GENERAL REPEALER AND ADOPTION POLICY

The policies hereinafter contained repeal and replace each and every separate personnel policy in force for classified employees in the Pulaski County Special School District (PCSSD), effective July 1, 2015. After July 1, 2015, the written policies contained herein are the sole and only personnel policies for classified employees of PCSSD. Modifications of these policies shall be made from time to time as determined necessary by the PCSSD Board of Directors ("Board" or "Board of Directors") in consultation with the Classified Personnel Policies Committee consistent with and as required by law. All such modifications shall be in writing and included in the master copy of this document maintained in the District Central Office.

PERSONNEL POLICIES GOALS

The Board recognizes that a dynamic and efficient staff is necessary for maintenance of a quality school system.

The Board's specific personnel goals are:

1. To recruit, select and employ the best qualified personnel to staff the school system.
2. To provide a staff development program for all employees in order to improve their performance and the overall rate of retention and promotion of staff.
3. To provide staff compensation and benefits programs sufficient to attract and retain qualified employees.
4. To conduct an employee appraisal program that will contribute to the continuous improvement of staff performance.
5. To provide for a genuine team approach to education, including staff involvement in planning, decision making and evaluation.
6. To develop a climate in which high level staff performance, morale and satisfaction are encouraged

PERSONNEL POLICIES COMMITTEE

The District shall have a Personnel Policies Committee (PPC) which will review school District personnel policies, guidelines, regulations and procedures that pertain to the terms and conditions of classified personnel employment. This includes, but is not limited to, benefits, compensation, workday designations, holidays and non-instructional days, the annual calendar, methods of evaluations, extra duties, leave, grievance, dismissal or non-renewal and reduction in force.

A committee on personnel policies for classified employees will be formed consisting of one (1) non-management classified representative from each of the following classifications:

- * Maintenance, Operation and Custodians;
- * Transportation
- * Child Nutrition
- * Clerical staff
- * Paraprofessionals, Intercessors
- * Nurses, Speech Pathologist, Physical Therapist, Occupational Therapist, School Psychologist and other classified staff not included in the above.

The non-management classified members shall be elected by a majority of all non-management classified employees voting by secret ballot. The election shall be solely and exclusively conducted by the classified employees, including the distribution of ballots. The election shall be conducted by mid-October. All election ballots and instructions pertaining to the election shall be retained for five school years, counting the election year as year one. The school district's Chief Financial Officer shall be responsible for determining the storage location and safeguarding the ballots for the five school years required by this policy.

Each of the six non-management positions elected during the fall of 2012 shall serve the terms as decided by the drawing of lots during the April 2013 regularly scheduled meeting of the Classified Personnel Policies Committee. The current PPC members' terms of office will be as follows:

One-year term:	Student Nutrition Clerical
Two-year term:	Maintenance/Operations/Custodians Transportation

Three-year term: Paraprofessionals/Intercessors
 Nurses/Therapists/School Psychologists/Others

All non-management positions elected during the 2013-14 school year and following will serve three-year terms. The election cycle shall be: 2013-14 year: Clerical and Student Nutrition; 2014-15 year: Maintenance/Operations/Custodians and Transportation; 2015-16 year: Paraprofessionals/Intercessors and Nurses/Others.

In the case of resignation of non-management members, the position will be filled by election during the next election cycle and will be for the completion of the term being filled. Should more than two non-management positions be vacant, a special election will be held to fill all vacant positions.

The committee will also consist of three (3) classified employee administrators, one (1) of which may be the Superintendent. The administrators on the committee shall be appointed by the Superintendent.

The PPC will organize itself in October of each school year. The Committee will receive no monetary compensation. A schedule of meeting dates will be developed. A chairperson will be elected by the committee and will be responsible for presenting policies to the Board at regularly scheduled board meetings. A secretary will also be elected by the committee and will be responsible for taking minutes and posting them on the website and at each building. The Board will receive copies of the minutes from each meeting.

The Superintendent may recommend any changes in personnel policies to the board of directors or the personnel policies committee.

The Board may adopt, reject, or refer to the committee on personnel policies for further study and revision, any proposed policies or amendments to existing policies that are submitted to the Board.

EQUAL EMPLOYMENT

PCSSD shall operate the school district consistent with all federal and state laws prohibiting discrimination. There is a detailed policy prohibiting a particular form of gender discrimination, sexual harassment. This policy is found beginning on page six (6) of these policies. This policy contains a procedure to be followed by an employee desiring to complain about this form of discrimination. The part of the policy dealing with making a complaint is found on page one-hundred (100) of these policies. All employees should note that the complaint procedure set forth in the sexual harassment policy is the same complaint procedure you should follow to complain about any other form of discrimination.

POLICY PROHIBITING SEXUAL HARASSMENT

Policy Overview

1. It is the goal of PCSSD to treat all employees equally and to promote a workplace that is free of sexual harassment. Sexual harassment of employees occurring in the workplace or in other settings in which employees may find themselves in connection with their employment is unlawful and will not be tolerated by PCSSD. Further, any retaliation against an individual who has complained about sexual harassment or retaliation against individuals for cooperating with an investigation of a sexual harassment complaint is similarly unlawful and will not be tolerated. To achieve our goal of providing a workplace free from sexual harassment, inappropriate conduct described in this policy will not be tolerated. This policy applies to all employees, supervisors, and agents. It also applies to those who are not employees but who have contact with employees during working hours.
2. Because PCSSD takes allegations of sexual harassment seriously, it will respond promptly to complaints of sexual harassment and, where it is determined that inappropriate conduct has occurred, the district will act promptly to eliminate the conduct and take appropriate corrective action as necessary, up to and including termination. It is every employee's responsibility to ensure his or her conduct does not violate this policy and does not imply harassment or retaliation in any form.

Definitions and Guidelines

1. Sexual harassment includes any unwelcome sexual advances, requests for sexual favors, and other verbal, visual or physical conduct of a sexual nature where tolerance of such actions is made a condition of employment, interferes with an individual's work performance, or creates an intimidating, hostile, or offensive work environment.
2. It is illegal and against PCSSD's policy for any employee, male or female, to harass another employee or to create a hostile working environment by either committing or encouraging the following:
 - a. Physical assaults on another employee, including but not limited to, rape, sexual battery, molestation, or attempts to commit these assaults

- b. Intentional physical conduct that is sexual in nature, including but not limited to, touching, pinching, patting, brushing up against another employee's body, or blocking normal movement
 - c. Interference with an employee's work because of his or her gender
 - d. Unwanted sexual advances, propositions, or sexual comments, including making sexual gestures, jokes, innuendoes, slurs, epithets, invitations, or comments made in the presence of any employee who has indicated that such conduct in his or her presence is unwelcome
 - e. Posting or displaying drawings, pictures, posters, calendars, graffiti, gestures, objects, or other materials that are sexual in nature or pornographic
 - f. Discriminating against any employee in work assignments or job related training solely because of his or her gender
3. It is illegal and against PCSSD's policy for any employee to make direct or implied requests of another for sexual favors in exchange for actual or promised job benefits such as favorable reviews, salary increases, promotions, increased benefits or continued employment or to avoid consequences such as demotion, termination, unfavorable reviews or unfavorable work assignments.
4. The creation of an intimidating, hostile, or offensive working environment may include such actions as persistent sexual comments or the display of obscene or sexually oriented photographs or drawings. However, conduct or actions that arise of a personal or social relationship and that are not intended to have a discriminatory employment effect may not be viewed as harassment. PCSSD will determine whether such conduct constitutes sexual harassment based on a review on the facts and circumstances of each situation.
5. PCSSD will not condone any sexual harassment of its employees. All employees, including supervisors and managers, will be subject to severe discipline, up to and including discharge, for any act of sexual harassment they commit.
6. All employees will be protected from coercion, intimidation, retaliation, interference, or discrimination as a result of filing a complaint or assisting in an investigation.

Complaints of Sexual Harassment

1. Any employee who perceives the comments, gestures, or actions of anyone including a supervisor, co-worker, customer, vendor, or visitor to be unlawful discrimination should immediately communicate to that person that such behavior is unwelcome. Failure to do so, however, does not prevent the employee from filing a complaint or in any way exonerate the harasser.
2. Any employee who has been harassed should immediately report the incident to his or her building principal or immediate supervisor. If the harassment involves the principal or supervisor, or if the employee does not feel it is appropriate to report it to the principal or supervisor, then the harassment should be reported to the superintendent. If the harassment involves the superintendent, or if the employee does not feel it is appropriate to report it to the superintendent, then the harassment should be reported to the president of the Board of Education. Whenever possible, the report of harassment should be in writing.
3. A principal or supervisor who receives a complaint or has knowledge of harassment shall promptly inform the superintendent, and a determination will then be made as to the nature and extent of any further investigation that may be warranted.

Sexual Harassment Investigation

1. Every reported incident of sexual harassment will be promptly investigated. Private interviews will be conducted with the person filing the complaint, any witnesses, and the person alleged to have committed sexual harassment.
2. PCSSD will act promptly to eliminate the offending conduct, and where appropriate, will impose disciplinary action.

Disciplinary Action

Upon conclusion of the investigation, PCSSD shall take all action it deems appropriate under the circumstances concerning the parties involved. Such actions may include, but are not limited to the following:

- * Termination
- * Suspension of employment without pay
- * Written or oral warning

- * Counseling
- * Transfer

A non-employee who subjects a PCSSD employee to sexual harassment will be immediately informed of PCSSD's sexual harassment policy by a member of the administration. Other action may be taken as appropriate and required by the specific circumstances.

Communication

In order to effectively communicate this policy to all PCSSD employees and ensure that all personnel decisions are in accordance with it, this policy will be distributed to all employees on an annual basis, in addition to the time of hire. It will also be available to employees upon request.

Other Forms of Discrimination or Harassment

While this policy refers to sexual harassment, it is the intent of PCSSD to provide a work environment for all employees which is free of harassment and discrimination whether based on sex, race, color, religion, sexual orientation, age, national origin, ethnicity, disability, veteran, marital status, or any other protected status defined by law. Accordingly, this policy also applies to other forms of discriminatory harassment, and employees should utilize these procedures to report complaints regarding other forms of discriminatory harassment.

STAFF ETHICS/CONFLICT OF INTEREST

The Board directs that no employee engage in, or have a financial interest in, any activity that raises a reasonable question of conflict with their duties and responsibilities as employees of the District. This means that:

1. Employees will not participate for financial remuneration in outside activities wherein their position is used to sell goods or services to District students or their parents.
2. Employees will not engage in any type of work when the source of information concerning customer, client or employee originates from information obtained through the District.
3. Employees will not engage in any type of work outside of his/her District employment which would interfere with District employment.
4. Employees will not be assigned in any position where the employee would be responsible to a relative.
5. Employees who are close relatives will not be assigned to the same administrative unit except by special permission of the Superintendent.
6. The District will follow the laws of the State of Arkansas regarding the employment of qualified relatives of members of the District's Board of Directors (A.C.A. 6-24-105).
7. Employees will disclose any direct or indirect interest they may have in a business that sells goods or services to the school district. Disclosure forms will be available in the Human Resources office. Directly interested means the employee receives compensation or other benefits personally from the business or has a financial interest in the business. Financial interest means ownership of more than five percent (5% interest), holding a position as an officer, director, trustee, partner, or other top level management, or being an employee, agent, independent contractor, or having any other arrangement in which the individual's compensation is based in whole or in part on transactions with the school district. Indirectly interested means the employee's family meets one or more of the above conditions. Family members mean spouse, children or spouse's children, spouse of children or spouse's children, parents or parents of spouse, siblings or siblings of spouse, anyone living or residing in the same residence or household or the same residence or household of spouse,

or anyone acting or serving as an agent or as an agent of the employee's spouse.

8. Employees shall not solicit, demand, accept or agree to accept any gratuity or offer of employment in connection with any contract or transaction of the school district.

STAFF CONDUCT

The Board believes that all employees share basic responsibilities for ongoing successful school operations. The Board requires of its employees that they:

1. Make themselves familiar with, and abide by, the laws of the state and the policies and regulations of the District as these affect their work.
2. Carry out assigned responsibilities with conscientious concern.
3. Exercise faithfulness and promptness in attendance at work.
4. Support and enforce policies of the Board and regulations of the school administration in regard to students.
5. Remain mindful that as employees in an educational setting, they are models that affect the development of young people.
6. Maintain in good standing any license required for their job assignment. These include, but are not limited to: Arkansas teaching certification; CDL license; plumbing, welding, and electrician license; ServSafe certification.
 - a. Lapse or revocation of a required license will result in disciplinary action up to and including job reassignment or termination.
7. All employees will comply with all state and federal laws regarding cell phone use and will refrain from using cell phones or other electronic devices for personal use during instructional time.

DISCIPLINARY ACTION POLICY

Orderly, responsible, and professional behavior by district employees is essential to maintain a quality educational environment. Such behavior is necessary both to enable the district to be managed efficiently and economically as custodian of taxpayer assets, and to establish and maintain good role models and examples for the students.

Therefore, the right of the district, acting through the superintendent and the building principals or equivalent immediate supervisors, to establish from time to time, and to enforce, rules and regulations regarding working practices, job performances, and personal conduct of employees is recognized, provided that such rules and regulations must be reasonable and consistent with these personnel policies.

Such rules will be in writing and posted internally with copies furnished to the Classified Personnel Policies Committee. Such rules are effective when published but are subject to the grievance procedure if their reasonableness is questioned.

Apart from specific rules, the obligation of each employee to conduct himself/herself in relation to his/her employment in a manner which respects the persons, property, and dignity of others is recognized.

It is also recognized that employee conduct away from and outside the workplace can have impact in the work and educational environment. When that impact is adverse, such conduct can be cause for discipline. Examples of such conduct would include, but not be limited to, violations of criminal laws, and violations of the policies governing sexual harassment, other discrimination, and fraternization with students.

No employee shall be disciplined without just cause. If an employee engages in conduct which is cause for discipline, the discipline may be by oral reprimand evidenced by written notation in the employee's personnel file, written reprimand and warning letter in the employee's personnel file, disciplinary layoff without pay for a specific number of days (which shall be accompanied by a written warning), or discharge. The severity of the discipline will be determined by the office imposing the discipline, taking into consideration the circumstances of the case and the severity of the offense. It is expressly recognized that repeated minor misconduct will, after warning, become cause for more serious discipline, up to and including discharge.

Procedures pertaining to recommendation of discharge for cause during the term of a contract, and suspension by the superintendent related to such recommendations are governed by statute in Arkansas and are not subject to this grievance procedure. However, all other applications of discipline are subject to the grievance procedure.

Voluntary Quit

Any employee who is absent from work for four (4) consecutive working days without notifying his supervisor of the absences will be considered as having voluntarily quit, unless the employee has a valid and sufficient reason for his failure to notify the supervisor.

POSSESSION OF FIREARMS ON SCHOOL PROPERTY

The District will follow Arkansas state law regarding the possession of firearms on school property.

1. No person shall possess a firearm:
 - a. Upon any District property;
 - b. In or upon any school bus; or
 - c. At a designated bus stop as identified on the route list published by the District each year.
2. A violation of this policy is a Class D felony.
3. No sentence imposed for a violation of this policy shall be suspended or probated or treated as a first offense under Arkansas § 16-93-301 et seq.

STAFF DRESS CODE

The image Pulaski County Special School District projects to our students, parents, and the public is reflected in the professionalism of its employees. Appropriate attire is an important part of our image as educators and role-models. In order to maintain this standard of professionalism, PCSSD has adopted a dress code for its staff.

The dress and grooming of District employees shall be clean, neat, appropriate for their assignments, and consistent with any additional standards established by school administrators and/or department directors and approved by the Superintendent.

STAFF CONDUCT WITH STUDENTS

A positive and professional interaction between students and faculty is extremely beneficial to the existence of a quality educational environment. It is therefore very desirable that relationships between students and faculty that foster such interaction should be encouraged. On the other hand, romantic and sexual relationships between employees and students are unhealthy, unsafe, and destructive to the people involved, as well as being the very antithesis of a quality educational environment. Therefore, any employee who engages in a sexual relationship or in a personal romantic relationship with a student will be subject to first offense discharge without further warning.

Sexual contact is a sufficiently clear term in that it requires no additional definition or amplification. The addition of romantic relationship to this prohibition is intended to make clear that it is not necessary to prove sexual contact between student and employee to have a violation of this policy. A romantic relationship, which is also prohibited, would be characterized by social contacts in the nature of dating and oral or written communications discussing strong affection or love for one another. Finally, a communication between an employee and student, whether oral, written, or electronic, that is sexually explicit or sexually suggestive is strongly indicative of improper conduct and the existence of a prohibited relationship.

It is the duty of every employee of the District to report to a building principal, equivalent immediate supervisor, or the Superintendent any conduct believed constitutes a violation of the fraternization policy. Failure to do so can itself be grounds for serious discipline up to and including termination.

STAFF GIFTS AND SOLICITATIONS

Gifts

The Board is aware that the custom of gift-giving is common to society as an expression of affection, gratitude and appreciation. The Board is also aware that the act of giving a gift may imply meanings not intended by either the donor or the recipient when either party has the authority or influence to affect the position of the other.

The Board believes that school personnel have an opportunity to teach and demonstrate by example that there are effective alternatives to expressions of personal feelings toward other persons. Those expressions in the schools may take the form of acts of appropriate conduct, efforts to achieve, cooperative work attitudes, pleasant dispositions and written expressions all of which are available without monetary costs.

The Board also believes that school employees should work in an environment that is as free as is possible from solicitations both from within the schools and from outside agencies.

District employees are prohibited from accepting items of material value from individuals or firms doing business with the District. Exception to this regulation is employee acceptance of minor items which are distributed by businesses through their public relations programs.

The Board, therefore, directs the Superintendent to develop regulations that will reduce to the lowest level possible the practices of giving and solicitations in the schools

Solicitation of Funds

Solicitation of funds among staff members for gifts for other employees will be permitted in special circumstances which could include but are not limited to bereavement or hospitalization of the employee, for mementos at retirement or transfer to another work location, or to acknowledge special occasions. Participation is at the sole discretion of the employee.

No organization may solicit from staff members within the schools or service units, nor may anyone distribute flyers or other materials related to fund drives through the schools without the approval of the Superintendent.

Staff members will not be made responsible, nor will they assume responsibility for, the collection of any money or distribution of any fund drive literature within the schools unless the activity has the Superintendent's approval.

DRUG FREE WORKPLACE

The District has a compelling interest in the safety of its students, as well as in their educational, social, and behavioral development. The District also has a compelling interest in providing its employees with a safe, healthy, and professional environment in which to work. To promote these and other legitimate interests, the District adopts this drug free workplace policy. It is, therefore, the District's policy that District employees are prohibited from engaging in any conduct at any place or any time that violates a state or federal criminal statute related to controlled substances, including the unlawful manufacture, distribution, dispensation, possession, or use thereof. Such actions are prohibited both while at work, and in the performance of work-related tasks while off District property. Violation of this policy will subject the employee to discipline, up to and including termination.

The District will establish a drug-free awareness program to inform employees about: the dangers of drug abuse in the workplace; the District's policy of maintaining a drug-free workplace; any available drug counseling, rehabilitation, and employee assistance abuse programs; and the penalties that may be imposed upon employees for drug abuse violations.

It is a violation of this policy for an employee to be under the influence of alcohol or a controlled substance while present at work, or performing work-related tasks while off District property. It shall not be necessary for an employee to be intoxicated to violate this policy. It is enough to constitute a violation that an employee physically manifests being under the influence of alcohol or a controlled substance. Those physical manifestations include, but are not limited to: unsteadiness; slurred speech; dilated or constricted pupils; incoherent or irrational speech; and the presence of an odor associated with a prohibited substance on one's breath or clothing. The fact that an employee may be unintentionally under the influence, *e.g.*, unexpected reaction to prescription medication, does not negate the violation of this policy, but is a factor to be considered in determining what punishment, if any, would result from the violation.

When the administration is confronted by an employee it suspects might be under the influence of alcohol or a controlled substance, it may request that the employee immediately submit to a chemical test of the employee's blood, breath, or urine to determine the presence of alcohol or a controlled substance therein. The test will be at the expense of the District. It will be conducted in the same manner as the tests in the student drug testing policy. Refusal of a test request by the employee will be considered by the administration as evidence of being under the influence.

Any employee who is charged with a violation of any state or federal criminal statute law relating to controlled substances must notify his supervisor of the charge within five (5) calendar days, excluding holidays, of having been charged. The supervisor who is notified of such a charge shall notify the Superintendent immediately. If the supervisor is not available to the employee for any reason, the employee shall notify the Superintendent within the five (5) day period.

Any employee convicted of any state or federal criminal drug statute violation shall report the conviction within five (5) calendar days to the Superintendent. Within ten (10) calendar days of receiving such notification, whether from the employee or any other source, the administration shall notify the federal granting agencies from which it receives funds of the conviction. Compliance with these requirements and prohibitions is mandatory and is a condition of employment.

Being convicted of violation of a state or federal criminal controlled substances statute is a disciplinary offense of the first magnitude which will normally result in first offense discharge without warning or progressive discipline.

Employees are reminded that reporting for work while impaired from prescription medications is a violation of this policy. The burden is on the employee to learn the possible effects of any prescribed medication and refrain from reporting to work in the same manner as the employee would for any other condition that makes the employee physically unable to perform his or her job.

Employees are also cautioned against bringing prescription medications to work even for legitimate self-medicating. This policy does not absolutely prohibit it because there are circumstances under which it is necessary and reasonable to have one's prescription medication at work. However, the burden is strictly on the employee to manage the situation in a manner that does not result in a violation of this policy, including being responsible for the medication not coming into the possession of another person. Remember that the fact that a prescription is required to obtain the medication means that it is a controlled substance. If there is any way to do it, the employee should manage without introducing the medication into the workplace.

The Superintendent is directed to develop and implement a mandatory employee drug and alcohol testing program for security guards, bus drivers, any employee required to transport students, all employees required to maintain a commercial driver's license which will include, but

not limited to, compliance with and enforcement of all state and federal laws, rules and regulations, and all employees who drive a vehicle owned or leased by the District or who receive compensation from the District for driving a vehicle or mileage reimbursement from the District for driving a privately-owned vehicle.

Employee Accident-Related Testing

The District will require an employee to undergo drug and/or alcohol testing as set out herein when involved in an accident in which the employee is considered at fault or which results in personal injury or property damage estimated to be in excess of \$250.00 while operating a vehicle owned, leased or rented by the District. A confirmed positive test, without adequate explanation, will result in termination. The testing requirements imposed herein shall be conducted in accordance with 49 CFR 382.303 and within the specific time limitations as set out therein.

DRUG FREE WORKPLACE POLICY ACKNOWLEDGMENT

I, _____, hereby certify that I have been presented with a copy of the Pulaski County Special School District's drug-free workplace policy, that I have read the statement, and that I will abide by its terms as a condition of my employment with the District.

TOBACCO-FREE WORKPLACE

Smoking is prohibited in all District buildings, property, and District-owned vehicles. For purposes of this policy, “smoking” will mean all uses of tobacco, including cigars, cigarettes, pipes and tobacco products, and the use of e-cigarettes.

STAFF HEALTH AND SAFETY

The Board, through its safety program and various policies pertaining to employees, will seek to assure the safety of employees during working hours and assist them in the maintenance of good health.

Employees in the District who have tested negative on annual tuberculosis testing in previous years will not be required to have an annual skin test. Employees new to the District and those employees who have previously tested positive are required to comply with law or regulation in regard to the tuberculosis testing and any other testing required for school employment.

District employees working in high risk positions will be required to become familiar with the safety guidelines and protective actions relative to their employment.

Whenever an employee's health appears to be a hazard to him, to other employees or students, or to interfere with his job performance, he may be required to undergo a medical examination at District expense.

POLITICAL ACTIVITIES AND ELECTION TO OFFICE

Employees of the District are encouraged to exercise their rights as citizens and run for election to or accept appointment to public office. This freedom is subject, however, to the following policies.

Employees elected or appointed to offices requiring some full-time service, such as the Arkansas General Assembly, may utilize the existing leave of absence policy and receive an unpaid leave for the actual period of full-time public service. Note that the Attorney General's opinion of Arkansas law is that the District is prohibited from granting employees time off with pay for the purpose of engaging in public service or related activities.

Employees may use their personal days, and if applicable, vacation days, for less than full-time public service and related activities under existing policies for utilization of such time off. Note that under existing District policies and Arkansas law, time off for public service is not reimbursable by using employee sick leave. Claiming employee sick leave time for reasons other than permitted by these policies and Arkansas law is fraudulent and could subject an employee to discipline up to and including discharge.

Under Arkansas law, a school board member cannot be employed by the school district on whose board of education the board member serves.

SOLICITATION AND PETITIONS

There shall be no systematic solicitation of any employee or any student, including circulation of petitions, by any other employee without first obtaining the express written permission of the building principal, department director, District-level administrator, or Superintendent. As a general rule, no form of solicitation not directly related to the educational process will be approved to be engaged in by any employee during times and in places where educational interaction between employees and students is taking place.

Only solicitation of students to participate in or support academic or extracurricular activities will normally be considered directly related to the educational process. Likewise, solicitations of students by employees or other students will generally be approved, only after close scrutiny to ensure that the activity does not interfere with the educational process.

Any solicitation of employees by other employees that is approved will generally be limited to non-working times and non-working areas of the buildings. It is the intent of this policy that it apply to all solicitation and that solicitation be broadly defined to include all requests by one person for action or inaction from another person.

PERSONNEL RECORDS

It is the intent of the Board that the District maintains one official personnel file for each employee in the Human Resources Department.

Information obtained prior to employment, including confidential placement papers, information prepared by an identifiable employment interview committee, and information obtained in connection with an interview for promotional purposes, will be maintained in an individual personnel file and will not be available to the employee for inspection without a court order.

Material of a derogatory nature will not be placed in the personnel file unless the employee has received a copy and has had an opportunity to review the material. The employee will have the right to submit a written answer to such material and attach it to the file copy.

Individual personnel files will be confidential and not open to public inspection unless required to be open pursuant to the terms of the Arkansas Freedom of Information Act or Federal Privacy Act.

Access to an employee's personnel file during normal circumstances will be limited to the Superintendent or designee(s) or other school administrators who have a proper purpose.

An employee or his designee will have access to the official personnel file during regular working hours and such authorization of a designee will be in writing.

An employee may duplicate any material contained in the file without charge.

A log will be maintained showing the names of persons who examine the contents of the file and the dates on which the file was examined.

If an employee's personnel file or any of its contents are subpoenaed in accordance with a legal proceeding or examined as part of a law enforcement inquiry or a governmental agency investigation, the employee will be notified in writing.

CLASSIFIED STAFF ASSIGNMENTS AND TRANSFERS

Each employee of the Board will be assigned to a position at the direction of the Superintendent and may be transferred to any other position as the Superintendent may direct.

Transfers made at the initiative of the Superintendent will be for efficient staffing of the schools and service units and to most effectively utilize the skills of the employee. An administrative transfer or reassignment will be made only after a conference with the employee involved.

In the determination of requests for transfer or reassignment, the convenience and wishes of the individual employee will be honored to the extent that they do not conflict with the Superintendent's judgment concerning effective operations of the District.

Within an individual school or service unit, a principal or other classified staff supervisor may assign classified staff members to tasks appropriate to their positions and qualifications.

COMPENSATION AND CONTRACTS

The Board will seek to attract and keep concerned and capable employees to carry out support services assignments. Initial compensation and compensation plans for classified staff will take into consideration the responsibilities of the position, qualifications needed, past experience of the individual and years of service to the District, and will be in accordance with established regulations and prevailing statute.

The Board will review all classified staff compensation plans annually and once adopted by the Board the plans will be considered as current policy.

Upon recommendation of the Superintendent, the Board will award individual contracts to classified staff.

Return of Contract

An employee shall have thirty (30) days from the date of the receipt of his contract for the following school year in which to return the contract, signed, to the office of Human Resources. The date of receipt of the contract shall be presumed to be the date of the contract.

Failure of an employee to return the signed contract within thirty (30) days shall operate as a resignation by the employee. No further action on the part of the employee, the Superintendent, or of the School Board shall be required in order to make the employee's resignation final.

Placement on Salary Schedule

1. All relevant job experience will be considered for placement on the salary schedule when a new employee is hired or when a District employee changes jobs.
2. Securing written verification of experience from a previous employer will be the responsibility of the employee and must be presented within thirty (30) calendar days of employment or job change.
3. Employees hired before July 1, 2013, may provide his or her immediate supervisor with written verification of experience relevant to their current job if they believe they have more years of experience than they are being credited for on the salary schedule. If the

immediate supervisor believes the experience to be relevant to the employee's current job, he/she will recommend that the District's Human Resources Department verify the experience documented by the employee. The employee must submit the written verification of experience to his or her immediate supervisor no later than January 2, 2015.

4. If the District's Human Resources Department verifies the relevant experience submitted by the employee, the employee will be allowed to advance on the salary schedule up to the placement on the salary schedule that reflects all relevant years of experience. The additional advancement on the salary schedule will begin with the 2015-2016 school year.

Attendance Incentive

Each employee who has been employed by the District for a minimum of three (3) years who retires under the Arkansas Teacher Retirement System or the Arkansas Public Employees Retirement System shall be paid the certified substitute teacher rate of pay for each sick leave day remaining at the end of the employee's final year of employment with the District.

- a. Eligible employees shall be compensated for all unused sick leave days on or before July 31.
- b. Payment shall be made in one (1) lump sum separate from regular salary payments due to the employee.
- c. Pay Periods

1. Each employee will be paid on twenty-six (26) biweekly installments on Fridays, unless the Friday is a holiday, wherein the employee will be paid on the earliest preceding day. When

the calendar has fifty-three (53) Fridays, employees will be paid in twenty-seven (27) biweekly installments.

2. All checks will be delivered on or before June 30 of each year.

Bus Driver Supplemental Salary Conditions

1. Bus drivers employed after September 30, 2008:
 - a. The pay for out-of-district behavioral routes that serve non-district sites which transport students who are identified as requiring specialized transportation as a related service according to Section 504 or IDEA will be paid at their base rate of pay.
 - b. Drivers assigned behavior routes prior to September 30, 2008 will receive compensation at Range 12, Step 26 of the Salary Schedule.

National Board Certification Incentive Pay

3. The annual stipend will be paid in one (1) installment by June 1.

DISTRIBUTION OF PAYCHECKS

Beginning July 1, 2015, all paychecks will be issued by Direct Deposit. Employees may obtain the Direct Deposit Authorization Form from the District's web site or from the office of their immediate supervisor. The authorization form must be submitted to the district's payroll office at least thirty days prior to the employee's first paycheck for the ~~2015-2016~~ school year.

The district will make available a pay card whereby an employee's paycheck can be direct deposited if a bank account is not available. Information regarding the pay card can be obtained from the district's web site or from the district's payroll department.

CLASSIFIED PERSONNEL SALARY SCHEDULES

In order to implement the following salary schedules for the 2013-2014 school year, each employee will be placed on the experience step within the applicable range that is closest to, without being less than, his or her pay rate for the 2012-2013 school year, and then advanced one experience step for the 2013-2014 school year. An employee must work a minimum of 160 days in order to qualify for an experience step increase the following year.

Converting from Daily Rate to Hourly Rate

If a position is paid from a daily rate salary schedule for 2012-2013 and is changed to an hourly rate salary schedule for 2013-2014, the hourly rate for 2012-2013 will be calculated by dividing the daily rate by the scheduled hours of work per day. If rounding is necessary to determine the hourly rate for 2012-2013, the rate will be rounded to the nearest cent with a half-cent or more rounding up, and less than a half-cent rounding down.

Contracted Bus Drivers-Regular Routes

The 2012-2013 Bus Driver Salary Schedule is stated as a daily rate, depending on the length of the route. Those daily rates will be divided by five in order to determine the hourly rate for 2012-2013. Rounding and placement on the 2013-2014 salary schedule will then follow the above process. Contracted Bus Drivers with regular routes will be paid from the non-exempt (hourly) salary schedule, Range 12. Beginning with the 2013-2014 school year, Bus Drivers will be given the opportunity to work a minimum of five hours per day. The first six hours of each bus driver's work day will be paid at the hourly rate determined by the above process, Range 12. All hours per day in excess of six will be paid at the rate stated on the non-exempt (hourly) salary schedule, Range 1, Experience Step 1. If the regular route exceeds a total of six hours during a day due to a mechanical failure, accident, inclement weather, or other unusual occurrence beyond the bus driver's control, the Director of Transportation may approve the payment of the Range 12 hourly rate for more than six hours.

Contracted Substitute Bus Drivers

The same process used for Contracted Bus Drivers with regular routes will apply to Contracted Substitute Bus Drivers with the exception of the range of pay for the first six hours of each work

day. Contracted Substitute Bus Drivers will be paid from Range 9 of the non-exempt (hourly) salary schedule.

Non-Contracted Substitute Bus Drivers

Non-contracted Substitute Bus Drivers will be paid from the non-exempt (hourly) salary schedule, Range 9, Experience Step 1, for the first six hours worked each day. After six hours, the rate will be per Range 1, Experience Step 1. If the regular route exceeds a total of six hours during a day due to a mechanical failure, accident, inclement weather, or other unusual occurrence beyond the bus driver's control, the Director of Transportation may approve the payment of the Range 9, Step 1, hourly rate for more than six hours.

OVERTIME, COMPENSATORY TIME, and COMPLYING WITH FLSA

The Pulaski County Special School District shall comply with those portions of the Fair Labor Standards Act that relate to the operation of public schools. The act requires that covered employees be compensated for all hours worked at greater than or equal to the applicable minimum wage for workweeks of less than or equal to 40 hours.^A It also requires that employees be compensated for workweeks of greater than 40 hours at 1.5 times their regular rate of pay either monetarily or through compensatory time^C.

Definitions

Overtime is hours worked in excess of 40 per workweek. Compensation given for hours not worked such as for holidays or sick days do not count in determining hours worked per workweek.^D

Workweek is the seven day consecutive period of time from 12:00 a.m. on Saturday to midnight on the following Friday. Each workweek is independent of every other workweek for the purpose of determining the number of hours worked and the remuneration entitled to by the employee for that week.^E

Exempt Employees are those employees who are not covered under the FLSA.^F They include administrators and professional employees such as teachers, counselors, nurses, and supervisors. Any employee who is unsure of his/her coverage status should consult with the District's Administration.

Covered Employees (also defined as non-exempt employees) are those employees who are not exempt, and include, but are not limited to, bus drivers, clerical workers, maintenance personnel, custodians, transportation workers, receptionists, paraprofessionals, food service workers, secretaries, bookkeepers and security officers.

Regular Rate of Pay includes all forms of remuneration for employment and for covered employees shall be expressed as an hourly rate.^G Covered employees shall be paid for each and every hour worked.

Employment Relationships

The District does not have an employment relationship in the following instances:

1. Between the District and student teachers;
2. Between the District and its students;
3. Between the District and individuals who work as a public service volunteer or donate their time to the District without expectation or promise of compensation.

The District does not have a joint employment relationship in the following instances:

1. Between the District and off-duty policemen or deputies who are hired on a part-time basis for security purposes or crowd control. The District is separate from and acts independently of other governmental entities.
2. Between the District and any agency contracted with to provide transportation services, security services, or other services.

Hours Worked

Covered employees shall be compensated for all the time they are required to be on duty^H and shall be paid for all hours worked each workweek. Covered employees shall accurately record the hours they work each week.^I

Employees are to use the Time Clock Plus System to accurately record the hours they work. Each employee shall record the exact time they commence and cease work including meal breaks. Employees arriving early may socialize with fellow workers who are off the clock, but shall not commence working without first recording their starting time.^J

Employees shall sign in/clock in where they start work and sign out/clock out at the site where they cease working. Employees who do not start and end their workday at the same site shall carry a time card or sheet with them to accurately record their times. They shall turn in their completed and signed time sheets or cards after reviewing them to be sure that they accurately reflect their hours worked for that week. They shall turn in the completed and signed time sheets or cards at the time and location specified by their supervisor.

Each employee is to personally record his or her own times. Any employee who signs in or out (or who punches a time clock) for another employee or who asks another employee to do so for him or her will be recommended for termination.

Employees whose normal workweek is less than 40 hours and who work more than their normal number of hours in a given workweek may, at the District's option, be given compensatory time for the hours they worked in excess of their normal workweek in lieu of their regular rate pay. Compensatory time given in this manner shall be subject to the same conditions regarding accumulation and use as compensatory time given in lieu of overtime pay.

Meals

Meal periods which are less than 30 minutes in length or in which the employee is not relieved of duty are compensable.^L Employees with a bona fide meal period shall be completely relieved of their duty to allow them to eat their meal which they may do away from their work site, in the school cafeteria, or in a break area.

Overtime

Covered employees shall be compensated at not less than 1.5 times his or her regular rate of pay for all hours physically worked over 40 in a workweek.^M Overtime compensation shall be computed on the basis of the hours worked in each week and may not be waived by either the employee or the District. Overtime compensation shall be paid on the next regular payday for the period in which the overtime was earned.^N

Covered employees working two or more jobs for the District at different rates of pay shall be paid overtime at a weighted average of the differing wages.^O This shall be determined by dividing the total regular remuneration for all hours worked by the number of hours worked in that week to arrive at the weighted average. One half that rate is then multiplied times the number of hours worked over 40 to arrive at the overtime compensation due.

Provided the covered employee and the District have a written agreement before the work is performed,^P compensatory time off may be awarded in lieu of overtime pay for hours worked over 40 in a workweek and shall be awarded at 1.5 times each hour of overtime worked.^Q The District reserves the right to determine if it will award compensatory time in lieu of monetary pay for the overtime worked. The maximum number of compensatory hours an employee may

accumulate at a time is 40. The employee must be able to take the compensatory time off within a reasonable period of time that is not unduly disruptive to the District.

An employee whose employment is terminated with the District, whether by the District or the employee, shall receive monetary compensation for unused compensatory time. Of the following methods, the one that yields the greatest money for the employee shall be used.

1. The average regular rate received by the employee during the last 3 years of employment.
- Or
2. The final regular rate received by the employee.^R

Compensatory Time for Exempt Employees

Exempt employees are not eligible for overtime pay and may be required to work past their normal scheduled work hours when necessary to accomplish a critical task or meet an important deadline. In limited and unusual circumstances that call for an extended period of working more than 40 hours per week, compensatory time may be granted. Compensatory time will be equal to hours worked above 40 hours per week and will only be granted if the exempt employee and his or her supervisor have a written agreement before the work is performed. Compensatory time earned by exempt employees will be recorded in one-hour increments and will not accrue in excess of 80 total hours. Compensatory time will be taken in 1 hour increments and must be pre-approved by the employee's supervisor.

Overtime Authorization

There will be instances where the District's needs necessitate an employee work overtime. It is the Board's desire to keep overtime worked to a minimum. To facilitate this, employees shall receive authorization from their supervisor in advance of working overtime except in the rare instance when it is unforeseen and unavoidable.

All overtime worked will be paid in accordance with the provisions of the FLSA, but unless the overtime was pre-approved or fit into the exceptions noted previously, disciplinary action must be taken for failure to follow District policy. In extreme and repeated cases, disciplinary action could include the termination of the employee.

Leave Requests

All covered employees shall submit a leave request form prior to taking the leave if possible. If, due to unforeseen or emergency circumstances, advance request was not possible, the leave form shall be turned in the day the employee returns to work. Unless specifically granted by the Board for special circumstances, the reason necessitating the leave must fall within District policy.

Payment for leave could be delayed or not occur if an employee fails to turn in the required leave form. Leave for covered employees will accumulate in 1 hour increments and may be taken in a minimum of 15 minute increments. Leave for exempt employees whose pay is stated as a daily rate will accumulate in 1 day increments and may be taken in a minimum of one-quarter day increments.

Record Keeping^S and Postings^T

The District shall keep and maintain records as required by the FLSA for the period of time^U required by the act.

The District shall display minimum wage posters where employees can readily observe them.

Cooperation with Enforcement Officials^V

All records relating to the FLSA shall be available for inspection by, and District employees shall cooperate fully with, officials from the DOL and/or its authorized representatives in the performance of their jobs relating to:

1. Investigating and gathering data regarding the wages, hours, and other conditions and practices of employment;
2. Entering, inspecting, and/or transcribing the premises and its records;
3. Questioning employees and investigating such facts as the inspectors deem necessary to determine whether any person has violated any provision of the FLSA.

The District will attempt to provide a competitive benefits package with a mix of both employer-paid and voluntary employee benefit products which may include, but are not limited to, dental, vision, short-term disability, long-term disability, life insurance and accidental death and dismemberment insurance products. PCSSD will continue to fund this employee benefit package at an average cost per employee per month of at least \$45.00.

The District shall implement a Section 125 Plan (Cafeteria Plan) that allows employees to pay for the cost of eligible premiums, co-pays or deductions with pre-tax dollars on a monthly basis.

1. Upon written request of the employee, the District agrees to provide all information necessary to allow for the smooth transition from payroll deduct.
2. The employee's written request must be submitted to the District's Chief Financial Officer (CFO) no later than February 1.

3. The District's CFO shall provide the requested information to the employee no later than March 1.

TRAVEL REIMBURSEMENT

The Board of Education recognizes the importance and desirability for school personnel to make out-of-district trips on school business. Trips may include, but not be limited to, attendance at meetings, such as state and national conferences/workshops, and observational visits to other schools. It is encouraged that conferences and meetings be tied to the building's Comprehensive School Improvement Plan.

If a school vehicle is not available or an employee provides personal transportation, mileage will be reimbursed at the same rate as the Arkansas State mileage reimbursement rate. Mileage may be verified using the www.mapquest.com. Staff members traveling to the same meeting are directed to car pool when practical.

Meals will be reimbursed for travel requiring overnight lodging. No more than forty-two dollars (\$42.00) per day (breakfast \$8.00; lunch \$14.00; and dinner \$20.00) will be reimbursed. Gratuity is not a reimbursable expense unless it is a non-voluntary charge added by the establishment. There will be no meal reimbursement for one-day trips.

The District will pay for overnight lodging for the employee only. This amount will be whatever is the conference rate and/or approved rate by the supervisor of the employee at the hotel that is closest to the traveler's work assignment and/or meeting. Overnight trips are discouraged unless necessary. Therefore, employees are directed to travel the day of the event if the event is within two hours normal driving time and the event begins at 8:00 a.m. or later. Double occupancy is expected when more than one employee attends the same event and gender permits room sharing. Hotel receipts are required and should be turned in to the central office immediately upon return to the District.

Among the charges that the District will not reimburse are:

- * Valet parking
- * Personal phone calls
- * Rental of videos or in-room movies
- * Alcoholic beverages
- * Gasoline receipts, if receiving mileage reimbursement

Out-of-District Travel Guidelines/Procedures:

1. All travel must be pre-approved (even if there is no cost to the District).
2. The Request for Leave form will be used to pre-approve and authorize travel as well as approve reimbursement of estimated expenses.
3. Travel is requested on the Request for Leave form and should be given to the employee's supervisor for approval at least two weeks prior to the travel date.
4. The traveler is to complete an Expense Voucher form for each separate check to be issued.
5. The traveler is to complete any paperwork (registration form, etc.) in its entirety and attach to the corresponding expense voucher.
6. Supervisors are responsible for ensuring that expenditures are within District guidelines

In-District Travel Guidelines/Procedures:

Staff members who are required to travel from building to building during the regular work-day will be reimbursed at the same rate as the Arkansas State mileage reimbursement rate. The reimbursement will only be for required daily travel from one building to another. Mileage will only be paid for one way between buildings, unless the employee is required to travel back to his/her beginning location during regular work hours.

It will be the employee's responsibility to get from home to work and from work back home. The employee will be responsible for submitting an in-district travel form at the end of each month for reimbursement. Travel time between schools will not be required during a teacher's lunch period or a teacher's preparation period.

EVALUATION

The work and disciplinary performance of all employees should be continuously evaluated by the department heads or the immediate supervisors so that at any time an employee wants to ask, he or she will be able to get an accurate answer to the question, "How am I doing in my job?" Therefore, a written performance evaluation shall be performed at least annually.

If informal notice does not accomplish improved performance, attendance, or other behavior, written notice of the deficiency will be used, which notice must identify the problem and state the consequences of continued poor performance, attendance, or other behavior. Written performance improvement plans are not necessary in dealing with most common deficiencies in classified personnel. However, their use is encouraged when dealing with issues of skill, speed, and attentiveness in performance of one's job.

Sick Leave

1. Each full-time eight (8) hour classified staff employee under a written contract will accrue sick leave at the rate of one (1) day per contract as follows:

However, if an employee has frequent absences of less than five (5) days, the supervisor may request appropriate documentation.

6. Unused sick leave shall accumulate from year to year up to a maximum of 125 days. At the point an employee has accumulated 125 days of sick leave he/she will be compensated at the certified substitute teacher rate of pay for days in excess of 125 days.

An employee wanting to donate sick leave shall complete an online form and submit it to Human Resources. The form will identify the employee in need of sick leave and the number of days to be donated.

The employee in need of sick leave can receive up to ten (10) days of sick leave from other employees. Once he or she receives the maximum ten (10) days of sick leave, all other donations will be denied.

Sick Leave: Excessive and Grossly Excessive

1. Excessive Sick Leave is absence from work, whether paid or unpaid, that exceeds twelve (12) days in a contract year for an employee and that is not excused pursuant to: District policy; Family Medical Leave Act; a reasonable accommodation of disability under the American's With Disabilities Act; or due to a compensable Workers' Compensation claim.

3. Current Sick Leave means those days of sick leave for the current contract year, which leave is granted at the rate of one (1) day of sick leave per contracted month, or major part thereof.

At the discretion of the principal (or Superintendent), and, if FMLA is applicable, subject to the certification or recertification provisions contained in policy FAMILY MEDICAL LEAVE or Extended Leave, the District may require a written statement from the employee's physician documenting the employee's illness. Failure to provide such documentation of illness may result in sick leave not being paid, or in discipline up to and including termination.

If an employee's absences are excessive or grossly excessive as defined by this policy frequently during a school year, and said absences are not subject to FMLA leave or are in excess of what is protected under FMLA, to the extent that the employee is not carrying out his assigned duties to an extent that the education of students is substantially adversely affected (at the determination of the principal or Superintendent), may result in dismissal.

 - a. If the employee contests the decision of the physician, the employee may select another physician for a second opinion at the employee's expense.
 - b. If the second opinion differs from the first, the two physicians will name a third physician whose decision will be final. This examination will be at the District's expense.
2. In serious situations, the employee may be placed on disability leave with pay pending a medical decision regarding the employee's ability to perform.
3. If the employee chooses not to get the physical examination, the District will take the appropriate action deemed necessary by the Superintendent.
4. An employee with a disability who is unable to fulfill his job duties according to the physician's statement, may request sick leave, and upon exhaustion of sick leave may apply for extended illness leave as needed.
5. Before returning to work, the employee may be required by the Superintendent to have an examination by a physician of the District's choice and at District expense.
6. If a dispute arises regarding the employee's fitness to return to work, the procedure used in 1. a. and b. above will be used.
7. All employees who are involved in the accusation that an employee is disabled may be held liable under law.

Family Medical Leave Act

The FMLA entitles eligible employees of covered employers to take unpaid, job-protected leave for specified family and medical reasons with continuation of group health insurance coverage under the same terms and conditions as if the employee had not taken leave.

Eligible employees are entitled to:

6. During the leave the employee will continue to accrue seniority as if in the District's continued employment.
7. Such leave of absence will be in addition to the regular paid vacation time allowed to eligible employees.

8. The employee will retain the amount of his military base pay, quarters and subsistence pay.
9. Notification of intent to return from any leave without pay in excess of thirty (30) days must be sent by the employee to the Personnel Division no less than ten (10) days before the expiration date of the approved leave. Failure to comply with this provision will be viewed as abandonment of position and may result in the termination of the employee on leave.

Personal Leave

1. Employees will be granted two (2) paid leave days for personal reasons.
 - a. These days shall be in addition to sick leave days credited and if not used shall accumulate from year to year as sick leave.
2. Personal business will be defined as business that cannot be conducted at a time other than the regular work day.

SICK LEAVE BANK

At the beginning of each school year, any employee, whether licensed or classified, may voluntarily contribute one day of his/her sick leave allowance to a Sick Leave Bank (SLB). Any employee who is on contract before Labor Day and wishes to make a contribution to the SLB shall do so on a SLB form submitted to the payroll clerk by the end of business on September 15th or the Monday after if the 15th falls on a weekend. The payroll clerk will provide a list of SLB members to the PPC Chairperson by September 30th or the Monday after if the 30th falls on a weekend

For any licensed or classified personnel hired after Labor Day, he/she may voluntarily contribute one day of his/her sick leave allowance to the SLB. Each employee wishing to make such a contribution shall do so on a SLB form submitted to the payroll clerk by the end of business twenty (20) school days from their hire date.

A five-member committee shall oversee the administration of the SLB with the assistance of the Superintendent. The committee shall be compromised of the Certified Personnel Policies Committee Chairperson, the Classified Personnel Policies Committee Chairperson, one certified employee appointed by the Superintendent, one classified employee appointed by the Superintendent, and the District's Facilitator of Health Services. Each member shall have one vote. Their term of office shall be one (1) year. The SLB committee shall decide on requests based on the committee's rules of operation.

The Sick Leave Bank Committee shall administer the bank according to the following rules:

Rules of Operation

Only employees who have made an up-to-date contribution to the sick leave bank are eligible to make withdrawals from the bank.

The Sick Leave Bank days may be used only upon exhaustion of a bank member's accumulated sick leave, vacation days and personal leave days whichever is/are applicable with the option of using their spouse's sick leave days.

SLB days will be granted only in cases of an emergency caused by a **catastrophic illness or catastrophic accident** pertaining to a SLB member and their immediate family. Immediate family is defined as spouse, children, and/or parent of the SLB member. In-laws are not included in this definition unless they live in the SLB member's home.

Requests for Sick Leave Bank days can be made by submitting a completed Sick Leave Bank Questionnaire and Physician's Statement and Authorization to Disclose Health Information to the chairperson or any member of the SLB Committee. Upon receipt the SLB committee member shall mark the date received on the forms.

Once the SLB committee chairperson has received the request for SLB days, he/she shall present the request to the SLB committee for the committee's decision(s) to be processed with the next payroll. The SLB committee will meet as necessary to consider SLB requests. During this meeting, the members of the committee shall decide if more information is necessary or if any SLB days shall be granted.

The committee discussions, member medical information, and member names involved in committee decisions in part or in whole shall be considered confidential information. As such, ONLY the requesting member shall make any of the prior public.

Communication concerning the member's medical information and any related details shall be for the sole purpose of determining the SLB committee decision.

Once the SLB committee has made its decision concerning a member's request, the decision shall be communicated to the member by the SLB committee chairperson in a timely manner.

SLB days will be granted monthly and only for the days already missed due to the catastrophic event stated on a member's request form. The member shall be required to provide a doctor's written verification stating when he/she is physically able to return to work.

Sick leave grants made from the bank may be for up to thirty (30) days per member per application not to exceed sixty (60) days per year if the days are available. An employee who is granted days from the SLB is obligated to donate one (1) sick day back to the bank at the beginning of the following school year in an effort to keep the SLB solvent.

The bank will be considered to be insolvent when the number of SLB days drops below one hundred fifty (150). When the SLB Committee determines more days are needed for the bank to remain solvent, the request for SLB days shall be broadcast in each building, and non-members shall be given the opportunity to enroll. A current SLB member's failure to contribute at this time will result in termination as a bank member unless the employee is currently in the process of requesting days at the time the SLB becomes insolvent.

Employees who are granted short-term disability will receive one (1) day for each day granted from the Sick Leave Bank for the first fourteen (14) days of leave; on the fifteenth (15th) through sixtieth (60th) days, the employee will receive ½ day for each day granted from the Sick Leave Bank. Days remaining in the SLB shall be carried over from year to year.

If SLB days are denied, the member may appeal to the SLB committee. The requesting member shall appear at the appeal hearing. At that time the SLB committee may require additional information. A majority opinion will prevail at the appeal.

Retiring employees may donate sick days to the SLB rather than be paid for them under the policies on Licensed Personnel: Payment for Unused Sick Leave and Classified Personnel: Payment for Unused Sick Leave.

INCLEMENT WEATHER

From time to time, we experience weather events that result in school being canceled. The PCSSD Board adopts the following policy:

1. There is a difference between classes being canceled and the school district being closed.
2. When classes are canceled all students and employees with contracts coinciding with instructional days are excused from reporting for school/work. The days will be made up.
3. Cancellation of classes does not, however, excuse twelve month employees from reporting to work as scheduled.
4. The only time twelve month employees are excused from reporting on scheduled work days is when conditions require that the school district is closed.
5. Inability of a twelve month employee to report for work on a classes-canceled/school district open day will be treated the same as any other absence from work with regard to notice of absence, use of available leave time, and other issues related to missing work on a scheduled work day.
6. The superintendent has the sole discretion to decide whether to cancel classes and whether to close the school district. Announcements regarding cancellation of classes and closing the school district will be made on local radio/television stations and by using the Alert Now contact numbers. The announcement will make clear whether the decision is simply to cancel classes, or also to close the school district, or both. The superintendent shall use his best efforts to make and announce this decision prior to 6:00 a.m.

SEPARATION OF EMPLOYEES

Termination and nonrenewal of licensed and classified employees are governed by statutes in Arkansas. See, A.C.A. §§6-17-1501, et seq., for licensed employees, and §§6-17-1701, et seq., for classified employees. In the past, an effort has been made to reproduce these statutes in these policies. This has caused confusion because changes in the laws leave the district with written policies that are inconsistent with state statutes.

Therefore, the District is repealing its older policies and adopting this policy of simply complying with the aforesaid statutes in its dealings with its licensed employees. It is not the intention of the District in repealing the prior policies to diminish the substantive or procedural rights of licensed and classified employees. Any employee with questions about the content of any pertinent statute may inquire at the Superintendent's office where every reasonable effort will be made to respond quickly and accurately.

SUPPORT STAFF SENIORITY

District seniority will mean the most recent period of continuous employment in the District as a contracted employee. Temporary employees without a written contract will not accrue seniority. An employee's resignation, retirement, termination for cause, or voluntary quit will terminate District seniority. If an employee returns to employment under the provisions of the Recall Policy, they will maintain their District seniority.

REDUCTION IN FORCE POLICY

Basic Considerations

1. The number and position titles of support staff personnel will be determined through an allocation system based on defined needs as recommended by the Superintendent and approved by the Board.
2. When it becomes necessary to reduce the size of the support staff work force, only those positions that are actually filled will be considered in the reduction. The Superintendent will recommend to the Board the divisional categories and number of positions to be reduced.
3. Assurance of an experienced support staff work force will be accomplished through use of a seniority system outlined in the procedures below.

Procedures

1. Prior to commencing action for reduction of classified staff personnel, the greatest possible reduction will be accomplished through attrition.
2. Remaining reduction in the number of positions will be accomplished through layoff.
3. Identification of affected classified staff members in a specific divisional category will be as follows:
 - a. The Division of Human Resources will establish a divisional position listing by District seniority.
 - b. Employees with the least District seniority in a position within the divisional category to be reduced will be identified by the District as affected by the reduction process.
 - c. An affected employee will be allowed to transfer into any open position with the same or lessor pay range and same or fewer number of contract days provided he/she is fully qualified for the position.
 - i. If there are no open positions equal to the affected employee's position, they may bump the least-senior employee in a position with an equal or lessor pay range

and same or fewer number of days, provided they previously held the position or can prove they are qualified for the position.

- ii. In no instance may the affected employee bump an employee with more District seniority.
4. Layoff will be applied to all employees not retained by the procedure in item three (3).
 5. All personnel to be laid off will be notified in writing as soon as possible after procedures one through four (1-4) have been accomplished. Layoff notices will be sent to the building principal or immediate supervisor for delivery to the employee who has been laid off.
 6. When notifying employees to be reassigned, the employees will be given all information on positions available including location. Employees will be given 24 hours from the time of notification in which to notify the Human Resources Division of their decision. If, after 24 hours, the employee has not notified the Human Resources division of a decision, Human Resources will make the assignment.
 7. In the event there is a tie in the length of service (seniority) within the divisional category to be reduced, the tie will be broken by applying the factors of performance, ability, attendance and skill as determined by the employee's evaluations and work history.
 8. Performance, ability and skill will outweigh seniority only when the written justification of the employee's supervisor is accepted and approved by the Superintendent.

Recall Procedure

1. Employees who have been laid-off will be placed on a recall list according to position title code and district seniority within that title, and remain on the list for a period of two (2) years.
 - a. When an employee is recalled to a position, they must accept the position within 24 hours of receiving notification or he/she will forfeit his/her recall rights.
2. It is the responsibility of each individual on layoff status to keep the Human Resources Division informed of his current address and telephone number.

PERSONNEL OUTSIDE EMPLOYMENT

No employee of the District shall become an employee, agent, or independent contractor for anyone if that relationship would violate the ethical standards established by A.C.A. §6-24-106, 107, or 111.

PERSONNEL RESPONSIBILITIES GOVERNING BULLYING

Definition: Bullying is any pattern of behavior by a student, or a group of students, that is intended to harass, intimidate, ridicule, humiliate, or instill fear in another child or group of children. Bullying behavior can be a threat of, or actual, physical harm or it can be verbal abuse of the child. Bullying is a series of recurring actions committed over a period of time directed toward one student, or successive, separate actions directed against multiple students.

Teachers and other school employees who have witnessed or are reliably informed that a student has been a victim of bullying as defined in this policy, including a single action which if allowed to continue would constitute bullying, shall report the incident(s) to the principal. The principal or his/her designee shall be responsible for investigating the incident(s) to determine if disciplinary action is warranted. Also, District staff are required to help enforce implementation of the district's anti-bullying policy. However, any school or district employee who has reported violations under the school district's policy shall be immune from any tort liability which may arise from the failure to remedy the reported incident.

Students who bully another person are to be held accountable for their actions whether it occurs on school grounds; off school grounds at a school sponsored or approved function, activity, or event; or going to or from school or a school activity. Students are encouraged to report behavior they consider to be bullying, including a single action which if allowed to continue would constitute bullying, to their teacher or the building principal. The report may be made anonymously.

SOCIAL MEDIA POLICY

Definitions

Social Media Accounts: Any and all accounts, profiles, pages, feeds, and other presences on or in connection with any (a) social media or social networking website, (b) blog or microblog, (c) mobile application, (d) photo, video, music or other content-sharing website, (e) virtual game or social world, (f) rating/review website, (g) wiki or similar collaborative content website or (h) message board, bulletin board, or similar forum.

Professional/Educational Social Media Accounts: One or more social media accounts used to communicate with students, parents, and/or the community concerning school-related activities or to supplement classroom instruction.

Purpose for Social Media Policy:

The Pulaski County Special School District recognizes that part of learning is adapting to the changing methods of communication, including an increased reliance on digital environments for employees, students, parents, and the community. PCSSD has adopted the following policies to provide direction for employees when participating in online social media activities.

Policy Overview

When used appropriately, a digital social environment gives staff, students, and parents new opportunities to interact. District employees are encouraged to engage in district-approved educational technology and professional/educational social media accounts. Additionally, staff should use district-approved online tools to enhance communication with parents and students.

A. Employee Responsibility

Staff members have a personal and professional responsibility to maintain a high standard of conduct in any digital environment. Whether or not an employee chooses to personally participate in a blog, social network or any other form of online discussion is his or her own decision. Free speech protects individuals who want to participate in social media, but the laws and courts have ruled that school districts can discipline employees if their speech, including online postings, disrupts school operations.

The Pulaski County Special School District social media policy allows employees to participate in online social activity both personally and professionally. It is important to create an atmosphere of trust and individual accountability; keeping in mind that information produced by PCSSD employees and students is a reflection on the entire District and is subject to the District's Acceptable Use Policy. By accessing, creating, or contributing to any blogs, podcasts or other social media for classroom or district use, you agree to abide by these policies. Please read them carefully before participating in any social media application.

The lines between public and private, personal and professional are blurred in the digital world. By virtue of identifying yourself as a PCSSD employee online, you are now connected to colleagues, students, parents, and the school community. You should ensure that content you share is consistent with your work with Pulaski County Special School District.

The District expects employees to exercise extreme caution when sharing personal opinions on public posts. Shared or endorsed opinions and/or images that violate the Educator's Code of Ethics may be grounds for disciplinary action by the District, up to and including termination or nonrenewal of the contract of employment.

- Employees must make clear that any views expressed are the employee's alone and do not necessarily reflect the views of the District.
- Employees may not act as a spokesperson for the District or post comments as a representative of the District, except as authorized by the Superintendent or the Superintendent's designee. If authorized, employees must disclose their employment relationship with the District.
- Employees may not disclose information that is confidential or proprietary to the District, its students, or employees, or that is protected by data privacy laws.
- Employees may not post images on any social media network of co-workers or students without his/her consent.
- Employees may not post any nonpublic images of the District premises or property, including floor plans.
- Employees may not use or post the District's password(s) for the District's social media accounts without permission from the Superintendent or designee.

Employee and Student Interaction

Engaging in “friendships” on social networking sites is prohibited with students, and strongly discouraged with parents or guardians of students. Remember that social media in the workplace is an extension of your physical work location. What is inappropriate in your

workplace should be deemed inappropriate online. It is the duty of each employee to appropriately manage all interactions with students, regardless of whether contact or interaction with a student occurs face-to-face or by means of technology, to ensure that the appropriate staff/student relationship is maintained. This includes instances when students initiate contact or behave inappropriately themselves. Contact between employees and students must be professional in content and tone, transparent, and must not interfere with the working or learning environment of the District.

Employees who use social networking to interact with students in an educational manner must find a way to interact without giving students access to their personal information and posts. Many social network sites allow you to create “groups” or “pages” where you can interact with students without giving them access to your personal account.

When contributing online do not post confidential student information. Do not post pictures of any students on your personal sites. Employees may not post images of students on any social media network without written parental consent, except for images of students taken in the public arena, such as at sporting events or fine arts public performances.

Employee Access to Social Media Networks

District employees may use a District email address to set up professional/educational social media accounts. However, District employees should not use a District email address for personal social media accounts. Employees are prohibited from accessing personal social media accounts during school hours, except during breaks and/or preparation periods.

Employees are also prohibited from accessing personal social media accounts using District equipment at any time, including during breaks and/or preparation periods, except in an emergency situation or with the express prior permission of school/District administration.

Employees are discouraged from accessing personal social media accounts on their personal equipment during breaks and/or preparation periods because, while this is not prohibited, it may give the public the appearance that such access is occurring during instructional time.

Privacy of Employee's Social Media Accounts

In compliance with A.C.A. § 11-2-124, the District shall not require, request, suggest, or cause a current or prospective employee to:

- Disclose his or her username and password to the current or prospective employee's social media account;

- Add an employee, supervisor, or administrator to the list of contacts associated with his or her personal social media account; or
- Change the privacy settings associated with his or her social media account.

The District may request that an employee disclose his or her username and/or password to a personal social media account if the employee's personal social media account activity is reasonably believed to be relevant to the investigation of an allegation of an employee violating District policy, or state, federal, or local laws or regulations. If such an investigation occurs, and the employee refuses, upon request, to supply the username and/or password required for the investigation, disciplinary action may be taken against the employee, which could include termination or nonrenewal of the employee's contract of employment with the District. Notwithstanding any other provision in this policy, the District reserves the right to view any information about a current or prospective employee that is publicly available on the internet.

In the event that the District inadvertently obtains access to information that would enable the District to have access to an employee's personal social media account, the District will not use this information to gain access to the employee's social media account. However, disciplinary action may be taken against an employee in accord with other District policy for using District equipment or network capability to access such an account. Employees have no expectation of privacy in their use of District-issued computers, other electronic devices, or use of the District's network. (See District's Computer Use Policy.)

Social Media Crisis Communication Management Plan:

The school administration and District communication department are the only entities that have permission to communicate via social media during a potential crisis.

CELL PHONES AND CELL PHONE USE

The District may furnish cell phones to personnel. The decision to furnish a cell phone, and the decision of which persons to be furnished cell phones, are decisions within the sole discretion of the administration. All cell phones must be provided for in the department's budget and a requisition issued at the beginning of the year. Additions or changes during the year may be accomplished by submitting a requisition and the budget string must be approved prior to making the requested changes.

Procedure

1. Charges and fees associated with cell phone service shall not be charged against school activity funds.
2. Calls on cell phones are to be concise and business-related.
3. Long distance calls by staff are prohibited unless they are engaged in a business activity which is outside the calling area and/or experience a personal emergency.
4. Employees are discouraged from making personal calls on PCSSD-owned cell phones. If circumstances warrant an exception, the employee is responsible for reimbursement to the District at month's end.
5. District-owned phones or reimbursement for use of staff-owned phones will only be allowed during the employee's regular contract year.
6. The Purchasing Department will be responsible for the initial acquisition of and service agreements for District-owned cell phones. They will also maintain a master list of these phones.
7. Because cell phone transmissions are not always private, discussion of certain information is restricted and strictly forbidden. Information which requires confidentiality (e.g. a specific student's IEP) shall not be discussed over the airways.
8. Loss, theft, or damage to cell phones shall be governed by the following:

- a. PCSSD assumes no responsibility for lost, stolen, or damaged staff-owned cell phones.
 - b. District-owned cell phones will be covered under the PCSSD property insurance to the extent that a loss exceeds the established deductible for similar business personal property.
 - c. Each employee ensures the security of the cellular phone while in their possession. In case of loss, theft, or damage due to negligence, the employee is responsible for the replacement, insurance reimbursement, or repair cost. Repair costs are exclusive of any manufacturer's warranty for defect in material or workmanship. If repair or replacement costs are not reimbursed by the employee, the cost may be deducted from the employee's paycheck.
 - d. The employee must immediately report any theft, loss, or damage to his or her immediate supervisor who shall initiate and submit an incident report to the Chief Financial Officer. If theft is suspected, the immediate supervisor also ensures that a police report is filed and the service carrier notified of the loss and service is disconnected. Cell phones that are lost or stolen may not be replaced without first forwarding the foregoing report to the business office for proper disposition.
9. Staff suspected of abusing cell phone privileges or acting irresponsibly with regard to cell phone use, such as not reimbursing calls, are subject to the following:
- a. Suspension of cell phone use
 - b. Disciplinary action in accordance with established PCSSD Board of Directors policy. This normally entails progressive discipline.

Internet Safety

- Parents and Users: Despite every effort for supervision and content filtering, all users and their parents/guardians are advised that access to the electronic network may include the potential for access to materials inappropriate for school-aged students. Every user must take responsibility for his or her use of network and Internet and avoid these sites.

The school will also monitor the online activities of users through direct observation and/or technological means.
- All minors should be educated each year about appropriate online behavior, including cyber bullying, awareness and response, and interacting with other individuals on social networking sites and in chat rooms.

Use of New Web Tools

Online communication is critical to our students’ learning of the 21st Century Skills. Tools such as blogging and podcasting offer authentic, real-world vehicles for student expression. Again, as educators, our primary responsibility to students is their safety. Hence, expectations for classroom blogs, student protected e-mails, podcasts, or other Web interactive use must follow all established Internet safety guidelines.

Blogging/Podcasting Terms and Conditions:

- The use of blogs, podcasts or other Web 2.0 tools is considered an extension of your classroom. Therefore, any speech that is considered inappropriate in the classroom is also inappropriate in all uses of blogs, podcasts, or other Web 2.0 tools. This includes, but is not limited to, profanity and racist, sexist or discriminatory remarks.
- Teachers must monitor all communication on blogs, podcasts, or other Web 2.0 tools that are used in the classroom.

- All users using blogs, podcasts or other web tools are expected to act safely by keeping ALL personal information out of their posts.
- A user should NEVER post personal information on the web (including, but not limited to, last names, personal details including addresses or phone numbers, or photographs). Do not, under any circumstances, agree to meet someone you have met over the internet.
- Comments made on blogs should be monitored and – if they are inappropriate – deleted.
- Never create a link to web sites from your blog or blog comment without reading the entire article to make sure it is appropriate for a school setting.
- Students using Web 2.0 tools agree to not share their user name or password with anyone besides their teachers and parents and to treat any blogs as classroom spaces.
- Users who do not abide by these terms and conditions may lose their opportunity to take part in the project and/or be subject to consequences appropriate to misuse.

Policy Statements

The use of the PCSSD's computer system is a privilege, not a right, and the Acceptable Use Policy is designed to establish clear guidelines for adult stakeholders who have access to the Public School computer system. Be polite and use proper Network etiquette (the acceptable behavior the Internet community expects its citizens to follow).

Use appropriate language

Respect both your own privacy and the privacy of others by not giving out personal information. Respect the rights of others by not wasting network resources. Report threatening or harassing remarks or materials to administration

Permission Forms

All users (staff members, substitute teachers, guests, and students and their parents) must sign an Acceptable Use Agreement to be eligible to work on any equipment connected to the network. This agreement must be renewed on an annual basis.

Acceptable Use Purpose

Internet Access

All Internet usage is monitored, and users should expect that their use may be reviewed at any time by the principal or Superintendent.

Benefits of Education

We are in the 21st Century; our students must learn to utilize the tools and skills necessary to compete in a global economy. Students of today must think critically about global issues, work collaboratively on projects, and understand the significance of intellectual property, fair-use laws, and copyright regulations as they research the world in which they live. The PCSSD computer system, coupled with Internet access, empowers our students to construct authentic meaning from classroom lessons.

Enforcing Acceptable Use Policies

Privacy Policies

Users should not expect privacy in the contents of their personal files on the District or school's network; they must realize that any information stored electronically on school owned equipment is subject to Arkansas' Freedom of Information Act. The situation is similar to the rights staff and students have in regard to their lockers, desks, or other storage systems. The District reserves the right to monitor, inspect, copy, review and store at any time and without prior notice, any and all usage of the computer network and/or internet usage. Parents of students have the right at any time to request a review of the contents of their children's electronic files or a conference with the teacher regarding electronic projects and/or research.

Liability Disclaimer

The PCSSD makes no guarantees that the functions of the services provided by or through the network will be error-free or without defect. The District will not be responsible for any damage the user may suffer, including but not limited to, loss of data or interruptions of service. The District is not responsible for the accuracy or quality of the information obtained through or stored on the network. The District will not be responsible for financial obligations arising through the unauthorized use of the network. When using the network, one may sense they can more easily break a rule and not be caught. This perception is not accurate. Whenever users access the network or use technology equipment, they leave "electronic footprints." Thus, the odds of getting caught in violations are really about the same as in the real world or in any other actions or situations.

Computers and mobile technology devices are provided to Pulaski County Special School District ("PCSSD") employees for use on district property, and the use of those devices is governed by the Pulaski County Special School District Computer User Guidelines and User Agreement ("Agreement") and the Pulaski County Special School District Acceptable Use Policy (AUP) and Internet Safety Agreement. Technology devices are provided to enhance, enrich and facilitate teaching and learning. Mobile technologies are to be used for school related use, curriculum enhancement, research, communications, and other instructional purposes.

The following policies govern the use of this equipment.

1. District provided mobile equipment used by District employees and students remain the legal property of the PCSSD. Asset tracking of mobile equipment shall be the responsibility of PCSSD.
2. Work produced and/or information stored or resident in the memory of school computers is property of the PCSSD and there is no expectation of privacy.
3. Employees are responsible for the security of their computer equipment, files and passwords. Employees with access to student records or any confidential information may not use, release, or share these records except as authorized by District policy or by federal, state, or local laws. Employees who are provided access to confidential or other sensitive information must take measures to safeguard it from unauthorized access, release, or disclosure. Users must never allow others, especially students, to use their passwords. Employees should also protect their passwords to ensure system security and their own privilege and ability to continue to use the system. Employees will be held accountable for any activity under their user account and password. Remote access may be granted to an employee by the Principal and/or IT Department for the convenience of completing his/her job from remote locations. It is the employee's responsibility to ensure that the remote access session remains as secure as the network access at the campus. Any suspected security violations must be reported to the Chief Technology Officer immediately.
4. It is the employee's responsibility to maintain a backup of their data and restore their data if needed. Employees should contact the IT Help Desk to resolve any technical issues. Please use one of the following methods to contact the IT Help Desk:

- a. Call the IT Help Desk at 501-234-2150, Mon – Fri, 7am – 5pm
 - b. Send an email to helpdesk@pcssd.org and include:

6. Only legally licensed and District-approved software and apps shall be installed onto district-owned computers and devices. Any malicious activity caused by software outside of the default image will be the user's sole responsibility. Malicious activity includes but is not limited to viruses, malware, data loss, network scanning, email spamming, network based attacks and disabling or removing any monitoring/security systems installed by the PCSSD.
 - a. No user is permitted to knowingly or inadvertently load or create a computer virus or load any software that destroys files and programs, confuses users, or disrupts the performance of the system.
 - b. No third party software and apps will be installed without approval of the PCSSD Technology and Learning Services Departments.
7. Users may be held responsible for any damage caused by intentional or negligent acts while in possession of any District mobile device issued to them. Damage or theft which occurs due to the employee's negligence will be the responsibility of the employee. Examples of negligence include, but are not limited to, failure to follow the listed guidelines (or any other reasonable precautions) that leads to theft and/or renders the computer unusable, including the failure to:
 - a. Use protected storage bags and/or carrying cases that are specifically designed for the device.
 - b. Lock devices in cabinets or desks when possible.
 - c. Secure the device anytime you are temporarily leaving it unattended in a classroom or conference room.
 - d. Keep drinks, food, lotions, liquids of any kind and other harmful materials away from the electronic devices.

8. Before a District mobile technology device is issued, the employee must read and sign the PCSSD Computer User Guidelines and User Agreement, as well as read and understand the PCSSD Acceptable Use Policy. The signed Agreement will remain on file with the PCSSD.

Warranty Repairs

Warranty repairs are defined as: Defects in materials and workmanship under normal use. The mobile technology warranty only covers failure due to defect of the components. This does not include any damage due to accident or negligence. It does not cover loss or theft.

Insurance for Damage/Vandalism/Loss/Theft

PCSSD will insure technology equipment before issued to a school. If damage, vandalism, loss or theft occurs while the equipment is being used on-site, a deductible will need to be paid before the computer or device is repaired or replaced. The employee or district will pay this deductible. Payment is the responsibility of the district, except in the case of established employee negligence. Anytime there is damage, loss or theft of equipment, a district insurance claim form will be filled out by the employee and administrator of the school and submitted to the Business Department.

Off-Site Damage/Vandalism/Loss/Theft

Damage to equipment due to negligence will not be covered by insurance and will result in the full cost of equipment. If the damage, vandalism, loss or theft occurs off-site while under the responsibility of the employee or in cases of established employee negligence while used on-site, payment shall be made by the employee to cover the cost of repair or replacement of the device; whichever is less. Payment from the employee may be collected through a payroll deduction process if necessary. In the event of suspected theft or loss, not on district property, employees must notify authorities. In any instances of insurance claims, paperwork will need to be filed and all instances will need to be investigated.

I understand technology provided for instructional use belongs to the Pulaski County Special School District and is intended for school/district-related use. I have read the PCSSD Computer and Mobile Technology Device Policy and agree to abide by the terms and conditions of those policies.

I understand that if equipment in my possession off-campus is lost, damaged, or stolen due to my negligence I will pay repair costs or full replacement costs, including costs of cases and accessories. If necessary, I authorize PCSSD to use a payroll deduction(s) to cover the cost of repair or replacement of the equipment as stated in the policy.

I understand that violation of the provisions stated in the policy may result in disciplinary action and may require that I forfeit use of the device.

GRIEVANCE PROCEDURE

Grievance Defined. A grievance is defined as a concern expressed by an employee that there has been a violation by the administration of [A] an express provision of these personnel policies; [B] a federal or state law or regulation; or [C] some other express term or condition of the employee/grievant's employment. Terminations of contracts for cause, suspensions because of a belief that cause for termination exists, and non-renewal of contracts are governed by statute with appeal provisions. Therefore, this grievance procedure does not apply to those job actions. However, other disciplinary actions, including disciplinary suspensions without pay, are subject to this grievance procedure. This grievance procedure shall be the exclusive remedy for any employee alleging a violation by the school district that may be the subject of a grievance under this procedure. A group of employees with the same concern about a school district violation may be parties to a single grievance.

Informal Resolution

Grievances or other differences between employees and the administration are frequently the result of mistakes or misunderstandings. Accordingly, while not a mandatory condition of appealing to the superintendent, an employee should always attempt to resolve any grievance (as well as any other difference not within the definition of a grievance) by first bringing it to the attention of the building principal or equivalent immediate supervisor. This may be done in writing, but there is no requirement of writing as there is with the following steps of the grievance procedure.

Level 1 – Immediate Supervisor

Informal and direct resolution of all grievances and other differences is strongly encouraged. If the discussion at the informal level fails to resolve the grievance, or if no resolution occurred within five (5) days of the informal meeting, the grievant may invoke a formal Level I grievance.

1. A copy of the grievance should be mailed or delivered to the immediate supervisor and it will include:
 - a. A statement setting forth the factual basis for the grievance and the section or sections of the policies allegedly violated.
 - b. Whether the employee wants representation, and if so, what type (i.e. personal attorney, AEA)

2. The immediate supervisor will meet with the grievant within five (5) days of the receipt of the grievance.
3. The immediate supervisor will render a written decision within five (5) days of the meeting.

Level 2 - Superintendent

1. If the grievant is not satisfied with the decision of the immediate supervisor, or if no decision has been made within five (5) days of the Level I decision, then the grievant may invoke a Level II grievance to the Superintendent within ten (10) days of the Level I decision.
2. The Superintendent and/or his designee will hold a Level II grievance hearing within seven (7) days of receipt of the transmittal.
 - a. A written decision will be rendered within seven (7) days of the hearing.
 - b. The Superintendent and/or his designee will furnish a copy of the decision to the grievant.

Level 3 - School Board

1. A grievant may elect to have his grievance heard by the Board.
2. The grievant will notify the Superintendent of his desire to have a Board grievance hearing within twenty (20) days after the conclusion of the Level II decision.
3. The Board, no later than its next regular meeting, will hear the grievance provided the request was received prior to the setting of the agenda.
 - a. The grievant may be represented by a legal or paralegal counsel at his own expense.
 - b. A decision by the Board will be rendered at the time of the hearing.
 - c. It will require five (5) Board member votes in order to overturn the Superintendent's decision.
 - d. The decision will be reduced to writing.
 - e. A copy of such decision will be furnished to the grievant.

DISCRIMINATION COMPLAINTS

Any alleged violation of the district's policy prohibiting discrimination on the basis of race, color, religion, sex (including complaints of sexual harassment), or national origin must be brought to the attention of the superintendent of schools by the complainant as soon as possible. If the complaint involves allegations against the superintendent, or allegations that the superintendent has refused to act on a discrimination complaint against another employee, it must be brought to the attention of the president of the Board of Education. This provision applies to any complaint or grievance that an employee suffered adverse job action or a hostile employment environment on account of race, color, religion, sex, or national origin.

Time Limits

Time is of the essence in this grievance procedure and the times for filing a grievance and answering are to be strictly construed. However, the time limit for initially filing a grievance can be extended by the mutual agreement of any building principal or the superintendent, on the one hand, and the employee, on the other hand, which agreement must be in writing. The time limit for appealing the Superintendent's second step answer, or failure to timely answer, to the school board can be extended by the mutual written agreement of the superintendent and the employee.

JNPSD DETACHMENT – CLASSIFIED

1. On September 16, 2014, a majority of voters in the proposed Jacksonville-North Pulaski area voted to detach that territory from the PCSSD to form a new school district. On November 13, 2014, the State Board of Education ordered the creation of the Jacksonville-North Pulaski School District (“JNPSD”).
2. There are ten existing PCSSD schools within the boundaries of the new JNPSD. They are: Jacksonville High, North Pulaski High, Jacksonville Middle, Adkins Pre-K, Arnold Drive Elementary, Bayou Meto Elementary, Dupree Elementary, Pinewood Elementary, Taylor Elementary, and Tolleson Elementary.
3. This is a new policy applicable to the staffing of the classified employees necessitated by the detachment of JNPSD, which is anticipated to become final on July 1, 2016. The overriding policy will be that each classified staff person will have the same assignment in the same building on June 30, 2016, that each person had on July 1, 2015. While JNPSD is a separate school district with its own school board, it presently operates for all purposes just as it did before detachment, *i.e.*, as a part of Pulaski County Special School District (PCSSD). This is anticipated to remain unchanged until July 1, 2016. Until that date, all classified staff members are and will remain subject to the classified policies of PCSSD. The contractions, expansions, and other movements of the classified staff between now and June 30, 2016, will be managed without regard to the detachment.
4. Beginning immediately, those schools that will become part of the new JNPSD (as identified in paragraph 2), on the one hand, and those schools remaining within PCSSD, on the other hand, shall be treated as separate seniority centers so that there will be no movement of personnel between the two seniority centers. The intent of this provision is that a person assigned to one seniority center can exercise seniority only within the seniority center to which that person is assigned regardless of the purpose for exercising seniority.
5. The following shall be an exception to the preceding paragraph. A person displaced and unable to be placed by seniority in that person’s seniority center, and therefore facing reduction in force, shall have a preferential right to interview for a vacancy for which otherwise qualified in the other seniority center.

6. On or before May 31, 2016, PCSSD will issue notice of non-renewal of the 2015-16 contract to all employees then assigned to the JNPSD schools identified in paragraph 2. The reason for the non-renewal will be to prevent the automatic renewal of such persons' PCSSD contracts. Employees subject to this non-renewal will not be placed on a recall list.
7. The uninterrupted employment of former PCSSD personnel by JNPSD will be a matter solely within the discretion of JNPSD and the former PCSSD employees. However, former PCSSD employees not employed by JNPSD will be eligible to apply for vacant positions for the 2016-17 school year in PCSSD.
8. To the extent this policy produces outcomes that conflict with or undermine PCSSD's efforts to comply with Plan 2000, and specifically Section L: Staffing, the administration shall have discretion to approve transfers from one seniority center to another if such a transfer would further PCSSD's efforts to obtain unitary status.
9. All provisions of the existing PCSSD classified personnel policies in conflict or inconsistent with this policy shall be considered amended to remove the conflict or inconsistency.
