

Spring 2024 Middle and High School Testing

April 17 and 18 - English Language Arts State Tests

- Grades 6-7-8 and 10 will be testing
- Grades 9-11-12 will follow the normal daily schedule

April 30 and May 1 - Mathematics State Tests

- Grades 6-7-8 will be testing
- Any students in Algebra 1 and Geometry will be testing
- Any high school student not taking one of these tests may have a 2 -hour delay which means they need to be at school by 10:00. There will be classrooms available for students not testing or taking advantage of the 2 hour delay

May 7 - Social Studies and Science State Tests

- Grade 8 will be taking a Science test
- High School students will be taking: Biology, American History or Government test
- Any High School student NOT taking one of the above tests may have a delay until 11:22 in which case they can come at 11:22 for lunch/study hall but MUST be at school by 12:32. Again any student not testing or taking advantage of the 2 hour delay - there will be classrooms available for them to work in.
