Approval of Minutes for January (passed)

Principal's Report: Jeff (Washington) Gearing up for Valentine's Parties. Thank you to the PTO for all that you do.

Financial Report: (Taylor) Financials looking good. Spring checks will be coming out. Sitting right where we should be at \$17,000.00

Fundraiser: (Michael)

Spring fundraiser is still up in the air! Bushel Basket has not gotten back to Michael regarding a contract. He will reach out to Poppin Popcorn tomorrow to see if we can schedule them. Due to the fundraiser conflicts and the lack of participation, we need to get some funds raised to be able to allow us to keep doing what we are doing, Michael will contact tomorrow to get the ball rolling on things.

Jillian can put out a survey to ask parents. We are working on a "where the funds go" we need to do a pie graph to show parents exactly what PTO does and where our funds go that we raise.

Other Issues/Old Business

- Title Family Night Math activity. PTO hosting a math activity at PTO table. Michael has confirmed with Larissa VanLuden from Wild Rose Casino in Clinton, Iowa that they will be able to donate playing cards and dice to the PTO for the game.
- Discussion on lack of participation at PTO meetings, volunteers, and such. What are we going to do to get people involved? How do we get people excited? What should we do differently?

New Business

- Jordan Miller (Washington Special Ed) gave a presentation to all on Zoom in regard to her coffee cart that she has established at Washington for students to engage with staff members and work on social skills, interacting with others, taking orders, collecting money, etc. She is with us tonight to explain her request
