

Northwestern Teachers Association Scholarship

Four-Year College or University

The Northwestern Teachers Association will award a \$500.00 non-renewable scholarship to a current high school senior who has definite plans to attend a four-year college or university. Students must have at least a 3.0 GPA on a 4.0 scale. In addition, each applicant must complete all requested information on this form, include a high school transcript, and submit one recommendation from a teacher and one recommendation from another source.

Completed applications should be submitted to the Northwestern HS Guidance Office by May 3, 2024.

Applicant Information
