Dr. Matthew Noyes, Superintendent

Monday, September 15, 2025

Good morning LCUSD#9 families,

Believe it or not, Friday was the mid-quarter point for the first grading period. The vast majority of our Greyhounds are off to an extremely strong start matching the energy and enthusiasm that our staff has shown. Thank you to our students and staff for such a positive start to the new school year. I would like to encourage our parents/guardians to keep a close eye on their student's academic progress. Mid-quarter grades should be available to view in PowerSchool by the end of the day Friday.

This week, we have our first half day school improvement planning day on Wednesday. Please be reminded that LJHS/LHS students will be dismissed at 11am and LES students will be dismissed at 11:15am on Wednesday. The same thing will happen on the last day of the first grading period, which is Friday, October 10th.

This month I decided to try something new, and I have attached a preview of my [September Superintendent's Report](#) to the Board of Education for families to see. It may change in the next 10 days, but for right now this is the information I will be communicating this month at our September 25th Board of Education meeting.

In a few weeks we'll be celebrating homecoming week. Don't forget to check out the parade, soccer, and volleyball games on Thursday, October 2nd. We'd love to see lots of school spirit in our schools and community that week! Additional details are listed below under important dates and information.

I'll continue sending monthly updates throughout the school year to keep you informed about district-wide news, highlights, and important dates. You should also be hearing regularly from your child's teachers and building principals with more timely and specific updates. As always, if I can ever be of assistance to you or your student, please don't hesitate to reach out.

Go Greyhounds!

Educationally yours,
Matt Noyes, Ed.D.
LCUSD#9 Superintendent
