The Lee Soil and Water Conservation District established this scholarship to help outstanding students of soil, water and related natural resources conservation to complete their education at any accredited two or four-year college or university. The amount of the scholarship will be up to \$1,500. The scholarship will be awarded prior to the fall semester. Scholarship money may be used for tuition, books, supplies and/or other course fees. Funds will be paid directly to the institution upon written instructions from the student.

### **ELIGIBILITY**

The student must be:

- A resident of Lee County
- An upcoming High School Graduate planning to attending an accredited College or University
- Enrolling in agriculture, environmental science; or a related Natural Resource field
- A full-time student who is carrying at least 12 credit hours

### **SELECTION CRITERIA**

- The applicant should be maintaining a Grade Point Average of 3.0 (on a point scale of 4.0)
- The student must submit a copy of their latest transcript - High School
- If the student drops out of school, or changes to a major outside of the Soil and/or Water Conservation or Natural Resources fields, the full amount of the scholarship must be refunded to the Lee County SWCD.

### **SELECTION COMMITTEE**

A committee selected by the Lee County SWCD Board will screen all applications. The committee's decision will be based solely upon the student's achievement without regard to the student's race, color, national origin, religion, sex, age, marital status, or handicap.

To apply, fill out the application form and send it along with a copy of your most recent transcripts, and all other support information to:
