CUSD #20 Board of Education Committees

2023-2024 School Year, 2024-2025 School Year

Personnel and Finance Committee

The Personnel and Finance Committee works with the Superintendent and the Assistant Superintendent on matters relating to personnel policies and practices, compensation and benefits, labor relations and collective bargaining, employee relations, staffing and organizational structure. The committee is also responsible for clarifying and communicating the School Board's budgetary requirements and priorities.

- Dana Goodwin, Personnel Chair
- Reese Ivers, Finance Chair

Policy and Curriculum Committee

The Policy Committee works closely with the Superintendent and Assistant Superintendent regarding the district's goal of providing the Board of Education with recommendations on policies and plans which will result in orderly, balanced, and equitable growth within CUSD #20. The Curriculum Committee works closely with the Superintendent, Assistant Superintendent and building Principals to ensure the curriculum and classroom materials stay current throughout the district. The Curriculum Committee is charged with reviewing all new proposals and revisions to curriculum for academic programs. Academic programs include all credit transfer courses and Career and Technical Education (CTE) programs and courses.

- Kenny Waller, Policy Chair
- Ron Waldrop, Curriculum Chair

Building/Grounds/Transportation Committee

The Building/Grounds Committee works closely with the Superintendent and Assistant Superintendent to provide accurate, timely, and relevant advice to the CUSD #20 School Board with regard to the development of strategic, comprehensive, and long-term plans for educational and educational support facilities. The Building/Grounds Committee is intended to enhance community outreach and input into the facilities planning process. The mission of the Building/Grounds Committee is to advise and inform the staff and School Board in the development of comprehensive, long-term plans for facilities needs in the most effective and efficient way. The Transportation Committee works closely with the Superintendent and Assistant Superintendent regarding the district's transportation program. Committee responsibilities include an annual performance review of the district's transportation budget, a review of district transportation policies, and the identification of ways to improve the transportation experience for students.
