RMS Parents / Guardians,

On Tuesday, April 23rd, Reagan Middle School will host an assembly for 6th and 7th grade students featuring Belpre Pura Award winning author Guadalupe García McCall. Mrs. McCall will be speaking to our students about her national bestselling book entitled *Summer of the Mariposas*, featuring an enchanting look at Mexican mysticism, coupled with the realistic celebration of the true meaning of family. At the conclusion, the author will also be signing books for students bringing personal copies to be autographed.

As a school district, we believe that topics such as these, and speakers such as Mrs. McCall, can be beneficial for middle school and high school students who may hear something from a speaker that resonates with them and lets them know that others in life may have gone through experiences and had feelings similar to what they may feel at times.

Information about Mrs. McCall can be found at www.ggmcall.com.

Please contact the main office at Reagan Middle School if you have questions.

Yours in Education,

Matthew M. Magnafici - Principal

Return this portion to the RMS main office or call the office by Monday, April 22nd, if you wish to opt your student out of this assembly.

Student Name: _____ Parent Name: _____

Date: _____ Parent Signature: _____

I do not wish for my student to attend the assembly at RMS on April 23rd.
