

Dear RSU 10 Staff,

Wishing all happy holidays and some well deserved down time. I do not say it enough and words often don't express how much I appreciate ALL of you. This District and its staff have so much care and compassion for our students and each other. I am always so PROUD to say I work in RSU 10 and what great staff we have. Our students need us so much, at times it takes our breath away. Thank you so much for all you do. Together we can do this! Please take care and find time to take that deep breath.

❤️, Deb
