

# Parent Portal

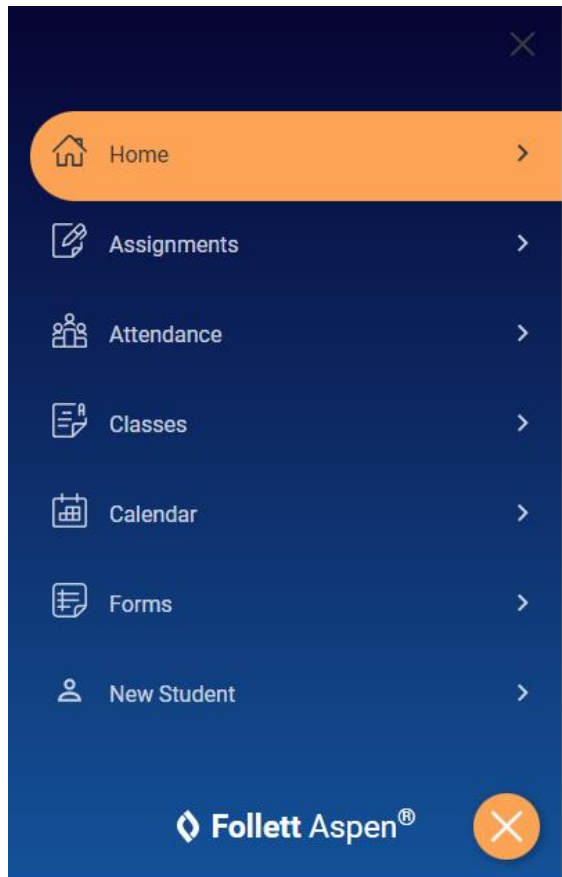

If your district uses Aspen Go Portal, there is now a Portal View just for parents.

Parents can keep tabs on their children's **Assignments, Attendance, Classes, Calendar and Forms.**

**New Student** – You will see this if you are using our Online Registration (OLR) module

# Home Tab

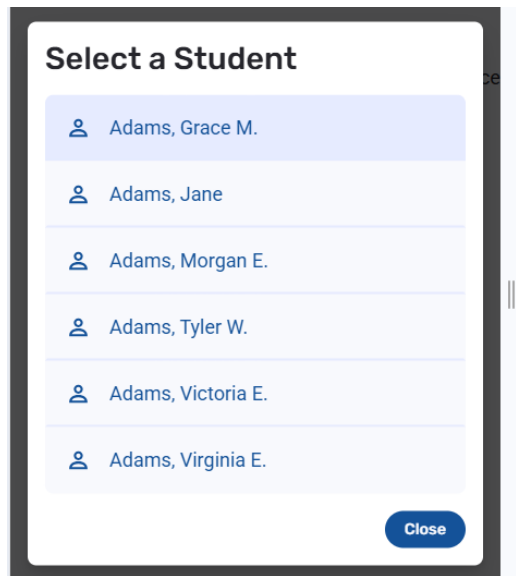

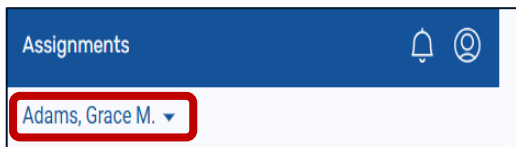

**Home** – This will take you to the Home Page to view Announcements. The announcements you view in Aspen Go are scoped for parents only.
