee is required to travel back to his/her beginning location during regular work hours.

It will be the employee's responsibility to get from home to work and from work back home. The employee will be responsible for submitting an in-district travel form at the end of each month for reimbursement. Travel time between schools will not be required during a teacher's lunch period or a teacher's preparation period.

2022-2023 CERTIFIED ADMINISTRATOR'S SALARY SCHEDULE POLICY

1. Beginning with the 2016-2017 school year, the district will begin transitioning to certified administrator salary schedules that are indexed to the district's Teacher Salary Schedule. Each administrator salary schedule shall be calculated as follows:
 - a. The district's Teacher Salary Schedule shall be converted to daily rates of pay for each cell on the schedule. The conversion to daily rates will be calculated by dividing the annual salary by the number of days required by the Teacher Salary Schedule.
 - b. The teacher daily rate of pay shall be multiplied by an index factor to arrive at the administrator's daily rate of pay.
 - c. The administrator's daily rate of pay shall be multiplied by the approved annual contract days to arrive at the annual salary.
2. Each certified administrator shall be placed on the salary schedule at the appropriate educational range and experience step based on college transcripts and verified experience as a licensed educator, both as a teacher and an administrator.
3. The transition to the new certified administrator salary schedules shall occur as follows:
 - a. The salary per the new salary schedule will be compared to the salary the administrator would have received for the 2016-2017 school year based on the salary schedule in place for the 2015-2016 school year.
 - i. If the salary schedule in place for the 2015-2016 school year provides a greater annual salary than the new salary schedule for a particular administrator, that administrator will continue to receive a salary in the same amount as provided by the 2015-2016 salary schedule, instead of the salary called for by the new salary schedule. The particular administrator will continue to receive that same 2015-2016 annual salary until his education range and experience steps on the new salary schedule bring the particular administrator to a salary that equals or exceeds his 2015-2016 salary. From that point on, that administrator will be paid according to the new salary schedule.
 - ii. If the new salary schedule provides a greater annual salary than the salary schedule in place for 2015-2016, the administrator will receive:
 1. For the 2016-2017 school year, an increase equal to one-third of the difference between the new salary schedule amount and the amount that would have been provided by the salary schedule in place for the 2015-2016 school year.
 2. For the 2017-2018 school year, an increase equal to one-half of the difference between the new salary schedule amount and the amount paid the administrator during the 2016-2017 school year.
 3. For the 2018-2019 school year the annual salary will be based on the new salary schedule.
 - b. The certified administrator salary schedules will be indexed to the Teacher Salary Schedule in place each school year.
4. Repealer. This policy is effective July 1, 2016. All portions of the PCSSD Certified Personnel Policies Manual existing prior to the adoption of this 2016-2017 Certified Administrator's Salary Schedule Policy that are inconsistent with this 2016-2017 Certified Administrator's Salary Schedule Policy are hereby repealed and held for naught.

5. Placement of out-of-District employees and in-District employees on the Schedule:
 - a. Effective July 1, 2016, administrators new to the District will be placed on the salary schedule as set out in 1. A.-C. and 2. above.

JNPSD DETACHMENT AND COMPENSATION

1. On September 16, 2014, a majority of voters in the proposed Jacksonville-North Pulaski area voted to detach that territory from the PCSSD to form a new school district. On November 13, 2014, the State Board of Education ordered the creation of the Jacksonville- North Pulaski School District (—JNPSDII).
2. There are ten existing PCSSD schools within the boundaries of the new JNPSD. They are: Jacksonville High, North Pulaski High, Jacksonville Middle, Adkins Pre-K, Arnold Drive Elementary, Bayou Meto Elementary, Dupree Elementary, Pinewood Elementary, Taylor Elementary, and Tolleson Elementary.
3. This is a new policy applicable to the staffing of the certified employees necessitated by the detachment of JNPSD, which is anticipated to become final on July 1, 2016. The overriding policy will be that each certified staff person will have the same teaching, administrative, or other assignment in the same building on June 30, 2016, that each person had on July 1, 2015. While JNPSD is a separate school district with its own school board, it presently operates for all purposes just as it did before detachment, i.e., as a part of Pulaski County Special School District (PCSSD). This is anticipated to remain unchanged until July 1, 2016. Until that date, all certified staff members are and will remain subject to the certified policies of PCSSD. The contractions, expansions, and other movements of the certified staff between now and June 30, 2016, will be managed without regard to the detachment.
4. Beginning immediately, those schools that will become part of the new JNPSD (as identified in paragraph 2), on the one hand, and those schools remaining within PCSSD, on the other hand, shall be treated as separate seniority centers so that there will be no movement of personnel between the two seniority centers. The intent of this provision is that a person assigned to one seniority center can exercise seniority only within the seniority center to which that person is assigned regardless of the purpose for exercising seniority.
5. The following shall be an exception to the preceding paragraph. A person displaced and unable to be placed by seniority in that person's seniority center, and therefore facing reduction in force, shall have a preferential right to interview for a vacancy for which licensed and otherwise qualified in the other seniority center.
6. On or before May 1, 2016, PCSSD will issue notice of non-renewal of the 2015-16 contract to all employees then assigned to the JNPSD schools identified in paragraph 2. The reason for the non-renewal will be to prevent the automatic renewal of such persons' PCSSD contracts on May 1, 2016. Employees subject to this non-renewal will not be placed on a recall list.
7. The uninterrupted employment of former PCSSD personnel by JNPSD will be a matter solely within the discretion of JNPSD and the former PCSSD employees. However, former PCSSD employees not employed by JNPSD will be eligible to apply for vacant positions for the 2016-17 school year in PCSSD.
8. To the extent this policy produces outcomes that conflict with or undermine PCSSD's efforts to comply with Plan 2000, and specifically Section L: Staffing, the administration shall have discretion to transfer employees from one seniority center to another if such a transfer would further PCSSD's efforts to obtain unitary status.
9. All provisions of the existing PCSSD certified personnel policies in conflict or inconsistent with this policy shall be considered amended to remove the conflict or inconsistency.
