Dear Parent/Guardian,

As you know, the Functional Life Skills program has shared a Special Education Teacher over the past few months. We have been unable to secure a certified full-time teacher for this program. As a result, we have decided to move the program to Meroby Elementary School at the start of the 24-25 school year, where there is a certified Special Education Teacher.

We will contact you to schedule a meeting with the teacher and staff so you can ask questions and share your concerns. This information has not been shared with students yet; a plan will be developed in the near future.

In the interim, please reach out with any questions.

Sincerely,

Jodi Ellis, Principal
