Other Issues/Old Business

- Getting teachers to come to meetings: Maybe post a reminder on the staff calendar, send out an email on the day of the meeting, add a text to staff only. (we can't provide you with the support you need if we don't hear from you) a lot of staff get busy and forget. It was brought up that some remember the day after.
- Kids night December 14th (parent's night out) held at Jefferson School. We are currently 25 kids signed up. We have a limit of 100. We will have cheerleaders and key club members there to help. We will be getting pizza from Mama Cimino's
- Need to get better at sending out agenda to staff and posting online. Let people know meetings have not lasted more than 30 minutes. Trying to be mindful of everyone's time.
- Math night will be February 1st. Details will be forthcoming.
- December we will be doing a trail mix bar for staff. (details at December meeting)

New Business

- Add Amy to the Bank Account (All voted yes with Amy sustaining from voting-motion passed) this is to cover if a board member makes a purchase, they are not paying themselves back, they are getting the money through someone else.
-
- We received our EIN number and name (all voted yes to approve)-motion passed.

Public Comment

(Abbey Kelly, Madison Teacher and Washington Parent) Title 1 Reading night would PTO like a Table for it (Yes!) we will plan an activity to do that is based around reading for that night and have information for next meeting.
