"We give our love, our labor, our knowledge,
 and our experience—so that one day he or
 she will have the inner strength and
 confidence to leave us."
 — Adele Faber, [How to Talk So Kids Will
 Listen & Listen So Kids Will Talk](#)

Family Coffee Talks Are Back-

Bring the whole family and enjoy engaging discussions and education on the following topics:

- How To Talk So Kids Will Listen and Listen So Kids Will Talk - February 2nd
- How To Raise an Adult - February 9th
- Raising Good Humans - February 23rd

Come to enjoy delicious coffee, breakfast, and door prizes while networking with fellow parents and teachers.

School Activity Supervision Reminder

As we continue to remain busy with school activities, I would like to take a moment to remind you of the importance of supervising your children during these occasions.

While our school strives to create a safe and enjoyable environment for all students, it is crucial that parents remain vigilant and actively supervise their children throughout the duration of these events. Whether it's a sports game, a concert, a fundraiser, or any other school-related activity, your presence and supervision are invaluable in ensuring the safety and well-being of all attendees, especially the younger ones.

Please remember to:

1. Accompany your child to the event and stay with them throughout.
2. Keep a watchful eye on your child's activities and whereabouts.
3. Encourage responsible behavior and respectful interaction with others.
4. Be readily available in case of any emergencies or unforeseen circumstances.

By working together, we can ensure that our school events are not only enjoyable but also safe for everyone involved. Your cooperation and support in this matter are greatly appreciated. Thank you for your attention to this important matter. Should you have any questions or concerns, please do not hesitate to contact Mrs. Palic.

Valentine's and 100th Celebrations

Valentine's and 100th Celebrations are just around the corner and we truly enjoy celebrating in a variety of ways with our students. In regards to food for these celebrations, should you volunteer to send snacks with your child for the class, please send only store-bought food that is in its original wrapper. Though home-cooked meals and snacks are wonderful, in order to be able to monitor the safety of the food and our children, we must be able to see the contents (as written on the brand label) along with the attempt to avoid food-borne illnesses. Thank you again for your support with this.

Missoula Children's Theater - February 19th-24th

It's that time of the year again! Missoula Children's Theater is BACK! Thanks to the folks at the Hippodrome, The Stretesky Foundation and other generous donors, this exceptional opportunity is available for our students. The Missoula Children's Theatre (MCT), the nation's largest touring children's theatre, has been touring extensively for nearly 50 years now from Montana to Japan, and will visit nearly 1,100 communities this year with up to 44 teams of Tour Actor/Directors. A tour team arrives in a given town in their "little red truck" loaded with a set, lights, costumes, props and make-up, everything it takes to put on a play...except the cast. The team holds an open audition and casts 50-60 local students to perform in the production. The show is rehearsed throughout the week and two public performances are presented at the end of the week. All MCT shows are original adaptations of classic children's stories and fairytales . . . a *twist* on the classic stories that you know and love. Also included in the residency are three enrichment workshops presented by the Tour Actor/Directors. Creativity, social skills, goal achievement, communication skills and self-esteem are all characteristics that are attained through the participation in this unique, educational project. MCT's mission is *the development of life skills in children through participation in the performing arts*.

PowerSchool Parent Portal Registration Reminder:

- PowerSchool Parent Portal Forms - Parents, you should have received a letter from the school describing the process to sign up for the PowerSchool Parent Portal. We wanted to make sure every parent/guardian had access to the Parent Portal by Monday, August 28th. For those families who have not created a portal and/or filled out all required forms, we will send your password letters again and will also have them available at parent/teacher conferences where we will have you stay just a bit longer to complete the required forms. Please let us know if you are having difficulty filling this out.
