### PI ADAPTED ATHLETICS MEDICAL ELIGIBILITY FORM ADDENDUM

(Use only for Adapted Athletics - PI Division)

Minnesota State High School League

Pages 2-5 of this document should be KEPT on file by the medical provider issuing the physical examination.

The MSHSL has competitive interscholastic Physically Impaired (PI) competition. Students who are deemed fit to participate in competitive athletics from a MSHSL sports qualifying exam should meet the criteria below to participate in Adapted Athletics – PI Division.

The MSHSL Adapted Athletics PI Division program is specifically intended for students with physical impairments who are medically eligible to compete in competitive athletics. A student is administratively eligible to compete in the PI Division with one of the two following criteria:

1.	Neuromuscular	Postural/Skeletal	Traumatic
	Growth	Neurological Impairmen	t
	Which: affects Motor F	unction modifies	s Gait Patterns
	(Optional) Requires crutches, walker or wheelchair.	the use of prosthesis or mobility d	levice, including but not limited to canes,
2.	and duration of physical exertion		ompetitive athletics, but limits the intensity over five minutes at 60% of maximum heart nagement of the health condition.
			appropriate medications that eliminate dered eligible for adapted athletics.
Speci	fic exclusions to PI competition	:	
partici individ exam	pate in the PI Division even though dual's physician, a student's schoo	n some of the conditions below m l, or government agency. This lis	as outlined above, do not qualify the student to ay be considered Health Impairments by an t is not all-inclusive and the conditions are are not listed below may also be non-qualifying
(EBD) Asthm	, Autism spectrum disorders (inclu	ding Asperger's Syndrome), Tour ), Bronchopulmonary Dysplasia (I	DHD), Emotional Behavioral Disorder rette's Syndrome, Neurofibromatosis, BPD), Blindness, Deafness, Obesity, illar disorders.
