Tobacco and Marijuana Free Policy

The District maintains tobacco-free and marijuana-free buildings and grounds. Tobacco includes but is not limited to cigarettes, cigars, snuff, smoking tobacco, smokeless tobacco, nicotine and any other tobacco innovation. Marijuana products are products that contain marijuana for use by a consumer and include but are not limited to edible products, ointments, tinctures, marijuana derivatives, marijuana concentrates, and marijuana intended for use by smoking or vaping.

Use of tobacco and marijuana products in a public school building or on public school property is prohibited, unless used in a classroom or on other school property as part of a lecture, demonstration, or educational forum sanctioned by a school administrator or faculty member, concerning the risks associated with using tobacco products or in connection with Native American cultural activities.

For the purpose of this policy, “public school building or public school property” means:

- Public land, fixtures, buildings, or other property owned or occupied by an institution for the teaching of minor children, that is established and maintained under the laws of the state of Montana at public expense; and
- Includes playgrounds, school steps, parking lots, administration buildings, athletic facilities, gymnasiums, locker rooms, and school vehicles.

Violation of the policy by students and staff will be subject to actions outlined in District discipline policies.
