Dear Parents and Guardians;

There was a water main break on Blackhawk Street across from the school this morning. Water was restored to the school this afternoon however the school will be under a boil order for Friday. This means the restrooms are operational however we will provide bottled drinking water for students until the boil order is lifted.

Due to the boil order, the foodservice company was unable to provide lunch. Today and tomorrow, McDonald’s Hamburgers were provided to the students with chips, fruit and veggies.

If you have any questions, please reach out to your child’s teacher or Ms. Pumphrey, the building principal at 708-668-9500.

Sincerely,

Dr. Ericka Patterson
