

Your student may not participate in practices or athletic events until you complete the 8/18—Snap registration.

8/18—Snap is how the Coaches and the Athletic Department can communicate practices, schedule changes and updated athletic information with parents and athletes.

I have found the most common problem is not remembering your email and password. I would suggest writing down this information for future use.

If you have any questions, you may call the 8/18 Snap help desk at 276-531-9260 or call the Athletic Department at 309 973-2035.
