

Immunization Requirements

All students of all grade levels have a required & current immunization record or a state-approved exemption form on file with the school prior to their admission to school AND this information is made available to parents on the school website. 70 O.S. § 1210.191

Documentation: An Assurance Letter signed by the Principal verifying a current record of immunization or exemption form is on file for each student & is made available for review and a website printout or screenshot showing parent information
