SAVE YOUR RECEIPTS

Bennett County Middle school will be saving receipts from Lynn's Dakotamart again this year. Please save your receipts and send them to the school office. Once we get \$10,000 worth of receipts we will be able to turn those into the store and use a percentage of it to buy reward snacks. Thank you for helping us in this venture.

DEVELOPMENTAL SCREENING

The Bennett County School District will be hosting a 3 to 5 year old Development Screening at the Bennett County Elementary Little Gym, scheduled from 1:00PM to 3:30PM on September 19th, 2023 . This is a free service to the families living in Bennett County. Areas to be screened include: motor, communication, concepts, and hearing. Screening of young children will let parents know whether their child is developing within normal range. If delays exist, it is crucial to provide intervention at the earliest possible age. To schedule an appointment for your child to come to the screening, please call the Elementary office at 685-6717 or Stacy Allen at 685-1151. Walk-ins will be screened if time allows.

Empowering our students to reach their full potential

Dear Families and Friends,

Bennett County Elementary School has the opportunity to earn money by collecting cash register receipts from Dakotamart. This register receipt collection program called "We Care" will allow us to collect \$100 for every \$10,000 in Dakotamart cash register receipts that you turn in. This money will allow us to purchase supplies for the students of Bennett County Elementary School.

We encourage you to save Dakotamart cash register receipts and return them to the school. Together, we can support our students and help them with any supplies they need here at school.

Sincerely,

Mrs. Goetzinger (Mrs. G)

PRESCHOOL HAS OPENINGS

Bennett County Elementary has open positions in their Preschool program. Students go 2 full days a week, Monday/Wednesday and Tuesday/Thursday. Having students attend the 2 full days allows them an easier transition as they get to experience PE, Music, Library, and the breakfast and lunch program. We believe that this comprehensive approach to early childhood education will contribute positively to your child's physical, cognitive, emotional, and social development. Your child will not only enjoy their time at preschool but will also gain invaluable skills and experiences that will shape their future journey and build a solid educational foundation.
