

# MVMS Black Mountain Day!

**2/5/24**

MVMS will be going on a school wide field trip to Black Mountain of Maine on Monday, February 5th! There will be several indoor and outdoor activities for students to be involved in. Students will need to have the appropriate winter gear to be involved in outdoor activities at Black Mountain. If students plan to bring their own ski/snowboard gear, they will need to have it dropped off at Black Mountain in the morning.

MVMS will provide lunch for all students, students will also have the option to purchase food/drinks from the Black Mountain Cafe.
