

# ClassLink

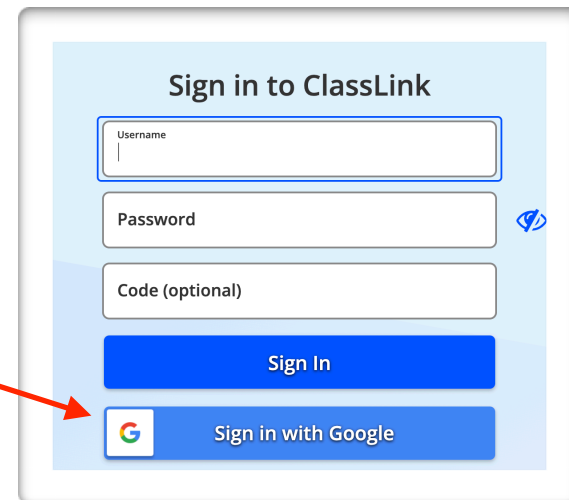

Too many passwords? Problem solved!  
Teachers and administrators can log in to one site with access to commonly used applications.

Log in at: <https://launchpad.classlink.com/rsu10>

Click on Log in Here.

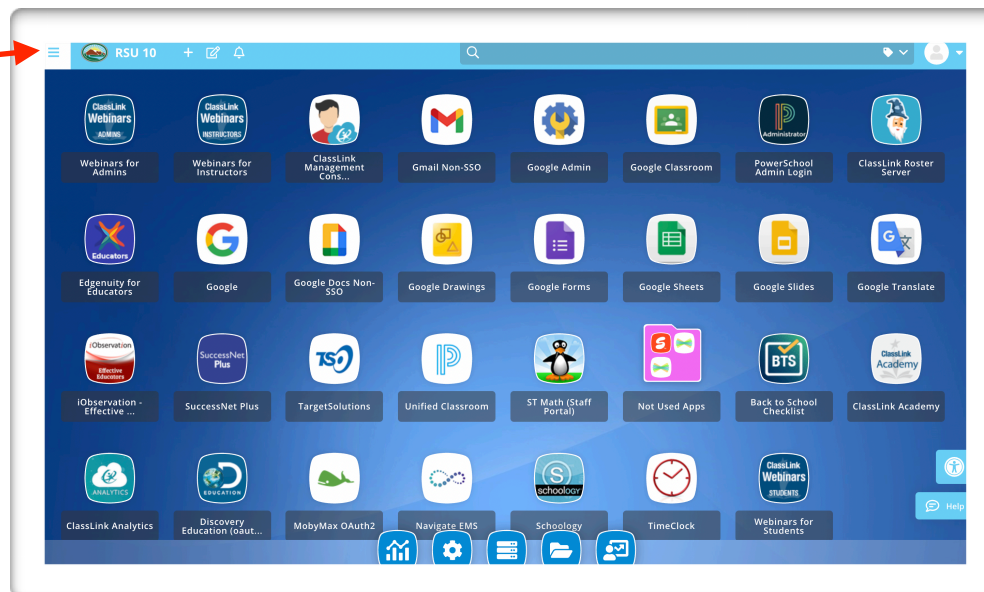

Click on Sign in with Google and use your district email to continue.

Click here for support documents.

You will only have to log into an application once, either using Single Sign On with Google or by entering your username and password.

After that.....just click on the icon and you're in!

Is there an application that you would like to see added, email the Help Desk and we will check to see if the application is available to add.

Please contact the Help Desk with any questions. Thank you!
