INDUSTRY 4.0 DIPLOMA DISTINCTION

Attention: Current 9th and 10th Graders

Industry 4.0 Diploma Distinction is now available for current 9th & 10th-grade students. This high school diploma with Industry 4.0 Diploma Distinction was developed for high school students interested in pursuing a career in a high-need, high-skill industry after graduation.

Students who earn the Industry 4.0 Diploma Distinction MUST complete these steps to achieve the distinction:

- receive enhanced career counseling;
- earn nine work-based learning (WBL) or dual enrollment credits during their junior and senior years of high school;
- apply for dual enrollment grants and other necessary financial aid; and
- have the option to substitute an approved WBL or dual enrollment course, as approved by the State Board of Education, for one math credit and one science credit
