PREAMBLE

This Agreement entered into by and between the Pentwater Public School District Board of Education, hereinafter referred to as the "Board" and the Pentwater Education Association, hereinafter referred to as the "Association."

Whereas, the Pentwater School District is governed by its duly elected Board of Education having certain legal rights, authority, duties and obligations under the Revised School Code and other laws pertinent to the operation of the District, and,

Whereas, the Pentwater Education Association is the organization recognized to represent the teaching staff of said District; and,

Whereas, by law the District and the Association are obligated to bargain with regard to terms and conditions of employment;

Now, therefore, in consideration of the mutual covenants hereinafter set forth, the parties hereto agree as follows:

ARTICLE I

RECOGNITION

This shall include a teacher holding a valid teaching certificate issued by the State Board of Education as provided by law who is employed full-time or part-time during the school year as a classroom teacher, special education teacher, counselor, counselor-teacher, or librarian, but shall exclude substitute teachers, superintendent, principal, non-teaching staff Schedule B positions, and all other non-teaching staff of the School District.

The term teacher when used in the Agreement shall refer to all employees represented by the Association in the Bargaining Unit defined above.

ARTICLE II

TEACHER AND ASSOCIATION RIGHTS

1. To recognize the rights of each teacher actively engaged in teaching to be a member of the "Association" and shall in no way discriminate for or against any member for any lawful activity for or on behalf of said Association. The Association recognizes the right of an individual to choose whether or not to belong to the Association. If an individual should choose not to belong to the Association, the Association would still represent that individual.
2. The provisions of this Agreement shall supersede any contrary or inconsistent terms contained in any individual employment contract issued to a teacher. All individual employment contracts for bargaining unit members are expressly subordinate to the terms of this collective bargaining Agreement and Board policy. The Board shall not adopt any policies inconsistent with the provisions of this contract.
3. Individual teacher contracts associated with this Agreement shall be completed by the Administration, issued to each member of the Association, and signed by each member of the Association and a

Board representative within thirty (30) days of the witnessing of this Agreement.

4. A teacher's signature acknowledging receipt of a document does not necessarily mean that the teacher agrees with the document received.

ARTICLE III

BOARD RIGHTS

The District and Association mutually agree:

1. To recognize and not interfere with any powers, rights, duties, obligations or authority imposed by law upon the District or its Board of Education, including without intent to limit the foregoing right:
 - a. Of management and control of the assets of the District.
 - b. To hire, determine qualifications, dismiss, demote, promote, transfer, discipline, and direct all employees subject to applicable law, the terms of this Agreement and Board policy.
 - c. To establish grades and courses of instruction; special programs; athletic, recreational and social programs for students; adult education programs.

ARTICLE VII

PAID LEAVES OF ABSENCE

1. At the beginning of each school year, each teacher shall be credited with ten (10) leave days to be used as stipulated for the following reasons. The unused portion of such allowance shall accumulate from year to year to a maximum of one hundred twenty (120) days. Paid leaves of absence for part-time teachers shall be prorated in direct proportion to hours and/or days employed.
 - a. Sick leave: The purpose of these days is to prevent loss of pay to teachers who suffer from illness, disability, or injury. Disability due to pregnancy or childbirth shall be treated as any other illness or disability. Upon evidence that said teacher is

not ill, disabled, or injured, pay may be withheld.

A doctor's certificate verifying an illness or injury may be required of each teacher who has been on paid leave for five (5) or more consecutive days, or whenever the administration has reason to believe there has been abuse of paid leave.

- b. In the case of work-incapacitating injury or illness, while working for Pentwater Schools, for which the employee is, or may be eligible for work disability benefit under the Michigan Worker's Disability Compensation Act, such employee may utilize sick leave credits to the extent of the difference between the Worker's Compensation received and the employee's regular base salary or wage.

In the case of work disabling injury to a teacher caused by an assault upon said teacher, while in the performance of professional duties, the Board will pay the full difference between the Worker's Compensation and the teacher's regular salary, without charge to sick bank, until the end of the school year or ninety (90) days, whichever comes first.

3. Absence of a teacher caused by illness or injury of family members shall be deducted from the teacher's accumulated sick. A doctor's certificate which verifies the family member's illness or injury may be required whenever the Board believes this provision has been abused. Pay may be withheld if the Administration has reason to believe this provision has been abused.
2. Leaves of absence with full pay not chargeable against the teacher's allowance shall be granted for the following reasons:
 - a. A maximum of three (3) days for a death in the immediate family, which refers to children, spouse, parents, brothers, sisters, grandparents or other persons living in the same household as the employed. Leave for other close persons shall be up to the approval of the Administration.

- b. Visitation at other schools or for attending educational conferences or conventions, when approved by the Administration.
 - c. A teacher shall be granted two (2) personal leave days annually. Unused personal leave days may accumulate to a maximum of five (5). These days shall not be used the day before or the day following a scheduled school holiday, without prior administrative approval.
 - d. Jury duty - When a teacher is called for jury service, any juror fee derived from jury duty (i.e., not the reimbursed expenses) must be paid to the school, or the teacher will forfeit regular pay for that time.
 - e. Court appearance as a witness or required attendance at any proceedings when said teacher is subpoenaed to testify on behalf of the school or in connection with their employment as long as the teacher is not the charging party against the Board.
3. The Superintendent, by October 1 of each school year, will provide each teacher with a written statement setting forth the total leave days accumulated by that teacher as stated in Article VII (A & A-1).
4. Employees of the Pentwater School System will be reimbursed for all unused sick leave over 120 days at the rate of \$75.00 per day at the end of each school year. Unused personal days in excess of four shall be added to the sick leave of each teacher at the end of the school year; this sick leave accrues to 120 days maximum. In the event a teacher has exhausted all sick leave, other teachers on the staff may donate days from accumulated sick leave to the teacher in need. In extenuating, long term circumstances agreed upon by the administration and PEA Executive Council, a leave donation bank will be established on a case by case basis. It is agreed that the Leave Day Donation process will be administered as follows: Teachers will donate days in writing. A signed copy of the donation must be on file with administration and PEA President. Any teacher who donates days will randomly be assigned a number. Teacher “one” will be the first to donate a day. Teacher “two” will be the second, and so on. Once each donating teacher has donated one day, we will start again at the top of

the list. Further days will only be taken from teachers who have agreed to donate more than one day. Days will only be deducted when needed. Teachers will be notified when their donated day is used and deducted. Teachers with fewer than 13 days may not donate days. Up to 20 days TOTAL “per person” can donated to one member.

5. Sabbatical leave may be approved by the Board of Education in accordance with Revised School Code.

Where permitted by the FMLA, an employee may choose to substitute paid personal leave and/or sick leave for FMLA unpaid leave.

In accordance with the FMLA, the Board shall continue group health plan benefits during FMLA. This shall not be construed as a waiver of the Board's right to recoup premium payments from employees where permitted by the FMLA or as an agreement to provide benefits greater than what would have been provided if the employee was not on FMLA leave.

FMLA leave of absence shall be subject to and administered in accordance with the FMLA and FMLA regulations. Limitations found under section 108 of the FMLA—"Special rules concerning employees of local educational agencies"—shall apply.
