

THE ROBINSON RUNDOWN

ROBINSON MIDDLE SCHOOL NOVEMBER PARENT NEWSLETTER

Dear RMS Families,

As we find ourselves immersed in the beauty of November, it's the perfect time to reflect on the abundance of gratitude that fills our hearts. We, at Robinson Middle School want to take a moment to extend our deepest thanks to each and every one of you for your unwavering support.

Your dedication to your child's education is truly commendable, and it doesn't go unnoticed. Whether it's attending parent-teacher conferences, participating in school events, or simply providing a nurturing environment at home, your efforts contribute significantly to the vibrant learning community we cherish.

This month, as we celebrate Thanksgiving, we are reminded of the importance of gratitude and the power it holds to bring people together. Your commitment to your child's education creates a strong foundation for their growth and success. We are grateful for the partnership we share with you in shaping the future of our students.

Please continue to make sure your child is at school on time and doesn't leave early. We need students at school from 8:30 to 3:50 every day. Check your student's assignments and grades in Schoology. If your child is in course recovery, please help them get their coursework completed so they are not in danger of retention. All students are required to complete 15 units of Lexia a week until they become a Lexia Legend. For math and science, students are to work in IXL to reinforce skills in the classroom. These are easy ways you can support us with building Senator STRONG students.

Thank you for being an integral part of our school family. Wishing you a joyful and gratitude-filled November!

Warm regards,
Ms. Campbell

UPCOMING DATES

November 14

ATLAS Science Interim

November 15

**Future Senators Basketball
Camp-See school Facebook
page for more info.**

November 20-24

Thanksgiving Break

December 1

**Chocolate Sales Incentive
Game Truck**

FAQ

***If I'm in DRIVEN SOI can I work
as slow as I want?***

Although we encourage students to work at "their pace", we still consider all graduation requirements and yearly expectations for students. Most due dates are flexible - see our handbook for strict deadlines.

***Will I still have tests in DRIVEN
SOI?***

Yes - tests, projects, and daily assignments in addition to all district-required MAP tests and Common Formative Assessments.

***Can I take AP and/or
Concurrent Credit classes?***

Why yes! Some AP classes are taught in DRIVEN SOI, some are taught in the main building. Either way, we encourage students to challenge themselves by taking AP or Concurrent Credit classes.
